Our Ref: 11294359 (807197)

January 14, 2021

Dear Sir/Madam

What: Temporary Traffic Order to **close the road** for carriageway patching.

Where: **Colliers Pitch, Aylburton** - see overleaf for details of road closure.

When: For approximately **3 days** between the hours **07:00 to 17:00**.

Monday 25th January to Wednesday 27th January

On behalf of Gloucestershire County Council, we will shortly be patching sections of carriageway at the above location to repair localised faults and improve the condition of the road. Due to unfavourable weather in December the scheme was pulled at short notice and we apologise for any inconvenience caused.

Our patching programme is dependent on several factors. It can be affected by things like; heavy rain, changes in temperatures and other weather events as well as plant breakdown and unforeseen technical issues that arise once work has begun.

You can also find the **most up to date patching scheme start and end dates** on our:

- Website - www.gloucestershire.gov.uk/highways/roads/county-resurfacing-works/patching/
- Signs in the area

ROAD CLOSURE

We will be patching the road at the above location as part of our promise to invest £150 million in the county's roads. To ensure the safety of you and our work force we have, under Sections 14, 15 & 16 of the Road Traffic Act 1984 as amended, made a Temporary Traffic Order to **close the road**.

We will be patching in multiple locations along the stretch of road marked in red on the map overleaf.

We appreciate road closures are inconvenient, but in order to keep you and the team working on the road safe it is necessary. We have planned the work so we can be in and out as quickly as possible.

ACCESS

In accordance with the Temporary Traffic Order, we are not permitted to allow any person or vehicle to proceed along the closed roads; with the exception of pedestrian access to properties, emergency vehicles, and statutory undertakers responding to an emergency situation.

Therefore, if you normally drive into or out of this area during the hours when the road closure is in place, we ask you to please make alternative arrangements.

LOCAL ACCESS

In exceptional circumstances, some level of access may be considered. This will be on a case by case basis

and only where and when it is safe and practical to do so and provided the traffic management personnel are approached calmly and courteously with a reasonable request; however access cannot be guaranteed or demanded at any time. Any access during this time would be at the drivers own risk as it is a works site and may have raised iron works or a temporary surface. **If you speak to our operatives on site we kindly ask that you follow the current social distancing guidelines.**

DIVERSION

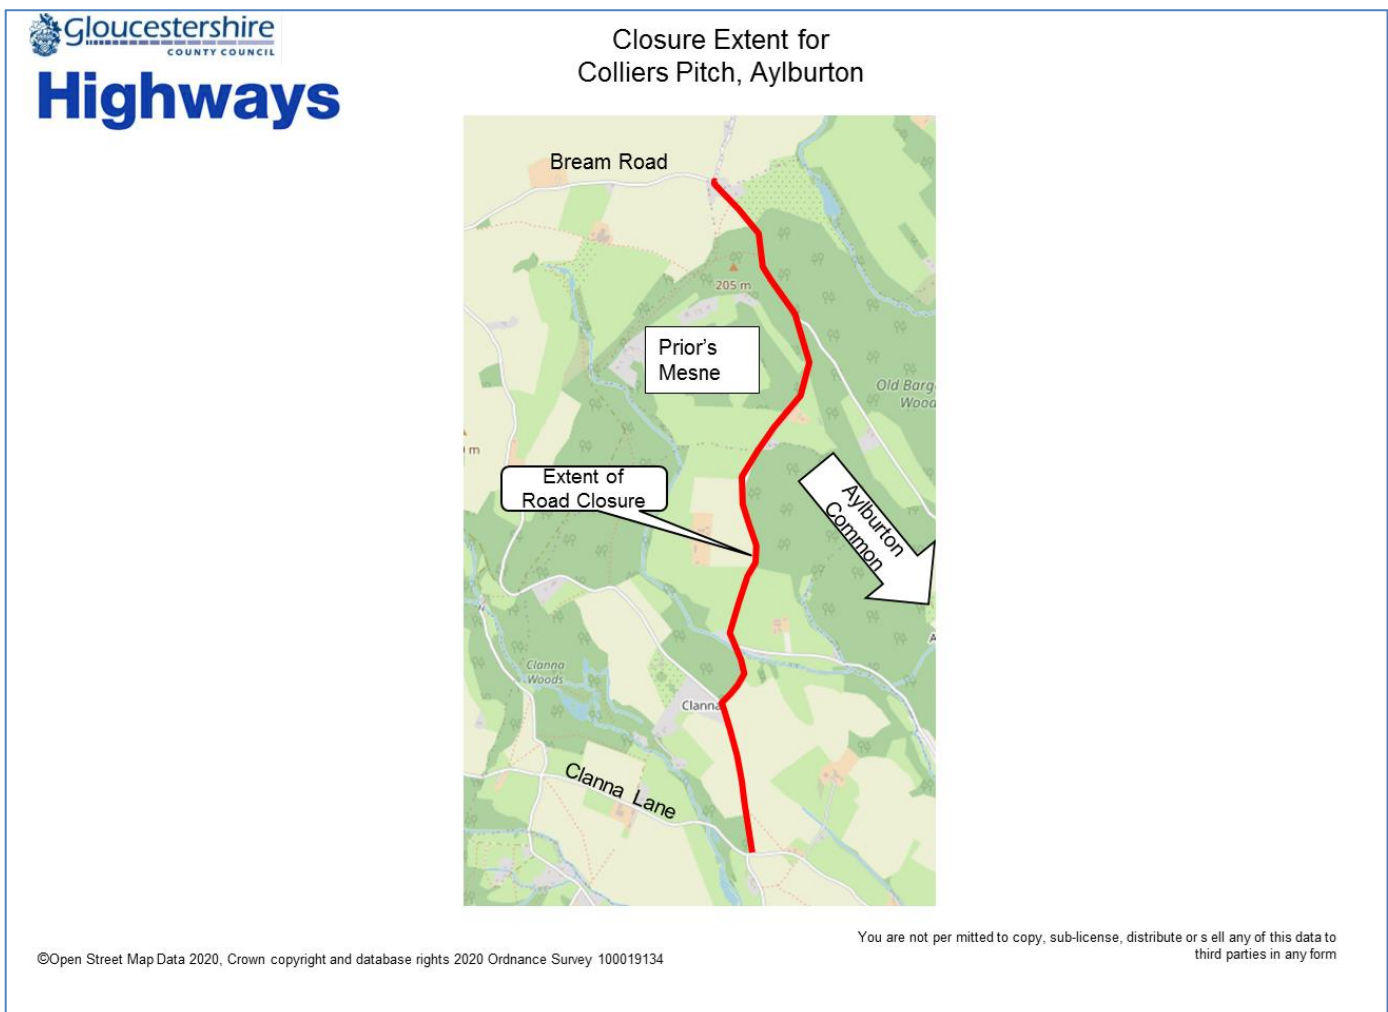

We have created an official diversion route which will be signposted and is suitable for all vehicles that would normally use the closed road. We appreciate you may know an alternative route, however please be aware alternative routes which are outside of the road closure area are used at driver's discretion.

This work is in advance of a surface dressing treatment being applied to the full site in summer 2021.

Contact Us

Thank you in advance for your patience and co-operation. If you have any queries please email us at highways@gloucestershire.gov.uk.

Below is a map showing the extents of the road closure.

Kind regards,

Alex McGregor,
Contract Manager For and on behalf of Ringway
