Dear Cllr Hawthorne and Mr Bungard,

I am writing in response to your letter of 21 December regarding ambulance response times.

Operational matters relating to local health services in Wales, including ambulance services, are the responsibility of local health boards and the Welsh Ambulance Services NHS Trust (WAST).

I note you have written to the chairs and chief executives of the WAST and Aneurin Bevan University Health Board and I trust you will receive a satisfactory response from them which addresses the council's comments.

Yours sincerely

Dr Andrew Goodall
