Admission Number and Previous Applications

This is the total number of pupils that the school can admit into Reception (or Year 3 for Junior Schools). We have also included the total number of pupils in the school so you can gauge its size. The number of total preferences and first preferences will also help you to see how oversubscribed a school is, as this will tell you how many parents had named a school as one of their preferences on their application form and how many of these had placed it as their first preference.

Admission Policy

Admission policies are set by the Admission Authority for the school (the Local Authority for Community & Voluntary Controlled Schools and the Governing Body for Free, Foundation, Academies & Voluntary Aided Schools) and are applied for new children entering a school. We have included each schools admission criteria so you are aware before applying for a school place. This will include whether the school has a supplementary information form that you may need to complete and how to obtain this. Each school’s admission policy is available from www.gloucestershire.gov.uk/schooladmissions, the school itself, the school’s website, or by contacting the Access to Learning Team. The admission policy for all Community and Voluntary Controlled schools can be found on page 4.

Oversubscription Criteria

If a school receives more preferences than places available, the Admission Authority will place all children in the order in which they could be considered for a place. This will strictly follow the priority order of their oversubscription criteria. Next to each criterion we have identified how many children were offered a place at the school for that reason for September 2017 entry. For data protection purposes, any number less than five is shown as (<5)

We suggest you read the oversubscription criteria to see how many children were offered places last year, for all of the schools that you are considering as your preferences, to assess how likely it is that your application will be successful. We can’t guarantee your child will be offered one of their preferred schools, but they will have a stronger chance where they meet higher priorities in the criteria.
Primary and Infant schools

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit:

- A ‘looked after child’ or a child who was previously looked after but immediately after being looked after became subject to an adoption; child arrangements order or special guardianship order. (See page 10 for definition)

- Children who will have siblings attending the school at the time the applicant child is admitted. (See page 10 for definition)

- Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child’s home address (including flats) to the ordnance survey address point of the school, using the Local Authority’s computerised measuring system, with those living closer to the school receiving the higher priority.

Where points 1 and 2 are oversubscribed, criterion 3 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 3 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Local Authority.

This is a manual process which is overseen by an independent person from the Legal Services & Monitoring Team.

**Junior schools**

All Community and Voluntary Controlled junior schools use the following criteria to admit children into Year 3:

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit:

- A ‘looked after child’ or a child who was previously looked after but immediately after being looked after became subject to an adoption; child arrangements order or special guardianship order. (See page 10 for definition)

- In the case of companion infant and junior schools, priority will be given to pupils attending the companion infant school.

- Children who will have siblings attending the school at the time the applicant child is admitted.

- Children who will have siblings attending the companion infant school at the time the applicant child is admitted. (See page 10 for definition)

- Children with the strongest geographical claim, measured in a straight line from the ordnance survey point of the child’s home to an ordnance survey point of the school/academy, using the Local Authority’s computerised measuring system, with those living closer to the school receiving the higher priority.

Where any particular category at points 1-4 above is oversubscribed, criterion 5 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 5 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Local Authority. This is a manual process which is overseen by an independent person from the Legal Services & Monitoring Team.
Criteria Definition

Looked After Children / Previously Looked After Children:

A 'looked after child' (1) or a child who was previously looked after but immediately after being looked after became subject to an adoption (2) child arrangements order (residency order) (3) or special guardianship order (4).

1. A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. In Gloucestershire, such children are referred to as Children in Care.

2. This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Childrens Act 2002 (see section 46 adoption orders).

3. Under the provisions of s.12 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders.

4. See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

Sibling

Unless otherwise stated in the individual school criteria sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer’s partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living full-time in the same family unit at the same address. The older child must be continuing to attend when the younger child is admitted.

In the case of infant schools unless otherwise stated in the school criteria a sibling connection is also established if an older child will be or is already attending the companion junior school.

Where any particular category at points 1-2 above is oversubscribed, criterion 3 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 3 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Governing Body. This will be in the form of a manual process which is overseen by an independent person. Where twins or children from multiple births are part of a random allocation process they will be considered as one applicant.

Admission Policy for September, 2018 (No. of pupils admitted in 2017 shown in brackets)
1. Looked After Children/Previously Looked After Children. (0)
2. Children for whom only the academy is appropriate due to an exceptional medical condition. Applications under this criterion will only be considered if they are supported at the time of application by a written statement from the child’s doctor. This should be addressed to the Chair of Governors. The letter of support must demonstrate that there is a very specific connection between the medical need(s) of the child and the facilities or resources of the academy. (0)
3. Children who have siblings attending Clearwater Church of England Primary Academy when the younger child is admitted. For the purposes of this policy, siblings are defined as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child must be living in the same family unit at the same address) (0)
4. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child’s home address (including flats) to the Ordnance Survey address point of the academy, using the Local Authority's computerised measuring system, with those living closer to the academy receiving the higher priority. (28)
Tie Break

Random allocation will be used as a tie-break to decide who has highest priority for admission if the distance between a child’s home and the academy is equidistant in any individual case. This will be administered by the Local Authority. However, if children of multiple births (twins and triplets) are tied for the final place, those siblings will be admitted over PAN as permitted by infant class size rules.

1. Looked after children or previously looked after children. (0)
2. Children who will have siblings attending the school at the time of their admission. 4. Children who live in the catchment area, defined as ‘Coopers Edge’, i.e. children living in a home inside the Coopers Edge development boundary as shown by ‘map of the development’ at the end of the school’s admission policy. (34)

If after applying the catchment criteria there are more applications than places within the catchment area, a further tie-breaker of Random Allocation will be used for these applications. Random Allocation will be supervised by someone independent of the school with a fresh round of random allocation used each time a child is to be offered a place from a waiting list.

In the event of a tie between two or more children, when applying to criterion 4, the strongest geographical claim will be measured in a straight line from the Ordnance survey point from the
child’s home address (including flats) to the Ordnance survey address point of the school using the Local Authority’s computerised measuring system with those living closer to the school receiving the higher priority. 4. Children who will have siblings attending Harewood Infant School at the time the applicant child is admitted. (0)
5. Children for whom only one particular school is appropriate due to an exceptional medical condition. 1. Looked after children or previously looked after children. (<5)
2. Children who have a sibling attending the school at the time the applicant is admitted. We define siblings as a brother or sister, half-brother or sister, adopted brother or sister, step brother or sister, or the child of the parent’s/carer’s partner, and in every case, the child must be living in the same family unit at the same address, at the time of allocation. (29)
3. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child’s home address (including flats) to the Ordnance Survey address point of the school, using the Local Authority’s computerised measuring system, with those living closer to the school receiving the higher priority. (30)

In the event of oversubscription in either criterion 1 or 2 above, criterion 3 (the strongest geographical claim based on straight line distance) will be used to determine which child is offered a place, with the child living closer to the school receiving the higher priority.

In the event of a tie between two or more children when applying criterion 3 (strongest geographical claim based on a straight line distance), where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the school as its own Admissions Authority. This will be in the form of a manual process which is overseen by the Local Authority as an independent party. Where twins or children from multiple births are part of a random allocation process, they will be considered as one applicant.

Admission Policy for September, 2018 (No. of pupils admitted in 2017 shown in brackets)

1. Looked after children or previously looked after children. (<5)

2. Children who have a sibling who will be attending Highnam C. of E. Primary Academy at the time of reception admission. (19)
   Note: The admission criteria offers a higher priority for children with siblings who will be attending the school when the applicant child is admitted. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer’s partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application.

4. Children with an authenticated medical reason for attending the school.
   Note: Children for whom only this particular school is appropriate due to an exceptional medical condition. Applications will only be considered if supported by a written statement from the applicant’s doctor which must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the school. Any child with a statement of Special Educational Needs (SEN) or Educational Health Care plan (EHC) will be considered and the final decision to accept a child under this category will be made by the Governing Body through consultation with relevant professionals where necessary. (0)

5. Children with the strongest geographical claim in the year in which the child is to start school on the closing date for applications. (10)

Note: The distance will be measured in a straight line from the ordnance survey point of the child’s home address (including flats) to the ordnance survey point of the school. Those living the closest will receive the higher priority.

Special notes:
Where any particular category at points 1-3 above is oversubscribed, criterion 4 (the strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.
In the event of a tie between two or more children, when applying criterion 4, the strongest geographical claim will be measured in a straight line from the ordnance survey point from the child’s home address (including flats) to the ordnance survey address point of the school using the Local Authority’s computerised measuring system with those living closer to the school receiving the higher priority.
Where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Governing Body. This process will be overseen by an independent person.

No. of 1st Preferences for September, 2017: 7

Admission Policy for September, 2018 (No. of pupils admitted in 2017 shown in brackets)
1. Looked after children or previously looked after children. (0)
2. A child who lives in the historical Parish of Hillesley, Tresham and Alderley (map available in school). Distance will be measured in a straight line from the Ordnance Survey Address Point of the child’s home address, (including flats) to a central point of the school, using the Local Authority’s computerised measuring system, with those living closer to school receiving the higher priority. (5)
3. A child who has a sibling who will be attending the school at the time of admission. A sibling refers to a brother or sister, adopted brother or sister, half brother or sister, step brother or sister or the child of the parent/carer’s partner. In every case the child should be living in the same family unit at the same address. (<5)
4. A child whose parents/guardians specifically request a Christian education. (0)
5. A child who has particular authenticated medical reasons appertaining to the school. The school will need to be provided with medical evidence from a doctor that explains why Hillesley Primary is the only school that can meet the child’s medical condition. The written statement from the doctor must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the school. (0)

As Hillesley is a voluntary aided school the Governing Body will decide if the child can be offered a place. Social needs, such as a child wanting to attend the same school as friends, or attend a school near to where relatives live are not to be considered as medical needs.

In the event of over subscription in the above criteria, places will be allocated by closest proximity to the school, measured in a straight line from the school’s Ordnance Survey Address Point, as the route dictates. (0)

In the very unlikely event of a tie-break in the event that two or more children have the same distance measurement, and equally meet the criteria described in no 4, (i.e. In the event of a tie between two or more children when applying the above tie-break) where there are not enough places available to offer all children a place at the school, a lottery will be held by the Governing Body to allocate the remaining places.

Please note: in 3 and 4, the application for a place must be supported by a letter from their minister confirming the parents’ Christian commitment and regular attendance, i.e. at least twice a month, for a minimum of two years, before the closing date for application. (Where a family has moved within the previous two years, full supporting evidence will be required from the previous church the family regularly attended, as well as a letter from the local church). This letter must be received directly by the school by 31st January in the year in which the child is due to start school.
5. Admission Policy for September, 2018 (No. of pupils admitted in 2017 shown in brackets)
1. Looked after children or previously looked after children. (<5)
2. Children who will have siblings attending the school at the time the applicant child is admitted. (NB We define siblings as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer’s partner, and in every case, the child must be living in the same family unit, at the same address). (8)
3. Children whose permanent home address lies within the boundary of the Severnside parishes. A copy of the definitive map can be found on the Schools website. A copy is also available for inspection in the school office. In the event of there being more applications than available places then children with the strongest geographical claim will be given priority. Distances will be measured in a straight line from the ordnance survey address point of the child’s home address (including flats) to the ordnance survey address point of the school, using the local Authority’s computerised measuring system. (new criteria for 2018 entry)
4. Children whose permanent home address lies outside the boundary of the Severnside parishes will be allocated on the basis of strongest geographical claim measured in a straight line from the ordnance survey address point of the child’s home address (including flats) to the ordnance survey address point of the school, using the Local Authority’s computerised measuring system, with those living closer to the school receiving the higher priority. (17)

In the event of a tie between two or more children when applying criterion 4 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Local Authority. This will be in the form of a manual process which is overseen by an independent person from the Council’s Legal Services. Where twins or children from multiple births are part of a random allocation process they will be considered as one applicant.

Admission Policy for September, 2018 (No. of pupils admitted in 2017 shown in brackets)
1. Looked after children or previously looked after children (<5)
2. Children who will have a sibling attending the school and who will continue to do so when the younger child is admitted. A sibling is defined as a brother or sister, half-brother or sister, adopted brother or sister, step brother or sister, or the child of the parent's/carer’s partner, and in every case, the child must be living permanently in the same family unit at the same address. (13)
3. Children of full or part time salaried members of staff who have been employed at Severnbanks Primary School for two years or more at the time of the application for admission, or of a member of staff recruited to fill a vacant post for which there is a demonstrable skill shortage. (0)
4. Children for whom only Severnbanks School is appropriate due to an exceptional medical condition. Applications under this criterion will only be considered if they are supported by a written statement from the child’s doctor. This must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the school concerned. (0)
5. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey Address Point of the child’s home address (including flats) to the Ordnance Survey Address Point of the school, using the Local Authority’s computerised measuring system, with those living closer to the school receiving higher priority. (28)

Where any particular category at points 1-3 above is oversubscribed, criterion 6 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place. In the event of a tie between two or more children, when applying criterion 4, the strongest geographical claim will be measured in a straight line from the ordnance survey point from the child’s home address (including flats) to the ordnance survey address point of the school using the Local Authority’s computerised measuring system with those living closer to the school receiving the higher priority.

Step brothers/sisters are defined as children who are not necessarily related biologically (including Foster children) but are living in the same household for the majority of the time¹ at the address considered to be the address of the child for whom the application is made.

¹ A child must be living at an address for at least 50% of the time to be considered as living there for the majority of the time.

Prioritisation of pupils who are ranked within the same oversubscription admissions criteria:
Pupils who are ranked in the same oversubscription criteria are ranked within the criteria based on the following criteria:

Firstly ranking by Siblings
Within each admission category children will be given priority if they have a sibling/siblings at the school at the time the child would commence school and who will continue to do so when the younger child is admitted.

Then by ranking Geographical distance from school
Within each admission category children will be given priority if they live closer to the school. Distance from school is measured in a straight line from the ordnance survey address point of the child’s home address to ordnance survey address point of the school, using the local Authority’s computerised measuring system (with those living closer to the school receiving the higher priority).

In the event that there are pupils ranked in the same oversubscription category who live the same geographical distance from the school, ranking priority will be given to pupils for whom St Mary’s is their nearest Catholic school.

Supplementary Form Required:  No but Baptism forms are required (as proof of baptism) If a child is to be considered as a baptised Catholic, or baptised Christian, for admission purposes then parent/carer must provide the school with a copy of the child’s baptism certificate (if the certificate cannot be provided, then letter of confirmation from Parish Priest / Minister is required) by 31st January 2018
