

## Arle Court A40 Bus Priority Bulletin 3 – 14<sup>th</sup> June 2018

Excellent weather conditions are helping greatly with the progression of the road development.

This week we have begun construction of the traffic islands and started to divert underground cables on the widened section of road. (photo below).

We have also completed the excavation of the widened part of the carriageway and material is being delivered for the construction of the road.

A safety barrier continues to help protect the workforce and allows works to be undertaken with minimum disruption to the public. A road closure remains to prevent traffic exiting Whittington Road onto the A40.

As we progress with these important improvements, your continued patience is greatly appreciated.

If you have any concerns or issues regarding the road improvement scheme, please contact me on 0300 041 4635\*. I will be available throughout the construction phase to provide continuous engagement with businesses and residents within the local area.

Further information about the scheme can be found at
