

## Arle Court A40 Bus Priority Bulletin 4 – 28<sup>th</sup> June 2018

The glorious summer weather has helped us make excellent progress building the new road.

This week we have completed work on the power diversions, the gabion walls and we have started to put in the kerbs on the bus lane. (photos below)

We have also surveyed the drainage and have started to put some of the drains in place.

A safety barrier continues to help protect the workforce and allows works to be carried out with minimum disruption to the public. A road closure remains to prevent traffic exiting Whittington Road onto the A40.

*The gabion wall: a structure to support the new road*

As we progress with these important improvements, your continued patience is greatly appreciated.

If you have any concerns or issues regarding the road improvement scheme, please contact me on 0300 041 4635\*. I will be available throughout the construction phase to provide continuous engagement with businesses and residents within the local area.

Further information about the scheme can be found at
