

Covid Testing

 I  might  need  to  have  a  Covid  test  at  school.

 An  adult  will  tell  me  what  to  do. The  test  will  need

 me  to  use  a  small  swab  to  rub  inside  my  nose. It  might  feel

 a  bit  uncomfortable  but  it  will  be  ok.

Here is a link to a video of  school  covid  tests [Rapid C-19](#)
