

Land off Aston Road, Chipping Campden

Outline plans for new access road and car/coach park for school, replacement surgery and new housing

Public Consultation – 18 November – 10 December 2021

Privacy Statement

Your responses are being collected to form part of a Statement of Community Involvement. The information you provide will be treated as confidential and in accordance with UK Data Protection legislation. Gloucestershire County Council is the data controller for all information collected from this comments form. Your responses will be retained until a planning application is made, at which point they will be destroyed. Your responses will be shared with Evans Jones Ltd who will compile the report on our behalf. If any of your comments collected as part of the survey are included in the Statement of Community Involvement, they will be aggregated and anonymised.

Please note that if you choose to e-mail your response to us we will save your comments/response to this consultation only, and erase your e-mail (including your e-mail address) within 24hours. E-mail addresses will not form part of the Statement of Community Involvement and will not be shared with any third party.
