

Tewkesbury Community Connector

24th May 2013

Community transport service for **Tewkesbury Borough**

Operated by Third Sector Services in partnership with Gloucestershire County Council

Introduction to the Tewkesbury Community Connector

Tewkesbury Community Connector is a community transport service provided on a not-for-profit basis which will serve the villages shown on the map opposite.

How will it work?

To use Tewkesbury Community Connector, you need to book in advance. It runs on Mondays to Saturdays, covering villages shown on the map on different days. Pick ups from local bus stops are between 9.00am and 10.45am, returning between 12.00pm and 3.00pm.

Connecting you better in Gloucestershire

Tewkesbury Community Connector provides more opportunities for people to travel to Tewkesbury. In addition, Evesham, Bishop's Cleeve and Cheltenham are easier to reach and available more frequently than before.

Connections are provided at:
Bishop's Cleeve for Cheltenham on Mondays and Tuesdays;

Beckford for Evesham on Wednesdays and Saturdays and Sedgeberrow for Evesham on Thursdays.

There are also regular connections to Cheltenham and Gloucester from Tewkesbury. Don't worry about missing your onward bus as Tewkesbury Community Connector will get to the bus stop for the connecting service.

Coming home, the connections are guaranteed so even if the bus is running late, Tewkesbury Community Connector will wait. Tewkesbury Community Connector will **not** wait if you choose to catch a later bus.
