This policy is a working document for the use of all staff and is subject to staff and trustee approval.

The standard intake number of pupils for September 2021 has been set at 90. Field Court Junior Academy has the capacity to accept 90 children for each year group in the academy. There are four year groups at the junior stage.

Oversubscription Admissions Criteria

In event of the numbers rising sufficiently and resulting in year groups becoming over-subscribed, the following procedures will be followed:

- Child In Care/Previously Looked After Children Definition
 - A 'Child in Care' (1) or a child who was previously looked after but immediately after being looked after became subject to an adoption(2) child arrangements order (residency order) (3) or special guardianship order (4)
 - (1) A 'Child in Care' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to an academy. In Gloucestershire, such children are referred to as Children in Care.
 - (2) This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders).
 - (3) Under the provisions of s.14 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders.
 - (4) See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).
- Children who already have an older sibling in attendance at the Field Court Junior Academy. Definition: For the purpose of this admissions policy the term 'sibling'

refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child must be living in the same family unit at the same address, at the time of application.

- Children who are moving on from the companion academy, Field Court Infant Academy.
- Children with authenticated medical reasons for attending Field Court Junior Academy. Where it is only Field Court Junior which is able to deal with the specific medical need, supported by a doctor's certificate.
- Proximity of the child's home to the academy with those living nearer being accorded the higher priority. Measured from the OS point of the home address of the child as at 15th January in the year the child starts academy, to the OS point of the academy. For admission purposes this should be measured in straight line from the ordnance survey point of the child's home address to the ordnance survey point of the academy. In the event of a distance tie break a person of legal authority will conduct a draw situation where one of the tie breaker children is selected at random anonymously be admitted.

Admissions Procedure

Please note that in order to secure a position at the transfer from Infant to Junior academy, the parent must complete the Common Application Form and return it to the Admissions Team before the application can be accepted.

In-year applications are all those made outside the normal admissions round for children of compulsory academy age i.e. those applications made during the academic year for any academy place in Reception through to Year 6. The Local Authority will no longer be responsible for offering places to children on behalf of all academies, but the Local Authority does maintain the statutory duty of being responsible and aware of all pupils and vacancies within academies within Gloucestershire. To apply for a place at Field Court Junior Academy, parents should therefore contact the academy in the first instance.

Places cannot however be held indefinitely in order to ensure equality of opportunity. Applicants should respond to offered places within two weeks.

There will be no discrimination on grounds of disability.

Appeals:

In the event of oversubscription parents of pupils not offered a place will be advised of the appeals procedure by the academy.

Waiting Lists:

Where any academy is oversubscribed during the normal admission round for entry to the academy (i.e. where all children requesting a place at a particular academy have not been allocated one), a waiting list will be held until the end of the December term. The waiting list will be prioritised according to the academy's oversubscription criteria, regardless of the

date the application was made, and should any places become available at the academy they will be offered to the child at the top of the waiting list. Where an in-year application for an academy place is unsuccessful, the child's name will be kept on a waiting list for one term only (based on a six term year) and will remain on the list up to the day before the start of the next term only. Parents who wish their child to be considered for a place in any subsequent terms should contact the Academy at the beginning of each new term to request that their child remains on the waiting list.

Children with Special Educational Needs

Children who have a Statement of Special Educational Needs are placed in academies through the arrangements set out in the SEN Code of Practice and not through any admission criteria. Boards of Trustees are required by Section 324 of the Education Act 1996 to admit a child with a Statement or an EHCP Plan that names that particular academy. Parents of children with Statements of SEN or an EHCP Plan should contact their child's casework officer for any further information. Children who have a Statement of Special Educational Needs or an EHCP Plan naming an academy will be allocated a place even if that academy is full.
