Data protection. Gloucestershire County Council has a commitment to protecting personal information and treating this in accordance with the Data Protection Act. Feedback we receive will be used by Gloucestershire County Council and Cheltenham Borough Council to decide what action should be taken concerning these proposals. Please note that if you include personal or identifiable details in the comments boxes, we cannot guarantee that these details will not be included in any future reports. Therefore we strongly advise that you read through your comments to ensure that there is no personal information included. By supplying personal information you are agreeing that we may hold this information.

Background information.

Answering these questions is optional. We ask them to check the levels of response across the whole community. The answers below also help us determine how our proposals might affect you.
