

Arle Court A40 Bus Priority Bulletin 6 – 27th July 2018

The glorious summer weather has once again allowed us to make significant progress on the Arle Court Project.

This week we have carried on resurfacing work on the new bus lane and the cycleway / footpath. (photo below)

We have also commenced work on the installation of the traffic island. (photo below)

A safety barrier continues to help protect the workforce and allows works to be carried out with minimum disruption to the public. A road closure remains to prevent traffic exiting Whittington Road onto the A40.

The first temporary **road closures** for the works have been in place this week, and the following restrictions are still scheduled:

- Friday 27th July: Lane 2 will be closed for 5 days to complete the central reservation kerbing.
- W/C Monday 6th August: The A40 will have night time closures for 5 nights to complete surfacing and lining.

As we progress with these important improvements, your continued patience is greatly appreciated.

If you have any concerns or issues regarding the road improvement scheme, please contact me on 0300 041 4635*. I will be available throughout the construction phase to provide continuous engagement with businesses and residents within the local area.

Regular updates are posted on the county council twitter page ([@GlosCC](https://twitter.com/GlosCC)) and further information about the scheme can be found at:
