A46 Stroud to Pitchcombe

Dear Sir/Madam

What: Road closure for carriageway resurfacing
Where: A46 Stroud to Pitchcombe – see overleaf for details of the exact location
When: 25th May to 11th June (not including weekends), from 1900 to 0700 NIGHTS

We will shortly be resurfacing the road at the above location. To ensure the safety of road users and our workforce, it will be necessary for us to **close the road** because of the road width and machinery that will be used. Overleaf is a map showing both the road closure and work areas.

To reduce the disruption this scheme may cause, we will be working night shifts from 1900 to 0700 (excluding Saturday or Sunday nights).

We hope you understand that we will not be able to guarantee access for vehicles in or out of our work area (solid red line on map overleaf) except in emergencies. If you normally drive into or out of this area during the hours when the closure will be in place, we ask you to please make alternative arrangements. Signed diversions will be in place.

The road closure area (dotted blue line on map overleaf) extends beyond the work area in order to manage through-traffic. There will be access into these areas however not via the A46 works area (solid red line).

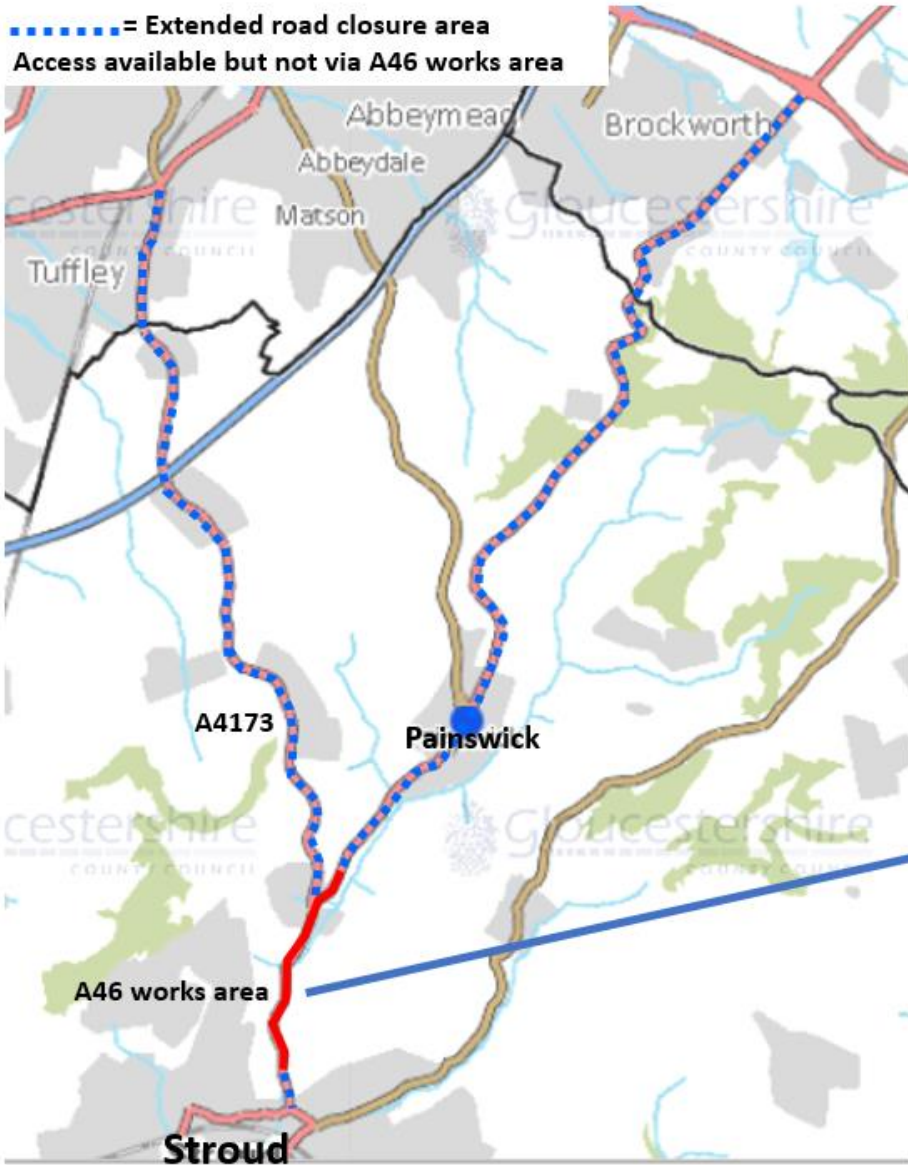

Thank you in advance for your patience and co-operation. If you have any queries please contact us on 08000 514514.

Yours faithfully,

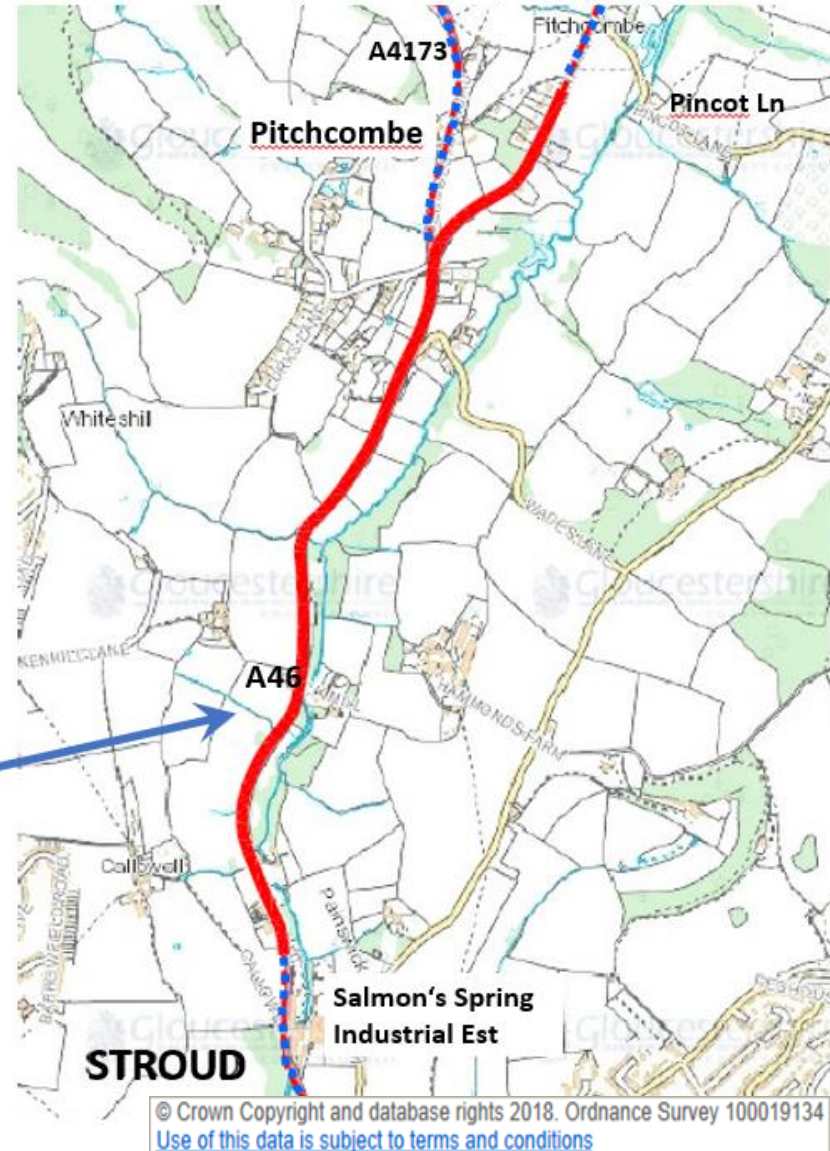

David Hicks
Highways Commissioning
Gloucestershire County Council

..... = Extended road closure area
Access available but not via A46 works area

—— = Works area, no access except in emergencies
