You will then receive a reusable ticket with a QR code. Please keep this ticket safe as you will need to use it on the park and ride bus.

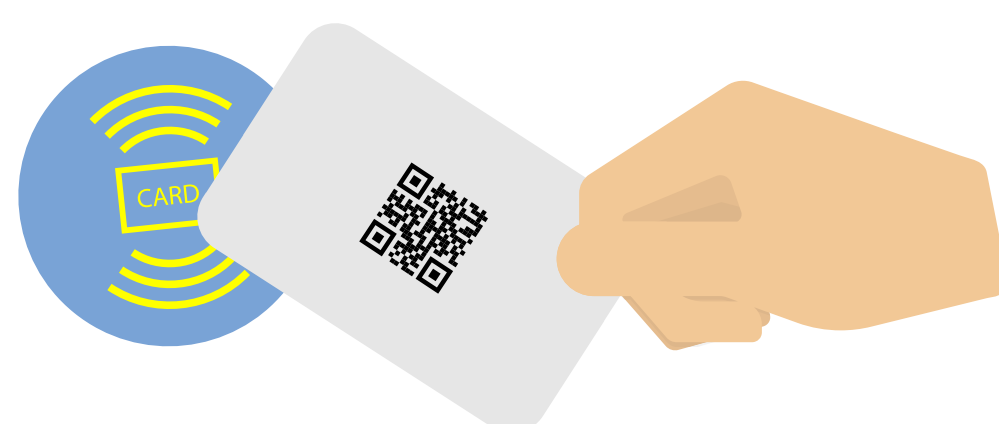

3

When you get on the park and ride bus please pay the bus driver for your journey.

4

Lastly, please scan your QR code ticket using the reader on the bus. This will confirm you qualify for free parking.

**Thank you for using Arle Court Park and Ride.** Please make sure you scan your QR code ticket on the bus to avoid receiving a fine. These instructions also apply to the 99 bus service and any other bus service operating from this site.

Please note if you have cycled to the site you will not need a code ticket - just pay the driver on the bus.
