Dear [Redacted]

Thank you for your email below.

Severn Trent Water (STW) have a 4 inch CI abandoned Water Pipe in the area of the proposed footpath close to point C on your plan. This Water Main then runs in a North West direction into the wooded area. I do not anticipate any adverse effect on this asset by the proposals.

To request a water map please follow the link, <https://www.stwater.co.uk/building-and-developing/estimators-and-maps/request-a-water-sewer-map/> scroll down the page to view the link:

Please visit www.digdat.co.uk(opens in a new window).

You will need to register on the website and then be able to search for your chosen location and get an instant quote online. For more information you can [view Digdat's user guide](#)(opens in a new window).

Please look at the [district area supply plan \(PDF\)](#)(opens in a new window) to check that your site is within the Severn Trent boundary before requesting an underground asset map.

Kind Regards

Further to your enquiry, I have copied in my colleague [Redacted] who will respond back to you in due course with regards to the water main shown as abandoned ? that is affected by the proposed works.

There are no sewers affected.

Kind Regards
