

# ADMISSIONS POLICY FOR ADMISSIONS FROM 1 SEPTEMBER 2021

## PROCEDURES

### Primary to Secondary Transfer

Stroud High School is a selective girls' grammar school with a co-educational Sixth Form provision. The Governing Board is the admissions authority. The Published Admissions Number (PAN) for the school is 150.

Students who will normally be 12 years of age during the academic year Year 7; 1 September to 31 August will be eligible for testing for entry. Full details of the selection process and the entrance test are available on the school website [www.stroudhigh.gloucs.sch.uk](http://www.stroudhigh.gloucs.sch.uk) or from the School Admissions Office on +44(0)1453 764441. Parents/Carers who wish their daughters to be considered for entry must register by the published closing date [i].

### Eligibility

Only students who are deemed to be of selective ability as a result of the testing process will be eligible for entry. The required standard is not a pre-defined pass mark, but reflects a child's position in the rank order of standardised scores in the entrance test. Confirmation will be sent to Parents/Carers after the test indicating whether or not the required standard has been attained. However, achievement of the required standard does not constitute an offer of place. Allocation of places will be advised by the Local Authority on National Offer Day (normally 1 March).

In order to be considered for a place at Stroud High School, Parents/Carers must complete the Local Authority Common Application Form (CAF) which should be submitted to the Local Authority by the published closing date. Full details of this process are available at [www.gloucestershire.gov.uk](http://www.gloucestershire.gov.uk) or telephone: +44(0)1452 425000.

### Offer of Places

Places at Stroud High School will be offered by the Local Authority, on National Offer Day according to the following order:

1. Any child in Public Care or was previously in Public Care [ii] [iii] including those who appear to the admissions authority to have been in Public Care outside of England and ceased to be in Public Care as a result of being adopted [iv] who achieves the required standard.
2. Students from families eligible for Pupil Premium [v] or Service Pupil Premium [vi] at the time of the test who achieve the required standard (documentary evidence will be required to demonstrate that the Parent/Carer is eligible to receive Pupil Premium or Service Pupil Premium). The school reserves the right to disqualify a student where an application has been made which contains incorrect, fraudulent or misleading information, or to refuse to admit the student if an offer has been made on that basis.
3. Rank order from the entrance test [vii]. Where there are a number of students with an equal qualifying result the criterion below will be used to determine those who shall be offered places. In the event of one or more applicants having the same score and residing an equal distance from SHS lots will be drawn to determine the order of applicants. The process will be supervised by someone independent of SHS.

Geographical proximity to the school measured in a straight line from the centre of the student's main residence [viii], including flats to the main reception of the school using <https://www.gloucestershire.gov.uk/education-and-learning/find-a-school/>

### Appeals against Non-Admission

There is a system of appeals against non-admission, and details of how to lodge a request for an appeal will be issued when places are offered. It is the School's policy to accept only one appeal application for each student in an academic year unless there is a significant change of circumstances relevant to the application.

### Out of County Applications

Applications will be accepted for students who live outside Gloucestershire.

### Out of Cohort Applications

### Under-age Students

Parents/Carers who wish their daughters to be considered for entry must register by the published closing date and the following must apply if a student is underage:

1. The student must be no more than one year younger than the correct chronological cohort (who will normally be 12 years of age during the academic year Year 7; 1 September to 31 August).
2. There is a letter in support of the application from the Primary School; and,
3. Their test result must be in the top 50% of rankings for eligible students for the underage student to be successful.

If the student has a qualifying ranking that is not in the top 50% of eligible students, the student's ranking, upon request, may be carried forward a year to be considered for entry by the Stroud High School Leadership Team Panel and the student will not be required or permitted to sit a further test for Year 7 entry.

Applications from under-age students will be considered by the Primary School, Secondary School, and Parents/Carers. If any party disagrees the application will be referred to the Stroud High School committee responsible for Admissions.

### Over-age Students

Please note that in normal circumstances Stroud High School does not accept students into a year group for which they are over-age.

If any party disagrees the application will be referred to the Stroud High School Committee responsible for Admissions

The Stroud High School committee responsible for Admissions will require evidence in exceptional cases as to why the student is out of cohort.

## 2<sup>nd</sup> Applications

If a student is unsuccessful in obtaining a place for Year 7 they will be permitted to sit a test once more for entry into a different academic year, See Entrance Post Primary Transfer.

## Fair Access Protocols

Stroud High School has signed up to the In-Year Fair Access Protocols held by Gloucestershire County Council. Should a suitably qualified vulnerable student [ix] within these Protocols require a place at the school, they will take precedence over any student on the waiting list.

Stroud High School is committed to equal opportunity and follows the Equality Act 2010 [x] and adheres to the requirements of the School Admissions Code 2021 [xi].

## Waiting List

In the event that the student reaches the required standard but there are no places available in the relevant year group, she will be placed on a waiting list. The order of this list will conform to the following criteria:

1. Any child in Public Care or was previously in Public Care [ii] [iii] including those who appear to the admissions authority to have been in Public Care outside of England and ceased to be in Public Care as a result of being adopted [iv] who achieves the required standard.
2. Students from families eligible for Pupil Premium [v] or Service Pupil Premium [vi] at the time of the test who achieve the required standard (documentary evidence will be required to demonstrate that the Parent/Carer is eligible to receive Pupil Premium or Service Pupil Premium). The school reserves the right to disqualify a student where an application has been made which contains incorrect, fraudulent or misleading information, or to refuse to admit the student if an offer has been made on that basis.
3. Rank order from the entrance test [vii]. Where there are a number of students with an equal qualifying result the criterion below will be used to determine those who shall be offered places. In the event of one or more applicants having the same score and residing an equal distance from SHS lots will be drawn to determine the order of applicants. The process will be supervised by someone independent of SHS.

Geographical proximity to the school measured in a straight line from the centre of the student's main residence [viii], including flats to the main reception of the school using <https://www.gloucestershire.gov.uk/education-and-learning/find-a-school/>

A waiting list will be maintained in line with the published over-subscription criteria. Applicants on the waiting list will be used to fill spaces.

Applicants may remain on the waiting list until the end of year 7. At the end of Year 7 the waiting list will be disbanded. Any students wishing to remain in the system for a place at the school will need to make a second application – see paragraph Applications Post Primary Transfer below.

## Entrance Post Primary Transfer

Any applications for school places made outside the normal year of entry to school must be made to the school. Students will follow the relevant In-Year test procedures details of which are available from the school. Applicants will be offered the opportunity to sit these tests at a time and date set by the school. Applications for Year 10 or Year 11 after the start of the academic year will only be considered under exceptional circumstances.

The Admissions Committee may offer a qualifying In-Year student a place to be admitted over the Published Admission Number (PAN) taking into consideration the capacity of the school and the year group.

Priority will be given firstly to any student who is a Child in Public Care [ii] [iii] including any student who appears to have been in Public Care or was previously in Public Care in a place outside of England [iv] and then a student from a family entitled to Pupil Premium [v] or Service Pupil Premium [vi] who achieves the required standard.

If a student is unsuccessful in obtaining a place a further application may be made in a subsequent academic year, however she will be only permitted to sit a test once more for a different academic year.

**The school may hold an Indicated Interest Register of those who wish to take an entrance test and make arrangements for testing for when space(s) become available.**

There is a system of appeals against non-admission, and details of how to lodge a request for appeal will be received with the notification of the test result. It is the School's policy to accept only one appeal application for each student in an academic year unless there is a significant change of circumstances relevant to the application.

If a parent considers the appeal was not carried out in compliance with the DfE School Admissions Code and School Appeals Code, an objection can be made to the Education Funding Agency (EFA). Details can be found on the Gov.uk website under School Admission Appeals.

All admissions authorities must determine their admission arrangements by 28 February every year. If parents think that the admission arrangements do not comply with the School Admissions Code or other legislation relating to school admissions they may contact the Office of the Schools Adjudicator by 15 May in that same year.

### **Fair Access Protocols**

Stroud High School has signed up to the In-Year Fair Access Protocols held by Gloucestershire County Council. Should a vulnerable student [ix] within these protocols, who meets the academic entry requirements, require a place at the school, they will take precedence over any student on the waiting list.

Stroud High School is committed to equal opportunity and follows the Equality Act 2010 [x] and adhered to the requirements of the School Admissions Code 2021 [xi].

2. Students from families eligible for Pupil Premium [v] or Service Pupil Premium [vi] at the time of the test who achieve the required standard (documentary evidence will be required to demonstrate that the Parent/Carer is eligible to receive Pupil Premium or Service Pupil Premium). The school reserves the right to disqualify a student where an application has been made which contains incorrect, fraudulent or misleading information, or to refuse to admit the student if an offer has been made on that basis.

A waiting list will be maintained in line with the published over-subscription criteria. Applicants to Year 7 may remain on the waiting list until the end of Year 7. Applicants in Year 8 or Year 9 may remain on the list until the end of Year 9. Applicants on the waiting list will be used to fill spaces.

Students of Stroud High School who have left but then wish to return will be treated as new applicants.

## **Admissions to Stroud High School Sixth Form**

1. **Year 12 admissions - Please note that Stroud High School admits boys and girls into the Sixth Form.** Applications for Year 12 should be completed by the published deadline on the application form. Please refer to the following website [www.stroudhighsixthform.co.uk](http://www.stroudhighsixthform.co.uk) or the school's website [www.stroudhigh.gloucs.sch.uk](http://www.stroudhigh.gloucs.sch.uk) and a copy of the application form. In April applicants will receive notification as to whether a conditional place has been allocated. Conditional places will be confirmed after the GCSE results day normally in August each year. New students must submit their GCSE results **within one week** of GCSE results day. Please contact the Sixth Form using the contact details as set out in the school website [www.stroudhigh.gloucs.sch.uk](http://www.stroudhigh.gloucs.sch.uk).

## 2. Capacity

The PAN for the Year 12 cohort of Stroud High School is 180. The Sixth Form Leadership Team Panel may admit above this figure in exceptional circumstances and where it believes no prejudice will ensue. All Year 11 Stroud High School students who meet the published academic entry requirements can expect to be allocated a place in the Sixth Form, as well as a **minimum** planned admission number of 30 new students [vii].

## 3. Academic entry requirements

Students will need to meet all of the following requirements for entry into Stroud High School Sixth Form:

- Students should achieve a minimum of 48 points taken from the sum of their best 8 full course GCSEs (For example a grade 8 is equivalent to 8 points). Core and Additional Science count as separate subjects. Short course GCSEs do not count towards the full course GCSE requirements.
- Students can apply for a Creative Scholarship. This is where they will choose to study 2 or more subjects from the following A-Levels. Product Design, Art Textiles, Fine Art, Graphic Design and Photography. Students who apply through this pathway will not need to meet the 48 point threshold but they will be required to meet the subject entry requirements for all of their courses. Creative Scholarships are confirmed by the Admissions Review Group.
- All Students are expected to have a minimum of Grade 5 in both English Language and Mathematics, but students with a grade 4 will be considered if they have met the 48 point threshold or the requirements of the creative scholarship.
- Students should meet individual subject requirements as described on the Sixth Form website in their chosen subject areas if previously taken at GCSE level, or a relevant subject as specified on the Sixth Form website [www.stroudhighsixthform.co.uk](http://www.stroudhighsixthform.co.uk). Details of these requirements are available from the school.

Students will normally choose no more than 2 new subjects to study in Year 12. Students with insufficient formal GCSE qualifications but with demonstrable equivalent qualifications will be considered by Stroud High School, being guided by points equivalence and evidence of prior learning.

### Admissions Review Group

Internal and new students who have missed the entry criteria may request consideration for a place by the Admissions Review Group who may accept or reject applications. This may include those students who narrowly missed the sixth form or subject entry criteria. Students who have missed the published admission criteria yet meet the standard for entry in their subject areas can have their case reconsidered. The Admission Review Group will also consider the case for all applicants who have previously been in receipt of Pupil Premium or Service Pupil Premium but have not met the published admission criteria. The Admission Review Group will consist of the Headteacher, the Head of Sixth Form and two representatives from the Governors' Communications and Admissions Committee.

## 4. Students continuing from Year 11 in Stroud High School

Priority for admission to Year 12 will be given to students progressing into the Sixth Form from Year 11 of the school (see oversubscription criteria below).

## 5. Students joining the school for the first time

We welcome applications from new students. Following submission of an application form, applicants will be invited to an advisory discussion with a member of the Stroud High School Sixth Form Team. Conditional places will be offered on the basis of the predicted GCSE grades supplied by the applicant's school and students should contact the school and submit their GCSE results within one week of GCSE results day, to confirm their place. Please contact either [jmerrett@stroudhigh.gloucs.sch.uk](mailto:jmerrett@stroudhigh.gloucs.sch.uk) or +44(0)1453 847114.

## 6. Oversubscription criteria

If more students meet the required standard than can be offered places, the following additional criteria in this order will be applied:

1. Any child in Public Care or was previously in Public Care **[ii]** **[iii]** including those who appear to the admissions authority to have been in Public Care outside of England and ceased to be in Public Care as a result of being adopted **[iv]** who achieves the required standard.
2. A student from a family that was previously eligible to receive Pupil Premium **[v]** or Service Pupil Premium **[vi]** during Year 11. 3. Students from Stroud High School
4. Students with the highest average GCSE points score (9-5) in the student's best eight full course separate subjects where the student has received numbered grades.

In the event of a tie break between two or more students when applying the above criteria, a process of random allocation will be followed by the Governing Board, which will be supervised by someone independent of the school.

## 7. Waiting List

In the event that the student reaches the required academic standard but there are no places available in Year 12, the student will be placed on a Waiting List. The order of this list will conform to the oversubscription criteria as listed above (section 6). If the number of students falls below the maximum Year 12 cohort number those on the waiting list will be offered places, in accordance with the oversubscription criteria. The waiting list for Year 12 will be held until 31<sup>st</sup> October.

Should a vulnerable student **[ix]** within these protocols, who meets the academic entry requirements, require a place at the school, they will take precedence over any student on the waiting list.

Stroud High School is committed to equal opportunity and follows the Equality Act 2010 **[x]** and adhered to the requirements of the School Admissions Code 2021 **[xi]**.

## **9. Appeals**

There is a system of appeals against non-admission, and details of how to appeal are available from the school. It is the school's policy to accept only one appeal application for each student in an academic year unless there is a significant change of circumstances.

## Footnotes

For the avoidance of doubt where a place is offered on the basis of a fraudulent or misleading application the school may withdraw that offer.
