Provider Update 66 - 7 March 2025

Dear provider,

What a busy week you've all had! We've seen pancakes galore, World Book Day costumes, and lots of you joined us at this term's Leaders and Managers Network meeting in the middle of it all too.

We hope you all enjoy your well-deserved break at the weekend!

Early Education and Child Development team

Leaders and Managers Network meeting

Thank you to everyone who joined us on Wednesday afternoon. We were kindly hosted by the University of Gloucestershire and had a great time chatting to you all. We were joined by Dr Clare Harris, Senior Lecturer in

Early Years, who told us all about their University offer and [PATA](#) who shared all the benefits of being a PATA member. EY Quality Lead Justine also shared some updates about the upcoming changes to the EYFS in September 2025. Best of all, the whole room were chatting away to each other sharing ideas and experiences. We look forward to welcoming you all to the next session on Wednesday 21st May, places filled quickly this time so [secure your place now](#).

DSL support hub

The Safeguarding in Education team will be delivering the next DSL support hub on Wednesday 12th March 2025 from 8.30am. These 30 minute sessions run every other Wednesday throughout the academic year (term time only) – there will be input from GHLL, Early Help, Community Social Workers and Police decision makers within the MASH, who alongside the GSEP team will be passing on current information, guidance and policies.

Walks in the Forest

[Canopy Creative Network](#) is an arts organisation in the Forest of Dean who run monthly creative walks in nature to encourage people to get more creative! There are five [preschool creative walks in nature](#) coming up so it would be great to share their details with your parents.

All of the walks are available to [book here](#) and are free with a voluntary donation.

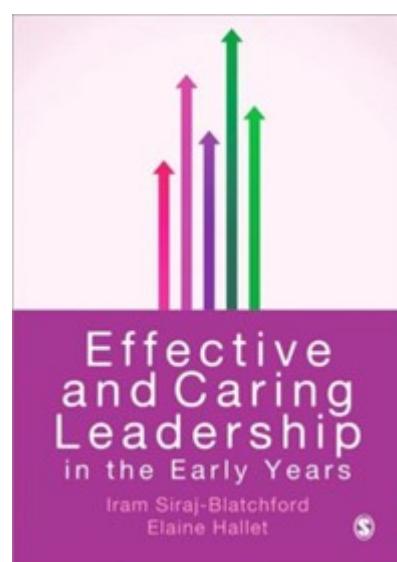

Choking prevention

It's that time of year again when mini eggs are lining the supermarket shelves. Our first instinct might be 'Yum!' however, just like grapes, they are the perfect size to block a small child's airway. Their hard shell can also make it difficult to dislodge with standard first aid techniques. Consider sharing some guidance with your parents over the coming weeks to raise awareness of their risk. Mini eggs can be broken into small pieces with a rolling pin, swapped for larger hollow chocolate eggs, or perhaps hidden and eaten by the adults! The [Child Accident Prevention Hub](#) has some helpful ideas to support safer eating.

Book Corner

Continuing the support to 'Leaders and Managers' following the network meeting this week, the title we have chosen to share today is 'Effective and Caring Leadership in the Early Years' by Iram Siraj-Blatchford and Elaine Hallet. This book provides ideas for relational leadership, firmly based in research and professional experience, including examples from EY leaders on their own reflective learning journeys.

CPD Spotlight

We've had lots of discussions this term during our visits about effective 'Supervision of Staff'. The Stronger Practice Hub are hosting an [Introduction to Staff Supervision](#) online session on Wednesday 12th March, 4pm-6pm. It may also be helpful to take a look at our [Supervision of Staff](#) handout and template.
