

Secondary School and Academy Admissions

GUIDANCE BOOKLET 2021/2022

For children born between 1st September 2009 and 31st August 2010

Also includes information regarding:-

Transfer from Middle to High Schools
University Technical Colleges

WELCOME

This booklet will help guide you through the process of applying for a school/academy place in Gloucestershire.

This booklet is only for parents and carers of children living in Gloucestershire - if you do not live in Gloucestershire you **must** apply to your home local authority, even if requesting a place in a Gloucestershire School.

CONTENTS

<i>September 2021 Intake - Key dates</i>	<i>Page 3</i>
<i>Step 1 - Do your homework</i>	<i>Page 4</i>
<i>Step 2 - Choose your preferred schools/academies</i>	<i>Pages 5 - 6</i>
<i>Step 3 - Grammar school registration</i>	<i>Pages 7 - 8</i>
<i>Step 4 - Apply for a school/academy place</i>	<i>Page 8 - 9</i>
<i>Step 5 - Responding to the school offer</i>	<i>Page 9 - 11</i>
<i>Step 6 - Request an appeal</i>	<i>Page 11 - 12</i>
<i>Additional information</i>	<i>Pages 12 - 14</i>
<i>FAQ's</i>	<i>Pages 14 - 19</i>
<i>Jargon made simple</i>	<i>Pages 19 - 22</i>
<i>Useful contacts</i>	<i>Pages 22 -24</i>
<i>Neighbouring LA's</i>	<i>Pages 24 - 25</i>
<i>A-Z of schools/academies in Gloucestershire</i>	<i>Pages 26</i>

KEY DATES 2021/2022

Entry to Secondary School/Academy

In Gloucestershire, nearly all children transfer from primary school/academy at the age of 11 when they are in Year 6. There can be exceptional circumstances - for example, when children transfer to secondary school earlier or one year later, but this would involve detailed discussions and agreement with parents or carers and relevant primary and preferred secondary schools/academies.

Entry from Middle to High School

The neighbouring county of Worcestershire offers a 3 tier system where children transfer from Low to Middle School in Year 5 to Year 6 and Middle to High School in Year 8 to Year 9. For further details see page 14.

Entry to a University Technical College

Some Authorities have University Technical Colleges which you can join in Year 10 or Year 12 for further information see page 14. Please note that you are unable to apply online for this and should follow the instruction as given on page 15.

September 2021 Intake

From noon 18 th May 2020 to noon on 30 th June 2020	Online registration period for Grammar Entrance Test
September 2020	Letters sent out explaining how to apply for school places
From 7 th September 2020 to 31 st October 2020	Online Secondary/High School transfer application facility open
Saturday 17 th October 2020	Grammar Entrance Test Day
Saturday 31 st October 2020	Closing date for school applications
By end of November 2020	Grammar Test results sent to parents
Monday 1 st March 2021	Allocation Day
By Midnight Monday 8 th March 2021	Closing date to return reply form accepting the School/Academy place or requesting to be put on waiting list/s
After Monday 29 th March 2021	Outcome of waiting list requests
Wednesday 7 th April 2021	Closing date for return of reply forms
May 2021 to July 2021	Appeals

STEP 1

Do your homework to help you decide which schools/academies you wish to apply to.

- Go to School/Academy Open Evenings; information about Open Evenings and information sessions is usually available on the schools/academies websites or by telephoning the school/academy.
- Read the latest OFSTED report for the school/academy. This report will point out all the strengths and weaknesses of the school/academy and is usually available on the school's/academy's website or by asking the school/academy for a copy.
- Look at the school/academy website - this will give information about the school/academy including the number of pupils, facilities etc.
- How far away are the schools/academies and will you be able to get your child there? Your child may not qualify for travel assistance and the cost of getting them to school may be significant. (Further information about travel assistance can be found on page 10).
- Find out about entry requirements and if your child has a **realistic** chance of getting a place at the school/academy. The admission criteria for all schools/academies is available either from the school/academy or from the following link on our website: <https://www.gloucestershire.gov.uk/education-and-learning/school-admissions-scheme-criteria-and-protocol/determined-admission-criteria-and-scheme-for-2020/>
- If you are considering a grammar school/academy remember your child will need to take an Entrance Test.
- If your child has an Education Health and Care Plan please go to page 11.
- Do your local schools/academies have particular specialisms, for example; languages or technology?
- Include your child in making the decision and to discuss the options available but remember a place at your preferred school cannot be guaranteed; make sure your child understands this.

STEP 2

Choose your preferred schools/academies

- You can apply for up to five schools/academies that you would prefer your child to attend.
- Place the schools/academies in your **true preference order** with 1 being the school you would most like your child to attend. We allocate schools using the equal preference system. Schools/academies are not informed where you put them on your list. Please see page 5 for further details.
- Even if you want a place at your local or catchment school/academy or you already have another child in the school/academy you **must** still apply.
- Your catchment school/academy does not have to be one of your preferences however it is unlikely that a place will be available in the event that you do not receive a place at any of your preferred schools.
- Please be aware that the number of children within a catchment area may be greater than the number of places available at the school.

Equal Preference System Explained

Background to the system

Whether you're applying for a primary or secondary school place for your child, it can be tough deciding which schools to list on your application form, let alone in which order you should rank them.

In the past, some schools and Local Authorities operated a 'First Preference First' system. Admissions Authorities could prioritise those who had listed a school as their first choice on their application form. In practice, this meant that a child who lived some distance from a school but had made it their first choice could be offered a place above a child who lived nearer but had listed it as their second choice.

The Schools Admission Code outlawed the 'First Preference First' system. **Admission Authorities are now legally required to operate an 'Equal Preference' system.** This means that places are offered purely on the strength of how well children fit the admissions criteria. Schools can't favour children who listed the school as their first choice, nor rule out those who placed it lower down their list; in fact, they are not even told where they were ranked in your list of preferences.

The Equal Preference system was introduced to prevent Admission Authorities being able to give higher priority to children who listed a school as their first choice. This is particularly important where a school's Admission Authority is the school itself - for example, foundation

schools/academies, where the governing body controls admissions - as they are no longer able to select pupils based on where the parent/carer has placed the school as a preference.

What does this mean in practice?

- On the Common Application Form you will be asked to list your top 5 choices of schools/academies in order of preference.
- After the closing date, we will put your child's name on the list for each of the schools you have listed. Their position on the list will depend on how well your child fits the school's admission criteria - for example, they may be higher up a school's list if you live very near to it.
- The Equal Preference system means that at this stage, the order in which you ranked the schools will not be taken into account. Your child will be put on the list for every school you have applied to.
- Each school has a Published Admission Number (PAN): the number of places it has to offer. We will mark up the names at the top of each school's list, up to its PAN. This is known as the School List. Those children whose names fall outside the PAN will not be offered a place at this school. You will have the opportunity to place your child's name on a waiting list as part of the process for the second stage (for further guidance please see **Step 7**).
- If your child is on more than one School List, we will then take into account the order in which you ranked the schools on your Common Application Form. Your child will be offered a place at the school that you ranked highest.
- If your child isn't allocated a place at any of your preferred schools, we will allocate a place at the nearest school with a space available.
- If you have been offered a school that wasn't your first choice, you will then have the opportunity to request for your child to be placed on the waiting list for your higher preferences; so your child may be reconsidered for a place at any of these schools in subsequent allocation rounds (for further guidance please see **Step 7**).

STEP 3

If you have chosen a grammar school/academy, you need to register your child to take the test. (Otherwise go to Step 4)

- Decide the grammar school/academy where you would prefer your child to sit the Entrance Test (***Be aware there may be limited testing places available and your child may be allocated an alternative venue***). You cannot change your preferred Test Centre after submitting your application.
- Go to the grammar schools/academies website listed on page 7 and register your child to take the test by completing the online Grammar Registration Form.
- You **must** register which schools can share your child's results. Only the schools you select will be able to consider your child for a place. You can state any number of 'Share Schools' for the gender appropriate grammar schools/academies.
- The online grammar registration opens on **noon 18th May 2020**. You must ensure that your Grammar Registration Form is submitted by **noon on 30th June 2020**. If it is not received by the closing date your child will not be able to sit the test in September 2020.
- Once you have registered for the Entrance Test, the grammar schools will send you information nearer the testing day regarding the arrangements at your allocated Test Centre. This information is not sent out by the Co-ordinated Admissions team and we are not given access to this information.
- If your child is ill on the day of the test or is unable to make the test date, you will need to contact the school where your child will be sitting the Entrance Test as soon as possible.
- Results will be sent out by email and you will be contacted by each grammar school/academy you have requested to 'share results' with.
- You should be aware that achieving the qualifying standard does not guarantee entry into your preferred grammar school/academy.
- If you do not obtain the qualifying score for a school you will not be considered for a place. If you choose it as one of your preferences, it will be disregarded. You can however make an appeal during the Appeals Stage (**see Step 8**) if you have exceptional circumstances. The school **does not** have to be named on your Common Application Form in order to do this.

The Crypt School	Mixed	www.cryptschool.org

STEP 4

Apply for a school/academy place

- To make an application for a school/academy place, you must be the child's parent or legal guardian. We can only accept one application per child; therefore applications should only be made to us once both parents agree with the preferred schools/academies. If parents can't agree please see page 12.
- Register to apply online via our website www.gloucestershire.gov.uk/schooladmissions - this is the quickest and easiest way to apply. If you have previously registered for another child, or for Free School Meals, you can use the same logon details and password. Just check that all your details are still correct and update accordingly. You may need to provide proof of any changes.
- You may be asked for your child's Unique Identifying Number (UID) which you can find on the letter from Co-ordinated Admissions. It does not matter if you have lost the letter you can still access the application by clicking on the "No UID" tab.
- You can apply for up to five schools/academies. Place them in your true preference order but make sure you have read the Admissions Policy for each school/academy to ensure your choices are realistic. Please see the Secondary School and Academy Information Booklet 2021/22 for details on individual schools admissions policies.
- Use your child's permanent address. We use this information to determine if a child can be offered a place at a school so it is important that we have the correct address.

- Adoption and Children in Care. Please read the definition on page 17. You will need to provide documentary evidence of this.
- Tell us about any siblings (see page 18 for definition) that will be attending the school/academy when your child is due to start.
- If you feel that your child has a medical need that can only be met by a specific school/academy you will need to supply the school with documentation from a medical professional to support your application, if it is relevant in the school's admissions criteria.
- Check if the schools/academies you are choosing require supplementary forms to be completed. You will find this information in our Secondary School and Academy Information Booklet 2021/22 or on the school's website. Remember: you must still complete the Common Application Form and name them as one of your preferences.
- If you currently live overseas and require a Year 7 place in Gloucestershire for your child from September 2021 you can apply directly to ourselves using our online application facility. Please apply using your child's name, date of birth and your current overseas address but also give details of your moving date and UK address.
- Remember to make a note of your user name and password as you will need this to access your account to make any changes and to check your results.
- Applications received after **Saturday 31st October 2020** will be treated as late and will not be considered until after all other applications have been processed.
- Alternatively you can complete a paper application form which can be downloaded from our website. It is your responsibility to ensure that we receive it as proof of posting is not sufficient.

STEP 5

Responding to the school offer

Accept your school place

- All parents who applied online will be notified via email or can login back into their online account to view the school allocation.
- If you are happy with the school/academy place you have been offered, log into your online account and accept your place. We will notify the school and they will be in touch about Taster Days etc.

- If you have sent in a paper application you will be notified via letter. If you are happy with the school/academy place you have been offered, you can either complete and return the paper reply form included in your letter or go to our website (www.gloucestershire.gov.uk/schooladmissions) where there is an online reply form. We will notify the school/academy and they will be in touch about Taster Days etc.
- We strongly advise that you accept your offer even if you are unhappy with it to ensure your child has a school place for September 2021. Accepting a school place does not affect your right to be placed on a waiting list or to appeal. **(See Step 7).**

Decline your school place

- You can decline your school place online, by using the reply form enclosed with your letter or the online reply form.
- If you decline your school place this will not increase your chances of being offered one of your preferred schools.
- Children are **not** automatically placed on waiting lists on allocation day (Please go to step 7).
- We strongly advise that you accept your offer even if you are unhappy with it to ensure your child has a school place for September 2021. Accepting a school place does not affect your right to be placed on a waiting list or to appeal. **(See Step 7)**

Request to be placed on a waiting list(s)

- If you applied online, you can only use the portal to place a waiting list request for the schools you listed on your original application form. If you wish to apply for alternative schools than those previously listed please complete the online reply form.
- If you made a paper application you can complete the reply form enclosed with your offer letter or use the online reply form.
- If this is your first application please complete the “late” online common application form.
- Any requests need to be made by the closing date **by Midnight Monday 8th March 2021.**
- At this stage we cannot take individual circumstances or personal reasons for wanting the school/s into account. However if your address has changed or will have changed before **Monday 8th March 2021** you must let us know.
- Your child’s name will be added to the schools waiting list and should places become available and if your child is next in line you will be offered a place. Your original school place will be automatically withdrawn and made available to others.

- You will be informed of the outcome after **Monday 29th March 2021**.
- If you have not been allocated your preferred school/academy in the waiting list round you will remain on their waiting list. This team continually allocates, as and when spaces become available in the schools, up until the end of the summer term. At which point, they are handed over to the schools. The list we provide to them must be kept until December 2021.

STEP 6

Request an Appeal

- If you are still unsuccessful in gaining a place at your preferred school, you have a legal right to appeal if you think you have exceptional circumstances supporting why your child should have a place at your preferred school/academy.
- All schools/academies in Gloucestershire manage their own appeals process you can find out details on their individual websites or by contacting the school/academy direct.

Archway school is the only exception; please email school.admissions@gloucestershire.gov.uk for more information on how to appeal for this school.

- Unless there are significant material changes in circumstances, only one appeal application may be made for each academic year for each school/academy. We strongly recommend that you accept the school/academy place offered, even if you are intending to appeal for another school/academy. This ensures that your child has a school/academy place secured for September 2021 if your appeal is unsuccessful.

Grammar School Appeals

- You will be able to appeal for a place at a grammar school/academy for your child on one of two grounds:
 - If your child was selected for the school/academy (i.e. reached the required standard in the test) but they were not offered a place as the school/academy became full with children who scored higher in the test.
 - Your child was not selected for the school/academy (i.e. did not reach the required standard in the test) but there were exceptional reasons for your child

not performing to the best of their ability that you would like an Appeal Panel to consider. Each Admission Authority will deal with appeals in their own way.

- Details on how to appeal can be found on the individual school/academy website or by contacting the school/academy direct.

Additional Information

Late Applications

It is extremely important that you apply by the closing date of **Saturday 31st October 2020**. We have to treat any application that is received after this date as “late” and your preferences will not be considered until places have been offered to all children for whom we received an application by the closing date.

Our Senior Officers can agree to extend the deadline, for a short time, in very exceptional circumstances such as:

- Where legal paperwork needs to be obtained for a parent/guardian to be able to state a preference on behalf of their child.
- Cases of Emergency Care Orders
- The hospitalisation of the only parent/guardian

If you think this applies to you it is important that you contact us before the closing date to agree any extension.

Unfortunately it is unlikely that your child will be offered a place at any of your preferred school/academies if we do not receive your application form by the closing date.

Late applications received up to 4 weeks before Allocation Day will be considered **after** on time applications. If we are able to make a reasonable offer we will do so and you will receive notification on Allocation Day. If we are unable to make a reasonable offer your application will be considered during our second round.

Travel Assistance

It is very important that you think about transport when you consider the school/academy you would like your child to attend. If you are not choosing to attend the nearest school (for whatever reason) or the school is within walking distance assistance is very unlikely to be granted. The majority of children are not eligible for free transport and this will usually have to be organised and paid for by yourselves - many schools/academies have their own travel plans, with special routes to make walking or cycling safer and have special facilities such as cycle shelters.

You can apply for assistance with transport if all of the following details apply to your child:

- Your child lives in Gloucestershire &
- They attend their nearest or designated secondary school and it is over three miles or more walking distance away.

For a ‘**straight line**’ calculation on the distance from your postcode to the school you are interested in please use the following link: www.gloucestershire.gov.uk/schooladmissions and click on the ‘Find a school’ tab - please note this should only be used for a general guideline and does not match the criteria for how the transportation distance assessment is calculated - Travel assistance is measured by “walking” distance using the nearest available pedestrian route.

Transport assistance is not provided to those children who:

- Attend an independent school.
- Study away from their normal school.
- Live outside the County and attend a Gloucestershire school

If transport is likely to be an issue for you, we would advise you to contact the Travel Assistance and Free School Meals Team to see if we can help with transport before choosing your preferred schools/academies.

The County Council remains committed to ensuring that all children are able to access education and will continue to meet all of its statutory duties. It further commits to considering best practice as outlined in the Education Act 1996, Education and Inspections Act 2006, the Home to School Travel and Transport Guidance and Home to School Travel for Pupils Requiring Special Arrangements Guidance.

Please check the website for our current transport policy
www.gloucestershire.gov.uk/schooltransport

Children with Special Educational Needs and Disabilities

If you think that your child needs to go to a special school/academy, you are advised to talk to your child’s primary school/academy in the first instance.

It is important to remember that no places can be guaranteed at schools/academies suggested or recommended as being suitable for your child by staff at your child’s primary school/academy or by other advisers.

If your child has an Education Health and Care Plan (EHCP) or a Statement of Special Educational Needs there is a different transfer process from primary to secondary school/academy.

At the Year 5 Annual Review there should be an opportunity to discuss with the primary school/academy which secondary school/academy may be suitable to meet your child’s needs. The primary school/academy will send a copy of the Annual Review to the County

Council's Special Educational Needs (SEND) Casework Team, who will then contact the school/academy named in the report to request a place for your child.

Applications do not need to be submitted for children with an EHCP as places are automatically allocated in the school that has been named in the child's EHCP. If an application is made then this will be discarded. If you wish a different school for your child other than the one currently named in your child's EHCP you will need to contact our SEND Review Officer on 01452 324068.

Children who have additional learning needs or a disability but **do not** have an EHCP or a Statement of Special Educational Needs, will need to apply for transfer to secondary school/academy following the same admissions procedures as all other children.

If you have concerns about the process or the choice of a suitable school/academy, you may find it helpful to discuss this with your child's primary school/academy or other professionals involved with your child's education and welfare.

Frequently Asked Questions

Who has parental responsibility for a child?

Both a child's natural parents have parental responsibility if they are, or ever have been, married to each other. If parents have never married, the mother has parental responsibility automatically. Unmarried fathers acquire parental responsibility for their children in different ways, depending on when their children are born.

Parental responsibility for children born after 1st December 2003 is obtained by:

- Registering the child's birth jointly with the mother at the time of birth
- Re-registration of the birth by the natural father
- Marriage to the natural mother of their child or by obtaining a Parental Responsibility Order from the court.
- Registering a Parental Responsibility Agreement with the court or by an application to court.

What if more than one application is completed?

We can only process one application per child and the County Council cannot become involved in disputes between parents. If more than one application is received for a child, all applicants will be told that this has happened and they will be asked to reach an agreement and re-submit one application for the child.

If parents cannot agree, and a court has not been approached to decide which parent has the right to submit their preferred school/academy, we will not accept either application.

What address do I use to apply?

The address at the top of your original ‘how to apply’ letter which you will receive from us is the address that we would normally use for allocation purposes. If this is a recent update, then we may require proof of this address in order to use it, in which case we would use the previous address unless this proof is received. If this address is incorrect you **must** let us know your correct address as soon as possible, we may also require proof of this address.

The address given on the application should be the child’s **permanent** address at the time of application. The “time of application” is the entire time period from the point when applications can be made in September 2020 until the closing date on 31st October 2020.

School places are offered in accordance to the school’s admissions policy and the majority of secondary schools/academies have home to school distance as part of their policy. Therefore, you need to ensure that the address details we have for your child are correct.

A child’s home address is defined as ‘a child’s ordinary place of residence, which is deemed to be the residential property at which the child normally and habitually resides with their parent or legal guardian.

If a child’s parents live at separate addresses, the local authority will use the address of the parent who is in receipt of the child benefit or child tax credits for admissions purposes. The local authority reserves the right to request further information to clarify the child’s permanent home address.

Addresses of a business, relative, friend or child-minder will not be considered as the home address even when the child stays there for all or part of the week. We may seek proof of residence and may require evidence from courts regarding parental responsibilities in these matters. Evidence that a child’s home address is permanent may also be sought. Such evidence should demonstrate that the child lived at the address before the application was made and will continue to live there after the time of admission. Informal arrangements, even between parents, are not acceptable.

What if I am applying from overseas?

You can apply from overseas but you **must** submit your application using the address where the child is living at the time of application. The “time of application” is the entire time period from the point when applications can be made in September 2020 until the closing date on 31st October 2020.

If you are applying from your Gloucestershire address you will need to provide proof that you have permanently moved to the UK address before the closing date. Please note that if you own a property in the UK and are currently overseas the Gloucestershire address **cannot** be used for allocation purposes unless you have permanently moved back into this address before the closing date.

Children of UK Service personnel and other Crown Servants (including Diplomats)

Admission Authorities in Gloucestershire welcome applications from all families eligible for school/academy places in the County. The County and its partner Admission Authorities recognise the particular needs of Service parents and others serving the Crown, many of whom have to manage frequent moves of home both inside and outside the UK.

In the light of the guidance and requirements set out in the School Admissions Code (December 2014), Admission Authorities in Gloucestershire are keen to ensure that those managing applications for school/academy places in the County and any appeals arising from them have regard to the Code and the needs of the Mobile Service Community. Whilst we are keen to support Service personnel it may not always be possible to offer a place at your preferred school. We can, however, use the address to which the family is being posted (upon receipt of proof of posting) for allocation purposes before the family has arrived there, provided the application is accompanied by an official government letter e.g.

- Posting Orders or
- Confirmation in writing from the Unit Clerk or
- Confirmation in writing from the Commanding Officer that the parent is Service personnel

What if I am changing address?

If you will be changing your permanent home address before the closing date it is very important that you let us know and send us proof of your move as this may affect the school/academy that we are able to offer you. We will not change your address on our system unless we receive this proof. It must be received no later than 1 week after the closing date and show that the move occurred before the closing date.

If you will be changing address after the closing date then we will not be able to use this new address for allocation purposes but proof will be required to update our records for correspondence purposes and any future allocations and waiting list positions.

What is sufficient proof?

If your move involves the purchase of a property: You must have completed the purchase and moved into the new property on or before the closing date or your previous address will be used for allocation purposes. We cannot accept a letter confirming your intention to purchase. You will need to send us a copy of your solicitor's letter confirming the completion of purchase.

If your move involves the renting of a property: you will need to send us a copy of your signed tenancy agreement or written evidence from the letting agency or solicitor confirming the lease start and end date. The start date needs to be on or before the closing date or your previous address will be used for allocation purposes.

If your move involves you returning to live in a property you already own: you will need to send us written evidence of the date that you will move back into the property. If you have rented your property to someone else you will also need to send us evidence that you have given your tenants notice to leave.

We reserve the right to check that this property can be treated as your permanent address. If we are not satisfied with the evidence you have sent us we will ask for additional information, such as a copy of your child benefit letter. If we do not receive sufficient proof we will not be able to accept your application from the new address. We will write to you to confirm whether we have been able to update your child's allocation address.

Fraudulent applications - The Local Authority takes all cases of fraudulent addresses very seriously. We reserve the right to fully investigate your home address details if it is considered that you are not supplying your permanent home address (e.g. renting a vacant property) at any time during the admission process. Our investigations can include us requiring you to provide us with further information or us carrying out our own checks and searches (e.g. soft credit checks) and verification with District Councils.

Places at schools/academies will be withdrawn if it is found that the address used for the application is not the child's permanent home address. In these circumstances you would then jeopardise being allocated a school of your choice.

What do I do if I want my child to attend a school/academy outside Gloucestershire?

You have the opportunity to list up to five schools/academies on your application form and may have decided that you want to include a school/academy situated within the boundary of one of our surrounding Counties. Include any schools outside of Gloucestershire on your Common Application Form and your preferences will be passed on to the relevant Local Authority.

If you are refused a preferred school/academy outside of Gloucestershire, you must contact the authority in the area that the school/academy is situated for advice, to request a place on the waiting list and to obtain an appeal form. The completed form must be returned to the issuing authority and **not Gloucestershire**.

Making an application for a high school (Worcestershire)

If you live in Gloucestershire and your child is attending a setting within Worcestershire you can apply for your high school place online or download the Common Application Form on our website.

Please remember - your child may not be eligible for free transport to schools/academies situated outside Gloucestershire.

Once we receive your application we will forward the preference details on to the appropriate authority where it will be considered alongside the other applications for the school/academy.

We will notify you of which school/academy your child has been allocated regardless of which County the school/academy is situated in.

Making an application for a University Technical College (UTC)

Studying at a UTC gives your child the opportunity to gain skills, experience and knowledge that are needed by employers. It combines traditional GCSE's and A Levels with a specialist technical qualification to ensure that your child will be qualified to work in sectors that are growing and looking for skilled staff.

You can join a UTC in Year 10 & Year 12.

Gloucestershire currently has one UTC based in Berkeley which has specialisms in Digital Technologies, Cyber Security & Advanced Manufacturing and has strong partnership arrangements with employers.

For further information on either the Gloucestershire UTC or UTCs in other counties, details of their admissions criteria and how to apply please visit their website.

I live outside Gloucestershire. How do I apply for a place at a Gloucestershire school/academy?

If you do not live in Gloucestershire you may still express a preference for a school/academy place within the County.

You should apply using your own Local Authority's application form and return the completed form to them by the closing date. Your Local Authority will then forward the preference details to us and it will be considered alongside the other applications for the school/academy. This process will apply whether you only put one preferred school/academy on your application which is in Gloucestershire, or if you put a mix of schools/academies in your own County and in Gloucestershire as your preferences. Your home Local Authority will notify you of which school/academy your child has been allocated.

If you are unsuccessful in gaining a place at a school/academy in Gloucestershire you should contact us for advice and to request a place on the waiting list.

Please note that Gloucestershire County Council will not be able to provide transport to the school/academy if your child does not live within the County. Your home Local Authority will have their own arrangements, and you should contact them for further advice.

What if I want to send my child to an independent school/academy?

If you would like your child to attend an independent school/academy, this is entirely a matter for you and you must make your own arrangements. The Local Authority cannot pay for, or contribute to, the fees or costs for children attending an independent school/academy.

You must contact us school.admissions@gloucestershire.gov.uk to let us know your child will be attending an independent school/academy and will not require a place at a Local Authority school/academy. As long as we receive this confirmation from you, your child will not be offered a place at a state school/academy through the admissions process. It is important for the education of all children in Gloucestershire that state school/academy places are not held by children who do not intend to take up a state place.

What if I want to Home Educate my child?

A small number of parents will want to teach their own children. Under Section 7 of the Education Act 1996 you are legally entitled to educate your child at home. If you decide to do so, you become solely responsible for ensuring that your child receives ‘full-time education suitable to their age, ability and aptitude and to any special educational needs they may have’.

The Local Authority will have to be satisfied that your arrangements are satisfactory, but we are not responsible for helping you plan the programme. This means that you accept responsibility for content, planning, teaching and cost.

For further details about Home Education please go to <http://www.gloucestershire.gov.uk/ehe> or contact the Gloucestershire Elective Home Education Service by email: ehe@gloucestershire.gov.uk or telephone: 01452 426015

JARGON MADE SIMPLE

Additional/Supplementary Form

A number of selective schools/academies, including faith schools, use supplementary information forms to gather additional information in support of an application, particularly in relation to faith. These forms are in addition to the Common Application Form provided by us, which **must** be completed. The additional information that you provide on these forms will be considered by the governing body in its role as the Admissions Authority for the school.

Admission Criteria -

Rules used to decide the order in which children are offered places at schools/academies.

Admission Number -

The number of new pupils that the Admissions Authority can admit to each school/academy.

Catchment Area -

The specific parishes or area served by each school/academy.

Co-educational school/academy -

A school/academy which admits both girls and boys.

Common Application Form -

The online or paper form you must fill in to tell us which school/academy you would prefer your child to attend.

Comprehensive School/Academy -

A school/academy that teaches children across the full range of academic ability.

Distance measurement (Admissions) -

Distance will be measured in a straight line from the Ordnance Survey point of the child's home to an Ordnance Survey point of the school/academy using the Local Authority's computerised measuring system, with those living closer to the school/academy receiving the higher priority.

Distance measurement and Shortest Available Pedestrian Route (Transport) -

Distances are measured from the child's home entrance to the nearest school/academy gate along the shortest pedestrian route (which would include walking along maintained walkways that are able to be used in any weather). Once the nearest school/academy has been established we assess the 'statutory walking distance'. The measurement of the statutory walking distance is not necessarily the shortest distance by road. It is measured by the shortest route along which a child, accompanied as necessary, may walk with reasonable safety.

Foundation school/academy -

The school's/academy's governing body is responsible for running and managing the school/academy and decides the policy for admitting pupils.

Free Schools -

Free Schools are all-ability state-funded schools set up in response to what local people say they want and need in order to improve education for children in their community. It is funded by tax-payers, free to attend and not controlled by the Local Authority. They are academically non-selective, following Admissions law as it applies to Maintained schools. Free schools are governed by non-profit charitable trusts that sign funding agreements with The Secretary of State, they are subject to the School Admissions Code of Practice and they are still subject to Ofsted inspections.

Grammar or Selective school/academy -

A school/academy that selects students according to academic ability. Children must pass a test to be considered for a place. Each schools/academies governing body decides the overall admissions policy.

Looked After Children (Children in Care) -

A 'Looked After Child' (1) or a child who was previously looked after but immediately after being looked after became subject to an adoption (2), Child Arrangements Order (Residency Order) (3) or Special Guardianship Order (4) .

(1) A 'Looked After Child' is a child who is (a) in the care of a Local Authority or (b) being provided with accommodation by a Local Authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the

time of making an application to a school. In Gloucestershire, such children are referred to as Children in Care.

- (2) This includes children who were adopted under the Adoption Act 1976 (see Adoption Act, Section 12, Adoption Orders) and children who were adopted under the Adoption and Children's Act 2002 (see Adoption and Children's Act, Section 46, Adoption Orders).*
- (3) Under the provisions of Section 12 of the Children and Families Act 2014, which amends Section 8 of the Children Act 1989, Residence Orders have now been replaced by Child Arrangements Orders.*
- (4) See Section 14A of the Children Act 1989 which defines a 'Special Guardianship Order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).*

Over-subscribed school/academy -

When the number of pupils applying for a place at a particular school/academy is greater than the number of pupil places available.

Parents/family members -

A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church' it is sufficient for just one parent to attend. Only parents and siblings are classed as 'Family members'.

Sibling -

Sibling refers to a brother or sister, half brother or sister, adopted brother or sister, step brother or sister or the child of the parent/carer's partner as well as children brought together as a family by a same sex civil partnership. In every case, the child must be living full-time in the same family unit at the same address, at the time of application.

Specialist school/academy -

A school/academy recognised by the Department for Education as having a particular strength in at least one curriculum area.

Specific Medical Condition -

A diagnosed medical condition that means a child has needs that can be met only at **one**, specific school/ academy.

Standardised Tests -

The grammar tests are designed to test a child's natural attainment level at age 11. At the time of taking the test, some children may already be 11 and some children may only just be 10. Therefore, the test scores are standardised to ensure that all children's scores are assessed fairly.

Trust Schools -

Trust Schools are state-funded Foundation schools that receive extra support (usually non-monetary) from a charitable trust made up of partners working together for the benefit of the school. Trust schools remain Local Authority-maintained. Any maintained school can become a Trust school.

Voluntary Aided school/academy -

A school/academy that is run by the schools/academies governors, often in partnership with the Church of England or the Catholic Church. The governors are responsible for each schools/academies Admissions Policy.

Voluntary Controlled School -

A school where the Local Authority is responsible for admissions and setting the criteria.

USEFUL CONTACTS

Co-ordinated Admissions (Gloucestershire County Council)

Responsible for managing the statutory processes for admitting children to the normal years of entry to Primary (Reception), Junior (Year 3) and Secondary schools (Year 7) and including Out of County Lower to Middle and Middle to High School transfers.

Email: school.admissions@gloucestershire.gov.uk

Telephone: 01452 425407

Travel Assistance and Free School Meals Team (Gloucestershire County Council)

Responsible for giving advice and guidance on your child's eligibility to access school transport and free school meals.

Email: transportmainstream@gloucestershire.gov.uk

freeschoolmeals@gloucestershire.gov.uk

Telephone: 01452 425390

Democratic Services (Gloucestershire County Council)

For advice on appealing for a place at your choice of school/academy.

If you are appealing for a Community School/Voluntary Controlled school, the Democratic Services department will co-ordinate your appeal hearing. They will inform you of the date, time and location of your appeal and the names of the panel members and clerk.

Email: democratic.services@gloucestershire.gov.uk

Telephone: 01452 324204

Department of Education

Provides the rules for admissions and appeals that all Local Authorities have to follow.

Website: www.gov.uk/government/organisations/department-for-education

Telephone: 0370 000 2288

Integrated Transport Unit (ITU) (Gloucestershire County Council)

Responsible for the Council's passenger transport services, including the operation and procurement of mainstream home to school/academy transport services.

The ITU is able to respond to customer enquiries regarding local bus services for students who are not entitled to free transport and are happy to receive enquiries from you regarding public transport solutions for the journeys to and from school/academy.

Email: mainstream@gloucestershire.gov.uk

Telephone: 01452 425387

Ofsted (Office for Standards in Education)

The official government body for inspecting schools/academies.

You can access copies of the reports on your local school/academies from their website or from your local library

Website: www.reports.ofsted.gov.uk

Ombudsman

Department who look into complaints about injustice of the administration of school/academy allocation.

The Ombudsman will consider complaints where a parent feels that a school/academy place was refused because of some unfairness or mistake by the Local Authority in their role of co-ordinating admissions in Gloucestershire and/or a school/academy admissions appeal that was handled incorrectly.

Website: www.gov.uk/schools-admissions/appealing-a-schools-decision

Telephone: 0845 602 1983

Schools Adjudicator

Reviews admission criteria for schools/academies and investigates any concerns that parents may have about this.

Website: www.gov.uk/government/organisations/office-of-the-schools-adjudicator
