## -APOLLOV2 APOLLO AIR COMFORT V2

- APOLLOV2 - Auth Level:F

### PRODUCT INFORMATION

Select client to add 'Unsuitable' notes.

### APOLLO AIR COMFORT V2

You must start an order to proceed.

Posturally supportive armchair and day bed that can be configured to meet the needs of the client with flip down wings to assist with bed baths  
This chair should only be issued following an assessment with a representative from Premiere Healthcare and following the Specialist Seating Pathway

#### PLEASE SEE BELOW PROCESS FOR SOURCING THIS CHAIR

1. Complete assessment process with premier and identify a suitable chair
2. Premier currently indicate if there is a chair in GIS stock that meets the patients' needs or if a new chair is required
3. Obtain a quote either for a new chair or one in GIS stock that's in need of refurbishment
4. On CEquip in SPECIALS Seating order the type of chair (no need to be specific about sizes) this generates a £70 charge which is the standard refurb/ delivery charge for Premiere irrespective of whether it is a new or refurbished chair
5. On CEquip select the SEATPARTS code and using the info button (fitting instructions box) add the quote number and cost – it doesn't matter if it is a new or a refurbished chair. This will enable GIS to generate a purchase order to cover the costs. Premiere and GIS will liaise regarding the barcode being allocated to the client
6. Send quote to [natasha@gis.healthcare](mailto:natasha@gis.healthcare) and [GISHealthcareCustomerServ@gloucestershire.gov.uk](mailto:GISHealthcareCustomerServ@gloucestershire.gov.uk)
7. Add the quote to the patient record – the quote number should be enough for GIS to order

#### Technical Specification

See manufacturers website for further information

#### Fitting Instructions

Adjustments to the chair need to be carried out by a skilled health professional with the clinical knowledge to fit correctly for the user

It is important that the chair is fitted to suit the new user
