Subject: MPA 95 diversion - consent for Planning Inspector to enter your land

Hi [REDACTED]

As part of the submission to the Planning Inspectorate, I need to include your written consent for the Planning Inspector to enter your land to carry out a site visit as part of their determination of the Order.

The site visit by the Inspector usually happens towards the end of the determination process and might be carried out without prior notice.

In terms of consent, a written response to this email will suffice.

Kind regards,
