Local Plan for Gloucestershire
2018 - 2032

Interim (Regulation 22) Proposed Changes to Policies Map Statement
In support of the Publication / Pre-submission Plan

May 2018
Section 1 | Introduction

1. This is an interim supporting statement that describes the changes to the Polices (Proposals) map for Gloucestershire, following the adoption of the Minerals Local Plan for Gloucestershire (2018 – 2032) (hereafter referred to as "the MLP").

2. This interim supporting statement has been prepared to demonstrate how the plan and accompanying information complies with the requirements of regulation 22 (1) part (b) of the Town and Country Planning (Local Planning) (England) Regulations 2012 (hereafter referred to as “the Local Planning Regulations”)1.

3. A final supporting statement will be prepared to accompany the submission of the MLP.

4. Regulation 22 part (b) of the Local Planning Regulations directs the County Council to document as part of the ‘Submission of documents and information to the Secretary of State’, the following: -

   - a submission policies map if the adoption of the local plan would result in changes to the adopted policies map.

5. A Policies (Proposals) map for Gloucestershire is already in existence online. This can be accessed from the County Council website. It currently shows the geographic extent of the adopted policies of the Glouceshershire Waste Core Strategy (WCS), the adopted saved policies of the MLP (2003) and remaining saved policies of the adopted Waste Local Plan (2004). The map also shows the proposed changes resulting from the emerging MLP.

6. The Policies (Proposals) map can be viewed at: -
