

Exam and Assessment Results

Generally pupils are dual-registered with GHES and their home-school and are entered for exams through their home school. The exam results therefore form part of the registered home-school's published examination data.

Key Stage 4

GHES has supported pupils from every secondary school in Gloucestershire, helping pupils to achieve positive outcomes including many excellent examination results and other accreditations. GHES track pupil progress and outcomes for all our pupils.

The following tables show examination results for the academic year 2018-19

Student Numbers

Year 11 Pupils (2018-2019)				
No of pupils accessing education in Y11 through GHES	Number of pupils who sat accredited exams whilst being dual-registered with their main school and GHES	Number of pupils teenage pregnancy pupils who sat accredited exams	Number of pupils who were too unwell to sit all or some exams	Pupils who are resitting Y11 and will be included in 2018-19 results
