Minerals
Local Plan for Gloucestershire
2018 - 2032

Regulation 22 Proposed Changes to Policies
Map Statement
In support of the Submission Plan

September 2018
Section 1 | Introduction

1. This is a supporting statement that describes the changes to the Policies (Proposals) map for Gloucestershire, following the adoption of the Minerals Local Plan for Gloucestershire (2018 – 2032) (hereafter referred to as “the MLP”).

2. This supporting statement has been prepared to demonstrate how the plan and accompanying information complies with the requirements of regulation 22 (1) part (b) of the Town and Country Planning (Local Planning) (England) Regulations 2012 (hereafter referred to as “the Local Planning Regulations”)

3. Regulation 22 part (b) of the Local Planning Regulations directs the County Council to document as part of the ‘Submission of documents and information to the Secretary of State’, the following:

- a submission policies map if the adoption of the local plan would result in changes to the adopted policies map.

4. A Policies (Proposals) map for Gloucestershire is already in existence online. This can be accessed from the County Council website. It currently shows the geographic extent of the adopted policies of the Gloucestershire Waste Core Strategy (WCS), the adopted saved policies of the MLP (2003) and remaining saved policies of the adopted Waste Local Plan (2004). The map also shows the proposed changes resulting from the emerging MLP.

5. The Policies (Proposals) map can be viewed at: -

6. This document contains a published version of the policies (proposals) map. Due to the size of the county and number of constraints it would be difficult to present a single, meaningful map, therefore each of the applicable policies has its own map and two plans are provided for each of the allocations (one with constraints and one with out). An overview map is provided of the county to indicate a broader context of the allocations (Appendix 1).

1 The relevant part of the Town and Country Planning (Local Planning) (England) Regulations 2012 can be obtained at: -

</thead>
</table>
| MS01 | (Non-minerals development within MSAs) | The following layers are to be illustrated on the map:  
- Mineral Safeguarding Area for Brick and Fire Clays  
- Mineral Safeguarding Area for Shallow Coal  
- Mineral Safeguarding Area for Sandstones and Limestones  
- Mineral Safeguarding Area for Sand and Gravel  
- Mineral Consultation Area for all minerals  
- The adopted 2003 Mineral Consultation Area (MCA) is to be deleted |
| See Appendix 2a Mineral Safeguarding Areas Appendix 2b Mineral Consultation Area | |
| MS02 | (Safeguarding mineral infrastructure) | Two layers are to be illustrated on the map:  
- Mineral Infrastructure Safeguarded Sites  
- 150m Buffer of Mineral Infrastructure Safeguarded Sites |
| See Appendix 3 | |
| MW01 | (Aggregate Provision) | The 7 new allocations will be added to the map |
| MA01 | (Aggregate working within allocations) | All of the adopted 2003 MLP allocations will be deleted. |
| See Appendices 1 and 4-10 | |
| MW02 | (Natural building stone) | |
| MW03 | (Clay for civil engineering purposes) | No changes required but may have some connections to the relevant resource blocks contained within the Mineral Safeguarding Areas |
| MW04 | Brick clay | |
| MW05 | Coal | |
| DM04 | Flood Risk | This policy relates to the Flood zones 2, 3a and 3b illustrated on the policies map |
| See Appendix 11 | |
| DM06 | (Biodiversity and geodiversity) | This policy relates to the following layers illustrated on the policies map  
- Ramsar sites (international wetlands)  
- Special Protection Areas  
- Sites of Special Scientific Interest  
- National Nature Reserves  
- Key Wildlife Sites  
- Key Wildlife Sites (rivers)  
- Local Nature Reserves  
- Ancient Woodland  
- Strategic Nature Areas |
| See Appendix 12 (a-d) | |
| DM08 Historic Environment | This policy relates to the following layers illustrated on the policies map  
- Listed Buildings  
- Registered Battlefields  
- Registered Parks and Gardens  
- Scheduled Monuments |
| See Appendix 13 | |
| DM09 | Landscape | This policy relates to the following layers illustrated on the policies map  
- Areas of Outstanding Natural Beauty  
- Various Vales Landscape Characters  
- Forest of Dean Landscape Characters  
- Cotswolds AONB Landscape Characters  
- County Landscape Characters |
<p>| See Appendix 14a, b and c | |
| DM10 | Gloucester-Cheltenham Green Belt | This policy relates to the Green Belt layer on the policies map |
| See Appendix 15 | |
| DM11 | Aerodrome Safeguarding and Aviation Safety | This policy relates to all military and civilian aerodrome safeguarded areas which fall within the administrative boundary Gloucestershire. Once GIS licensing arrangements for the layers have been clarified these will be added onto the policies map. |
| See Appendix 16 | |</p>
