

Gloucestershire Climate Change Summit

2019 Gloucestershire
carbon neutral by 2050

Tuesday 21st May 2019

10am to 4.15pm, The Growth Hub, Gloucester

Purpose

Our ambition is to achieve a carbon neutral county by 2050. We want to look at how we can all contribute to the delivery of the most sustainable development and shape communities accordingly, helping to deliver the ambitions of the Gloucestershire Energy Strategy and contribute to updating the County Council's Climate Change Strategy. The event is jointly hosted by Gfirst Local Enterprise Partnership and Gloucestershire County Council.

Venue: University of Gloucestershire, Oxstalls Campus, Oxstalls Lane, Longlevens, Gloucester, GL2 9HW

Agenda

The event will be facilitated by Simon Roberts, Chief Executive of the Centre for Sustainable Energy (CSE) and author of the Gloucestershire Energy Strategy 2019.
