

# Child Protection Inter-Agency (CPIA Level 3) Half Day Course – Virtual Classroom and Face to Face Sessions

## Aims and Objectives

The purpose of this course is for participants to:

- Consider the wide range of issues that are covered in child abuse and neglect.
- Understand the role of all agencies, including your own, to work together to safeguard children and young people.
- Develop an understanding of the local and national child protection process and legal framework.
- Consider the impact of personal and professional attitudes on effective investigating, assessing and decision making.
- Consider the learning from Local and National Reviews and understand the impact on practice improvement.
- Understand the importance of equality and diversity.

## Course information

All learners must have previously undertaken their own organisations single agency Induction/Foundation Child Protection as a pre-requisite to attending this training.

To achieve the required CPIA Level 3 standard - All three parts of the training requirements must be completed.

- Part 1:** Complete 3 1/2 hours of pre-reading and set tasks - available within the CPIA Handbook. This is available from the attachments section when you enrol via your training account.
- Part 2:** Attend face to face / on-line course (3 1/2 hours) led by an experienced Child Protection trainer. This is an opportunity to learn together with other local practitioners, ask questions and be tested on safeguarding knowledge and skills.
- Part 3:** Complete your feedback form to obtain a certificate from your training account. Continue with your professional development - CPD by attending further virtual training courses and viewing additional safeguarding resources i.e., webinars of local reviews, local assessment tools, policies, and procedures. The CPD requirement is a minimum 10 hours per year.

## Audience

Members of the workforce who work predominately with children and young people and/or their parents and carers and are responsible for making safeguarding referrals to the Police and Children's Social Care E.g. Police, Health, Education and Voluntary Sector. Health Staff - this training meets the requirements of Level 3 training as outlined in the Intercollegiate Safeguarding Children and Young People roles and competencies for health care staff.
