

Arle Court A40 Bus Priority Bulletin 5 – 13th July 2018

Progress continues as we take advantage of the summer weather.

This week we have brought in material for the base of the bus lane and have commenced with the installation of kerbs. (Photos below)

We have also started the excavation and reconstruction of the existing footway / cycleway and the construction of the road islands.

A safety barrier continues to help protect the workforce and allows works to be carried out with minimum disruption to the public. A road closure remains to prevent traffic exiting Whittington Road onto the A40.

As we progress with these important improvements, your continued patience is greatly appreciated.

If you have any concerns or issues regarding the road improvement scheme, please contact me on 0300 041 4635*. I will be available throughout the construction phase to provide continuous engagement with businesses and residents within the local area.

Regular updates are posted on the County Council Twitter Page ([@GlosCC](https://twitter.com/GlosCC)) and further information about the scheme can be found at:
