Dear Owner/Occupier,

Parking Restrictions on Event Days at Cheltenham Racecourse (Zone R)

We are writing to remind you the parking restrictions on Major Event Days at Cheltenham Racecourse. This letter sets out the dates they will come in to force, what they mean for you as a local resident and as a reminder to apply for your free Zone R permit.

Each residential property within the Cheltenham Racecourse Permit Parking Zone R is eligible for a maximum of two resident permits to park on-street during a major event. Residents who have previously registered for a Racecourse permit do not need to reapply for future race meetings. However, please amend your account if you have changed your vehicle.

As you may be aware, there are a set of parking restrictions that come in to force in your area during major events at Cheltenham Racecourse. More details including a plan showing the restrictions and the permit terms and conditions are available on our website: <https://www.gloucestershire.gov.uk/highways/parking/parking-permits-and-zone-maps/>

These restrictions will include permit parking restrictions, where signed, during The 2022 Festival event between *Tuesday 15th – Friday 18th March 2022*, inclusive.

What will happen during The 2022 Festival event?

- Parking will be prevented on key traffic routes. Parking in all other roads in your area will be restricted to Permit Holders Only
- Temporary signs will be placed on your streets
- Every vehicle parked on-street will require a 'virtual' permit. Every property is eligible for a maximum of two permits – free of charge
- Special permits are available for carers

How do I register for a permit?

- You will need your council tax reference, property address details and your vehicle registration number
- Visit www.secure.mipermit.com/gloucestershire or alternatively telephone 0333 123 5900
- Select 'Racecourse' permit, and fill in the form to complete your registration and upload a scan or photo of your evidence, i.e. council tax bill.

Please be aware that if you contravene the restrictions in place you may receive a Penalty Charge Notice (PCN).

For additional information regarding local road closures and racecourse related parking please visit the Cheltenham Racecourse website;
