Welcome and Meeting Overview

Attendance Network Meeting - 10/11/2026

Summary prepared from the presentation and meeting transcript. This is an accessible takeaway rather than a verbatim record.

Purpose

The meeting brought schools together for updates on Education Inclusion Services, attendance data, early intervention, legal intervention and forthcoming system changes.

Agenda

The programme covered directorate and inclusion updates, Power BI, breakout discussions, the Early Intervention and Community Team, legal intervention, the system transition and next steps.

Shaping future meetings

Schools considered locality-based meetings bringing primary and secondary schools together, the inclusion of special and independent schools, useful partner contributions and the preferred balance of updates, data, training, case studies, networking and questions.

Next steps

Groups shared key points in the meeting chat and attendees were invited to complete the evaluation form so future meetings could be shaped by schools.
