Admissions

The School's Standard Number per Year Group is currently 270.

Year 7

As an Academy, admissions are the responsibility of the School Governors. The Governors have arranged with the Gloucestershire County Council for admissions procedures to be administered by the County Council but the final responsibility for deciding admission rests with the Governors.

Oversubscription Criteria

Where applications for admission exceed the number of places available, the following criteria will be applied in the order set out below, to decide which children to admit:-

1. Children in Public Care (Looked After Children or previously Looked After Children) ¹ Governors are aware of potential revisions to the School Admissions Code relating to the position of Looked after Children outside of England but have decided, at this juncture, not to make amendments to this policy but to await further guidance.

2. Children wishing to join who have a sibling ² that will be continuing to attend Tewkesbury School.

3. Children living in, or attending partner primary schools in the parishes of Tewkesbury Town, Ashchurch Rural with Walton Cardiff, Chaceley, Deerhurst, Forthampton, Northway, Teddington, The Leigh, Twyning and Wheatpieces at the time of their application. A map showing the area covered by these parishes is available from the Main School Office. Our partner primary schools are: Ashchurch County Primary School, Carrant Brook Junior School, Deerhurst & Apperley C of E Primary School, The John Moore Primary School, Mitton Manor School, Norton C of E School, Queen Margaret's School, Tewkesbury C of E Primary School, Tirlbrook School, Tredington County Primary School, Twyning County Primary School.

4. Children for whom only this particular school is appropriate due to an exceptional medical condition. This will only be considered if they are supported by a written statement from the child's doctor. This must demonstrate that there is a very specific connection between the medical need and the facilities/resources supplied by this school.

5. Remaining places will be allocated on the basis of the proximity of the child's home to the school. ³

¹ Children in Public Care (Looked After Children) include: children in the care of the Local Authority, or being provided accommodation by the local authority in the exercise of their social services function. A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. In Gloucestershire, such children are referred to as Children in Care. This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders). Under the provisions of s.12 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders. See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

² Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application.

³ Distances are measured in the following way. Children with the strongest geographical claim, measured in a straight line from the child's home address (including flats) to the School Reception area using the Local Authority's computerised measuring system, with those living closer to the school receiving the highest priority.

Year 12 Admissions Criteria

The minimum requirement for entry to the Sixth Form is 5 GCSE's at grades 4 or C and above (or *equivalent, as determined by the school) with further specific subject requirements.

The school has an open access policy of admission to Year 12 for one and two year courses and students are guided in their choice of course and level of study. However, the small number of students who have had their education permanently redirected to our alternative provision free school, Abbey View, will not be considered for entry into the Sixth Form.

Details of our open days will be displayed on the school website (www.tewkesburyschool.org) and advertised in the local media as well as being available from the school office.

If your child is not offered a place in the Sixth Form an appeal can be made to the school office. Appeals will take place as set out below within 30 days of the appeal being lodged.

If the Sixth Form is over-subscribed we will apply the same oversubscription criteria as above.

* Wales has retained grades A* to E.

Disability

Students are admitted at age 11 without preference to ability or aptitude. Although we do not wish to discourage any prospective parent from considering the school, at the present time the structure of the buildings may restrict movement for children with some physical disabilities, although, we will make any reasonable adjustments to minimize this. If you would like to discuss any particular needs, please contact the school. Wherever possible, students with specific difficulties will be included in the full range of school activities.

Tewkesbury School will conform to the requirement to admit a child with an EHCP of **Special Educational Needs** that names the school, even if the school is full.

Tie Break

In the case of there being too many applicants for places and such applicants having identical claims to a place based on the priority criteria set out above, a further tie break will be used. Each applicant's name will be written on a blank sheet of paper and placed in a container. An appointed member of the Governing

Body will then draw out one of the slips and the place will be allocated to the name on that slip.

Waiting lists

If the school is oversubscribed, a waiting list will be held until 31 December. The waiting list will be prioritised according to the school's oversubscription criteria.

In-Year Admissions

Any applications for a school made outside the normal year of entry to the school must be made directly to the school.

Appeals

Appeals Process

Appeals against non-admissions are heard by an independent appeal panel of three to five members of the public.

The admission authority for the school must write to you at least 10 school days before the hearing to confirm the date. Organisations like the Advisory Centre for Education (ACE) can give you advice on preparing your case.

Secondary Admissions round

Appeals for on-time application (decisions sent on national offer day) must be heard by 6th July. If 6th July falls on a weekend then it must be heard on the next working day.

Appeals for late applications Such appeals should be included with those being heard for the same admissions round. However, if this is not feasible, appeals for late applications must be heard within 30 school days of the appeal being lodged.

In-year admissions

For applications made outside of the timetabled admissions process, hearings must be held within 30 school days of the appeal being lodged.

Fair Access Protocols

The school has signed up to the In-year Fair Access Protocols held by the Local Authority. Should a vulnerable child within these Protocols require a place at the school they will take precedence over any child on the waiting list.

Service Families Arrangements

Please refer to the Gloucester County Council guidance booklet:

<http://www.gloucestershire.gov.uk/schooladmissions>

Transport

The Local Authority will only pay traveling expenses for pupils attending the designated or nearest school to their home address and who live 3 miles or more from the school. Distances are measured using the nearest pedestrian route available. For detailed transport entitlement information, please see the relevant pages in the Transfer to Secondary booklet or contact the Education Transport Section at Shire Hall.
