Track and Trace: Using a Public Computer in a Gloucestershire Library

From 6th November onwards, when booking to use a public computer you are also agreeing to the use of your contact details for the purposes of Track and Trace. These personal details are stored securely in line with the Gloucestershire Libraries ['Privacy Statement'](#).

You must book in advance either online or by phone as we will use your details for Track & trace

When logging onto the Computer session in a Gloucestershire Library, in order for your session to start you have to agree to the usage statement which includes agreeing to your details being used for the purposes of Track and Trace.
