Statement of Reasons

Proposed Waiting Restrictions
Various Roads, Bibury

Proposal
Proposed waiting and loading restrictions in the village of Bibury.

Reasons
Bibury is a thriving visitor attraction, particularly throughout the summer months, attracting walkers and visitors to the various attractions in the village. The intention is to introduce limited waiting parking to attract a higher turnover of visitors. Currently visitors can park all day which disadvantages others from visiting throughout the day. Limited waiting of 2 hours is proposed between 8am and 6pm with no return within 4 hours in the large car park opposite Bibury Trout Farm, along The Street (B4425) in existing parking bays and on Church Road near to residential properties. To prevent visitors parking all day in other locations less suitable it is also proposed that No loading at Any Time is introduced along The Street (B4425) and No waiting at any time on parts of Church Road and Cemetery Lane. It is also the intention to introduce No waiting at any time along a length of the Salt Way (the road to Coln) as visitors parking at this location are making access difficult and damaging grass verges.
