Paediatric First Aid Training 2019-2020

Gloucestershire Local Authority will make a funding contribution towards the cost of paediatric First Aid training for childminders and settings, not schools or home carers. On completion of an appropriate EYFS compliant training settings may apply for payment of up to £60.00 per practitioner up to a maximum of 3 practitioners per setting per financial year (1 April to 31 March).

To receive the funding contribution childminders and practitioners should email a scanned copy of their certificate which must be from a company providing EYFS compliant training together with a receipt for payment.

Email address to be used is eyservice@gloucestershire.gov.uk You must indicate clearly whether you are a registered childminder, childminder currently going through the registration process or which daycare setting you are from. Payment will be made by BACs (bank transfer), usually during the month following receipt of the certificate. Cheque payments are no longer possible, therefore please complete and return the BACs form from the *Downloads* section of the Early Years website, giving your bank details.
