2002	Tredworth Junior School	80	80	14	0.48	70	64

**Please note:**

\*NA - The distance factor is only applied when schools are oversubscribed, these schools were not oversubscribed and therefore distance was not a consideration of admission. Pupils allocated under geographical claim does not include pupils who are siblings of pupils already at the school, children with a Statement, medical reasons, pupils in public care/previously in public care when detailed in the schools admission arrangements.

\*\* The distance provided is based on the allocation address as at allocation day. Where a school is not oversubscribed, the distance given may include details of places offered for pupils hoping to move. Large distances have been suppressed for data protection purposes, distances greater than 20 miles have been replaced with >20 to protect possible identification of individuals.

- Values less than five have been suppressed for data protection purposes, where this is the case <5 has been put in place of the original value.

- This information does not include pupils who are siblings of pupils already at the school, children with a Statement, medical reasons or pupils in public care, (pupils who have this criteria will have higher priority as per the schools admission criteria).

- Please note that some schools use the feeder link criteria in their admissions policy, to give priority to pupils who are coming from the associated feeder Infant School.

- Total number of preferences are the total number of on time preferences received, please note that each application received can include more than one preference.
