Published Admission Number and Previous Applications

The Published Admission Number is the total number of pupils that the school can admit into Reception (or Year 3 for Junior Schools). We have also included for each school the total number of pupils in the school so you can gauge its size. The number of total preferences and first preferences will also help you to see how oversubscribed a school is, as this will tell you how many parents had named a school as one of their preferences on their application form and how many of these had placed it as their first preference.

Admission Policy

Admission policies are set by the Admission Authority for the school (the Local Authority for Community & Voluntary Controlled Schools and the Governing Body for Free, Trust, Foundation, Academies & Voluntary Aided Schools) and are applied for new children entering a school. We have included each school’s admission criteria so you are aware before applying for a school place. This will include whether the school has a supplementary information form that you may need to complete and how to obtain this. Each school’s admission policy is available from www.gloucestershire.gov.uk/schooladmissions, the school itself, the school’s website, or by contacting the Co-ordinated Admissions Team. The admission policy for all Community and Voluntary Controlled schools can be found on page 4.

Oversubscription Criteria

If a school receives more preferences than places available, the Admission Authority will place all children in the order in which they could be considered for a place. This will strictly follow the priority order of their oversubscription criteria.

Allocation day statistics are available at www.gloucestershire.gov.uk/schooladmissions
Primary and Infant schools

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit:

- A ‘looked after child’ or a child who was previously looked after but immediately after being looked after became subject to an adoption; child arrangements order or special guardianship order. (See page 10 for definition)

- Children who will have siblings attending the school at the time the applicant child is admitted. (See page 10 for definition)

- Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child’s home address (including flats) to the ordnance survey address point of the school, using the Local Authority’s computerised measuring system, with those living closer to the school receiving the higher priority.

Where points 1 and 2 are oversubscribed, criterion 3 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 3 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Local Authority.

This is a manual process which is overseen by an independent person from the Legal Services Team.
Junior schools

All Community and Voluntary Controlled junior schools use the following criteria to admit children into Year 3:

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit:

- A ‘looked after child’ or a child who was previously looked after but immediately after being looked after became subject to an adoption; child arrangements order or special guardianship order. (See page 10 for definition)

- In the case of companion infant and junior schools, priority will be given to pupils attending the companion infant school.

- Children who will have siblings attending the school at the time the applicant child is admitted.

- Children who will have siblings attending the companion infant school at the time the applicant child is admitted. (See page 10 for definition)

- Children with the strongest geographical claim, measured in a straight line from the ordnance survey point of the child’s home to an ordnance survey point of the school/academy, using the Local Authority’s computerised measuring system, with those living closer to the school receiving the higher priority.

Where any particular category at points 1-4 above is oversubscribed, criterion 5 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 5 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Local Authority. This is a manual process which is overseen by an independent person from the Legal Services Team.

Criteria Definition

Looked After Children / Previously Looked After Children :

A 'looked after child' (1) or a child who was previously looked after but immediately after being looked after became subject to an adoption (2) child arrangements order (residency order) (3) or special guardianship order (4).

(1) A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. In Gloucestershire, such children are referred to as Children in Care.

(2) This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Childrens Act 2002 (see section 46 adoption orders).

(3) Under the provisions of s.12 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders.

(4) See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Sibling

Unless otherwise stated in the individual school criteria sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address. The older child must be continuing to attend when the younger child is admitted.

In the case of infant schools unless otherwise stated in the school criteria a sibling connection is also established if an older child will be or is already attending the companion junior school.

1. Looked after children or previously looked after children.
2. Children who have siblings attending the school and who will continue to do so when the younger child is admitted. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer’s partner, and in every case, the child must be living in the same family unit at the same address.
3. Children living in the Ecclesiastical Parish of Holy Trinity Church Amberley. A map showing the parish boundary is available for viewing in the school office.
4. Children of parents who are regular members of Amberley Church congregation. We define regular members as parents who attend Holy Trinity Church, Amberley at least once a month for twelve months to be verified to the governors in writing by members of Amberley Church Council.
5. Children for whom only one particular school is appropriate due to an exceptional medical condition. Applications under this criterion will only be considered if they are supported by a written statement from the child’s doctor which must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the school.
6. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey Address Point of the School to the Ordnance Survey Address Point of the applicant’s home using the Local Authority’s computerised measuring system, with those living closer to the school receiving higher priority.

Where any particular category at points 1-5 is oversubscribed, criterion 6 (strongest geographical claim based on straight line distance) will be used to determine which child will be offered a place.

In the event of a tie between two or more children when applying criterion 6 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Governing Body.

In the event of the school being oversubscribed a Waiting List will be held for the first term, i.e. until the December break. The Waiting List will be prioritised according to the school’s oversubscription criteria. The school has signed up to the In-Year Fair Access Protocols and Equality Impact Assessments held by the Local Authority. Should a vulnerable child within these Protocols require a place at the school, they will take precedence over any child on the Waiting List.

3. Children for whom Berkeley Primary School is the nearest primary school by road and who will have siblings attending the school at the time when the youngest child is admitted.

In the event of a tie between two or more children when applying criterion 3 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Governing Body. Admission Policy for September, 2020

1. Looked after children or previously looked after children.
2. Children with a sibling attending the Academy at the time of application. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same home address*, at the time of application.
3. Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child’s home address* (including flats) to the ordnance survey address point of the Academy, using the Local Authority’s computerised measuring system, with those living closer to the Academy receiving the higher priority AND where the school is the closest school to the home address with a place.

* The home address is where a child normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child’s residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school. If no joint declaration is received where the residence is split equally by the closing date for applications, the home address will be taken as the address where the child is registered with the doctor. If the residence is not split equally between both parents, then the address used will be the address where the child spends the majority of the school week.

Tie-break:
If the Academy becomes oversubscribed within criteria 2 or 3 above a distance tie-break will apply, with those living closest to the Academy being given priority for admission.

If two children live exactly the same distance from the Academy random allocation undertaken by someone unconnected to the Academy Trust will be used as a final tie-break to decide who will be admitted.

Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child’s home address (including flats) to the Ordnance Survey address point of the academy, using the Local Authority’s computerised measuring system, with those living closer to the academy receiving the higher priority.

**Tie Break**

Random allocation will be used as a tie-break to decide who has highest priority for admission if the distance between a child’s home and the academy is equidistant in any individual case. This will be administered by the Local Authority. However, if children of multiple births (twins and triplets) are tied for the final place, those siblings will be admitted over PAN as permitted by infant class size rules.

Admission Policy for September, 2020

1. Looked after children or previously looked after children.
2. Children who will have siblings attending the school at the time of their admission. Siblings are defined as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent / carer’s partner, and in every case, the child must be living in the same family unit at the same address at the time of at the time of admission.
3. Children for whom only this particular school is appropriate due to an exceptional medical condition. Applications under this criterion will only be considered if they are supported by a written statement from a doctor. This must demonstrate that there is a very specific connection between the medical need and this school.
4. Children of permanent staff where the member of staff has been employed at Coopers Edge School for at least 2 consecutive years or the member of staff has been recruited to fill a vacant post for which there is a demonstrable skills shortage: in order of the proximity of their home address to Coopers Edge School, with the closest having the highest priority.
5. Children who live in the catchment area, defined as ‘Coopers Edge’, i.e. children living in a home inside the Coopers Edge development boundary as shown by ‘map of the development’ at the end of this document.

If after applying the catchment criteria there are more applications than places within the catchment area, a further tie-breaker of Random Allocation will be used for these applications. Random Allocation will be supervised by someone independent of the school with a fresh round of random allocation used each time a child is to be offered a place from a waiting list.

6. Children who live outside the catchment area, with the strongest geographical claim, measured in a straight line from the ordnance survey point of the child’s home address (including flats) to the ordnance survey address of the school, using the Local Authority’s computerised measuring system, with those living closer to the school receiving the higher priority.

If after applying the distance criteria there are more applications than places with the same distance, a further tie-breaker of Random Allocation will be used for these applications.

Supplementary Form Required: No

4. Children from families who regularly worship at St James the Great Church, Cranham. The governing body consider regular to be at least once a month. A letter of support from the Minister or member of the PCC would be required. This should be submitted to the Headteacher, no later than 5 working days before the deadline for Admission applications. However, where a family has moved into the area within the two years, consideration will still be made on the application, providing regular attendance at the parish church can be verified by a letter from the Vicar.

5. Children for whom only this particular school is appropriate due to an exceptional medical condition. Applications under this criterion will only be considered if they are supported by a written statement from a doctor. This must demonstrate that there is a very specific connection between the medical needs and Cranham School.

6. Children from Christian families who regularly worship outside the boundary of the parish of Cranham. (Being a member of the Churches Together in England) The governing body consider regular to be at least once a month. A letter of support from the Minister or member of the PCC would be required. Where any particular category at points 1-5 is oversubscribed, criterion 7 will be used to determine which child will be offered a place.

In the event of a tie between two or more children when applying criterion 7 where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Governing Body.

For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, stepbrother or sister, or the child of the parent/carer’s partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application.
3. Children who can prove that they have a particular medical reason for attending the school. Note: Children for whom only this particular school is appropriate due to an exceptional medical condition. Applications will only be considered if supported by a written statement from the applicant’s doctor, which must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the school. The final decision to accept a child under this category will be made by the Governing Body through consultation with relevant professional where necessary.
4. How far the applicant lives from the School using the straight-line distance measurement using the LA’s computerised system. Those living closest will receive the higher priority.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (strongest geographical claim based on straight-line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children, when applying to criterion 4, the strongest geographical claim will be measured in a straight line from the Ordnance survey point from the child’s home address (including flats) to the Ordnance survey address point of the school using the Local Authority’s computerised measuring system with those living closer to the school receiving the higher priority.

Where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Governing Body.

4. Children with authenticated medical reasons for attending Field Court Junior School. Where it is, it is only Field Court Junior which is able to deal with the specific medical need, supported by a doctor's certificate.

5. Proximity of the child's home to the school with those living nearer being accorded the higher priority. Measured from the OS point of the home address of the child as at 15th January in the year the child starts school, to the OS point of the school. Admission Policy for September, 2020

1. Looked after children or previously looked after children.
2. Children who will have siblings attending the school at the time the applicant child is admitted. The definition of a sibling is “a brother or sister, half-brother or sister, adopted brother or sister, step brother or sister, or the child of the parent’s/carer’s partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address”.
3. Children of paid employees at Forest View Primary School. Paid employees refer to staff members who have been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
4. Children for whom only one particular school is appropriate due to an exceptional medical condition. Applications under this criterion will only be considered if they are supported by a written statement from the child’s doctor, which has to be submitted with the application. This must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the school concerned.
5. Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child’s home address (including flats) to the ordnance survey address point of the school, using the Local Authority’s computerised measuring system on behalf of Forest View Primary School (admissions authority), with those living closer to the school receiving the higher priority.

Where any particular category at points 1-4 above is oversubscribed, criterion 5 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 5 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the school. This will be in the form of a manual process which is overseen by an independent person.

**Admission Policy for September, 2020**

1. Looked after children and previously looked after children.
2. Children who have a sibling attending the school at the time the applicant is admitted. We define siblings as a brother or sister, half-brother or sister, adopted brother or sister, step brother or sister, or the child of the parent’s/carer’s partner as well as children who are brought together as a family by a same sex civil partnership, and in every case, the child must be living in the same family unit at the same address, at the time of allocation.
3. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child’s home address (including flats) to the Ordnance Survey address point of the school, using the Local Authority’s computerised measuring system, with those living closer to the school receiving the higher priority.

In the event of oversubscription in either criterion 1 or 2 above, criterion 3 (the strongest geographical claim based on straight line distance) will be used to determine which child is offered a place, with the child living closer to the school receiving the higher priority.

In the event of a tie between two or more children when applying criterion 3 (strongest geographical claim based on a straight line distance), where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the school as its own Admissions Authority. This will be in the form of a manual process which is overseen by the Local Authority as an independent party.

**Admission Policy for September, 2020**

1. Looked after children or previously looked after children.

2. Children who have a sibling who will be attending Highnam C. of E. Primary Academy at the time of reception admission (i.e. a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of a parent/carer’s partner). Note: The older child must be continuing to attend the school when the younger child is admitted and in every case the child must be living in the same family unit at the same address.

3. Children with an authenticated medical reason for attending the school. Note: Children for whom only this particular school is appropriate due to an exceptional medical condition. Applications will only be considered if supported by a written statement from the applicant’s doctor which must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the school. The final decision to accept a child under this category will be made by the Governing Body through consultation with relevant professionals where necessary.

4. Children with the strongest geographical claim in the year in which the child is to start school on the closing date for applications. Note: The distance will be measured in a straight line from the ordinance survey point of the child’s home address (including flats) to the ordinance survey point of the school. Those living the closest will receive the higher priority.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (the strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children, when applying criterion 4, the strongest geographical claim will be measured in a straight line from the ordinance survey point of the child’s home address (including flats) to the ordinance survey address point of the school using the Local Authority’s computerised measuring system with those living closer to the school receiving the higher priority.

Where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Governing Body. This process will be overseen by an independent person.

Total No. of Preferences for Sept. 2019: 16
No. of 1st Preferences for September, 2019: 7

Admission Policy for September, 2020
1. Looked after children or previously looked after children.
2. A child who lives in the historical Parish of Hillesley, Tresham and Alderley (map available in school). Distance will be measured in a straight line from the Ordnance Survey Address Point of the child’s home address, (including flats) to a central point of the school, using the Local Authority’s computerised measuring system, with those living closer to school receiving the higher priority.
3. A child who has a sibling who will be attending the school at the time of admission. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer’s partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application.
4. A child whose parents/guardians specifically request a Christian education.
5. A child who has particular authenticated medical reasons appertaining to the school. The school will need to be provided with medical evidence from a doctor that explains why Hillesley Primary is the only school that can meet the child’s medical condition. The written statement from the doctor must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the school. As Hillesley is a voluntary aided school the Governing Body will decide if the child can be offered a place. Social needs, such as a child wanting to attend the same school as friends, or attend a school near to where relatives live are not to be considered as medical needs.

In the event of over subscription in the above criteria, places will be allocated by closest proximity to the school, measured in a straight line from the school’s Ordnance Survey Address Point, as the route dictates.

In the very unlikely event of a tie-break in the event that two or more children have the same distance measurement, and equally meet the criteria described in no 4, (i.e. In the event of a tie between two or more children when applying the above tie-break) where there are not enough places available to offer all children a place at the school, a lottery will be held by the Governing Body to allocate the remaining places.

In every case, the child must be living in the same family unit at the same address, at the time of application.
3. Pupils with the strongest geographical claim based on straight line distance proximity of the child’s home - those living nearer being accorded priority.

Oversubscription
In the event of oversubscription in any of the above criterion, places will be allocated to children with the strongest geographical claim, measured in a straight line from the Ordnance Survey Address Point of the child’s home address (including flats) to Reception at the School, using the Local Authority’s computerised measuring system, with those living closer to the school receiving the higher priority. If necessary, if two or more children live at a precise equitable distance from the school, a further tie-break of random allocation based on names being drawn in a lottery at a specified time by our admissions team will be applied, although we will endeavour to treat twins and children from multiple births jointly.

   A copy of the definitive map can be found on the Schools website. A copy is also available for inspection in the school office. In the event of there being more applications than available places then children with the strongest geographical claim will be given priority. Distances will be measured in a straight line from the ordnance survey address point of the child’s home address (including flats) to the ordnance survey address point of the school, using the local Authority’s computerised measuring system.
4. Children whose permanent home address lies outside the boundary of the Severnside parishes will be allocated on the basis of strongest geographical claim measured in a straight line from the ordnance survey address point of the child’s home address (including flats) to the ordnance survey address point of the school, using the Local Authority’s computerised measuring system, with those living closer to the school receiving the higher priority.

In the event of a tie between two or more children when applying criterion 4 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Local Authority. This will be in the form of a manual process which is overseen by an independent person from the Council’s Legal Services. Where twins or children from multiple births are part of a random allocation process they will be considered as one applicant.

Admission Policy for September, 2020
1. Looked after children or previously looked after children.
2. Children with a sibling attending the Academy at the time of application. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same home address*, at the time of application.

*
3. Children for whom only one particular school is appropriate due to an exceptional medical condition (to be supported by a written statement from the child’s doctor that demonstrates a very specific connection between their medical need and the facilities or resources of this school).

4. Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child’s home address* (including flats) to the ordnance survey address point of the Academy, using the Local Authority’s computerised measuring system, with those living closer to the Academy receiving the higher priority AND where the school is the closest school to the home address with a place.

* The home address is where a child normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child’s residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school. If no joint declaration is received where the residence is split equally by the closing date for applications, the home address will be taken as the address where the child is registered with the doctor. If the residence is not split equally between both parents, then the address used will be the address where the child spends the majority of the school week.

If the Academy becomes oversubscribed within criteria 2 or 3 above a distance tie-break will apply, with those living closest to the Academy being given priority for admission.

If two children live exactly the same distance from the Academy random allocation undertaken by someone unconnected to the Academy Trust will be used as a final tie-break to decide who will be admitted.

In the event of two or more applicants being the same distance from the school when insufficient places are available, the Local Authority measuring tool for admissions will be applied, using the as the crow flies principle. Those living closer to the school receive the higher priority.

**Admission Policy for September, 2020**

1. Looked after children or previously looked after children.
2. Children who have a sibling attending the school and who will continue to do so when the younger child is admitted. A sibling is 'a brother or sister, half-brother or sister, adopted brother or sister, step brother or sister, or the child of the parent’s/carer’s partner, and in every case, the child must be living in the same family unit at the same address'.
3. Children for whom only this particular school is appropriate due to an exceptional medical condition. Applications under this criterion will only be considered if they are supported by a written statement from a doctor. This must demonstrate that there is a very specific connection between the medical need and this school.
4. Children with the strongest geographical claim, measured in a straight line from the ordnance survey point centre of the child’s home address (including flats) to the central ordnance survey address point of the school, using the Local Authority’s computerised measuring system, with those living closer to the school receiving the higher priority.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie breaker being needed, this will be the drawing of lots by an independent person in a supervised process.

Step brothers/sisters are defined as children who are not necessarily related biologically (including Foster children) but are living in the same household for the majority of the time¹ at the address considered to be the address of the child for whom the application is made.
A child must be living at an address for at least 50% of the time to be considered as living there for the majority of the time.

Prioritisation of pupils who are ranked within the same oversubscription admissions criteria.
Pupils who are ranked in the same oversubscription criteria are ranked within the criteria based in order of:

Siblings
Within each admission category children will be given priority if they will have a sibling/siblings*** at the school at the time the child would commence school

Tie breaker
In the eventuality that, after prioritisation by siblings (see above), applications are still equal then names will be drawn at random using random allocation i.e. drawing lots from the pupils applying, by the governing body. Where one child of a multiple birth is drawn the other child or children will be deemed to have also been drawn. The administration of the ‘draw’ will be supervised by a nominated person who is independent of the school.

Supplementary Form Required: No but Baptism forms are required (as proof of baptism) If a child is to be considered as a baptised Catholic, or baptised Christian, for admission purposes then parent/carer must provide the school with a copy of the child’s baptism certificate (if the certificate cannot be provided, then letter of confirmation from Parish Priest / Minister is required) by 31st January 2020

Admission Policy for September, 2020
1. Looked after children or previously looked after children.
2. Children who have a sibling attending the school and who will continue to do so when the younger child is admitted. For this purpose, sibling refers to brother or sister, half-brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of the application.
3. Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

Where oversubscription is still the case, having applied criteria 1-2, then criterion 3 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place. In the event of a tie between two or more children when applying criterion 3 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation (i.e. drawing of lots) will be followed by the Governing Body. Where twins or multiple births are part of the process, they will be considered as one applicant.

Admission Policy for September, 2020
1. Looked after children or previously looked after children.
2. Children who have a sibling attending the school and who will continue to do so when the younger child is admitted. We define siblings as a brother or sister, half-brother or half-sister, adopted brother or adopted sister, step-brother or step-sister, or the child of the
parent's/carer's partner, and in every case, the child must be living in the same family unit at the same address.

3. Where the family lives in the ecclesiastical parishes of Westbury, Flaxley and Blaisdon. A map may be viewed at the school office.

4. Where the family though living outside the parishes has active connections with St. Mary, St. Peter & St. Paul Westbury-on-Severn, St. Michael & All Angels Blaisdon and St. Mary the Virgin Church Flaxley. Active connections require regular attendance at the principal act of worship on a Sunday in any of the parish churches of Westbury-on-Severn, Blaisdon or Flaxley at least once a month on average during the two years prior to consideration of this application. The application should be supported by a letter from the minister and should be addressed to the school admissions officer. However, where a family has moved into the area within the two years, consideration will still be given to the application, providing regular attendance at any of the above mentioned parish churches can be verified by a letter from the minister.

5. Where specifically a Church of England School is sought by the parent(s) or guardian(s). The Common Application Form contains a box into which families can express their reasons for specifically seeking a Church of England School. These reasons will be considered as part of the admissions procedure.

6. Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child’s home address (including flats) to the ordnance survey address point of the school, using the Local Authority’s computerised measuring system, with those living closer to the school receiving the higher priority.

Any remaining places or if the number of places available is exceeded in any category, then available places in that category will be allocated by the Governors in the order of those with the strongest geographical claim measured in a direct line.

Where any particular category at points 1-5 is oversubscribed, criterion 6 (Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child’s home address (including flats) to the ordnance survey address point of the school, using the Local Authority’s computerised measuring system, with those living closer to the school receiving the higher priority) will be used to determine which child will be offered a place.

Admission Policy for September, 2020
1. Looked after children or previously looked after children.
2. Children who will have siblings attending the school at the time the applicant child is admitted. (Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer’s partner. In every case, the child must be living in the same family unit at the same address.)
3. Children with the strongest geographical claim, measured in a straight line from the ordnance survey point of the child’s home address (including flats) to a central point of the school, using the local authority’s computerised measuring system, with those living close to the school receiving the higher priority.

Where any particular category at points (1) – (2) above is oversubscribed, criterion (3) (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion (3) (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the school as its own Admissions Authority. This will be in the form of a manual process which is overseen by an independent party. Where twins or children from multiple births are part of a random allocation process, they will be considered as one applicant.
