

Planning and Compulsory Purchase Act 2004 (as amended)

Town and Country Planning (Local Planning) (England) Regulations 2012 (as amended)

**Minerals Local Plan for Gloucestershire (2018-2032)
Adoption Statement**

This Statement hereby gives notice that Gloucestershire County Council (the Mineral Planning Authority) adopted the Minerals Local Plan for Gloucestershire (2018-2032) on 20th March 2020.

An independent Inspector appointed by the Government examined the Plan following its submission to the Secretary of State in December 2018. The Inspectors' Report was issued on 23rd December 2019 and concluded that, subject to a number of main modifications, the Plan would be sound and should be adopted. The adopted Minerals Local Plan for Gloucestershire (2018 – 2032) includes the Inspector's recommended main modifications and additional modifications that do not materially affect the policies of the plan.

The adopted Minerals Local Plan for Gloucestershire (2018 – 2032) includes a spatial vision, strategic objectives, and policies which set out the key principles to guide proposals for future mineral working in the County over the period to the end of 2032. The Plan replaces the saved policies contained in the Gloucestershire Minerals Local Plan (1997 – 2006) (adopted April 2003).

The adopted Minerals Local Plan for Gloucestershire (2018 – 2032), this Adoption Statement; and the Sustainability Appraisal Adoption Statement can be viewed on line and downloaded at: <https://www.gloucestershire.gov.uk/planning-and-environment/planning-policy/minerals-local-plan-for-gloucestershire/>
