

# Build Back Better Councillor Scheme

---

The Build Back Better - Councillor Scheme is a grant fund open to community groups across Gloucestershire. Over £2.2 million is available to be spent on projects to support the county's recovery from the Covid-19 pandemic and to build back better and stronger.

Each County Councillor has £40,000 to spend in their community over the next four years.

The scheme is open to a wide range of groups and projects including in areas such as:

- nature and the environment
- physical and mental wellbeing
- digital inclusion
- building connections and improving neighbourhoods.

The scheme is not limited to these themes though, and all applications supported by the local Councillor will be funded.

We will accept applications from community and voluntary organisations, charities, community interest companies, town and parish councils, sports groups and other not for profit groups.

This is a rolling grants fund which will run from 30<sup>th</sup> July 2021 until January 2025. All applications must be supported by a local County Councillor.

More information on the fund can be found at:
