**Please note:**

\*NA - The distance factor is only applied when schools are oversubscribed, these schools were not oversubscribed and therefore distance was not a consideration of admission. Pupils allocated under geographical claim does not include pupils who are siblings of pupils already at the school, children with a Statement, medical reasons or pupils in public care/previously in public care.

\*\* The distance provided is based on the allocation address as at allocation day. Where a school is not oversubscribed, the distance given may include details of places offered for pupils hoping to move. Large distances have been suppressed for data protection purposes, distances greater than 20 miles have been replaced with >20 to protect possible identification of individuals.

•Values less than five have been suppressed for data protection purposes, where this is the case <5 has been put in place of the original value.

• This information does not include pupils who are siblings of pupils already at the school, children with a Statement, medical reasons or pupils in public care (pupils who have this criteria will have higher priority as per the schools admission criteria).

The following schools rank their own admissions, we do not therefore hold admissions data for these establishments:
