

The map displays the Gloucestershire area around Cheltenham. A section of the A401 road, running north-south through the center, is highlighted in red and labeled "Road Closure". A green line indicates the "Diversion Route", which starts from the north, bypasses the closed section to the west, and then rejoins the main route south of the closure. Key locations marked include Cheltenham, Badgeworth, Shurdington, Little Shurdington, and Little Witcombe. The map also shows the A402 road and the A403 road. The Gloucestershire County Council logo is visible in the bottom right corner.
