Since moving to Stonehouse in May 1994 I have walked this route regularly - taking my son in a backpack aged one, to family walks, to running with my son from around 2008-2009, and on my own. All that time it is common to meet other walkers and it is clearly well used by the residents of Stonehouse.

YOUR USE OF THE APPLICATION ROUTE

1. In which years did you use the application route?

From March 2000 To June 2023 (Present time)

2. Were there any extended periods during which you did not use the route at all? If so, please state when and why?

No

3. Please describe the application route, including the start and finish points (providing Public Rights of Way numbers, road names or OS grid references if you can)

The main route follows the farm track in which starts at the gate accessed from Browns Lane (SO 8121205024) (MST 27). The route runs along this track and then becomes a narrower path joining MST 30. A spur runs from this track to join MST 27 by the gate to Rosedale (SO 8116805050)

4. How did you use the application route and how often? [Please tick any that apply]

 [Please give your estimate of the width across which you used the route including the width used when passing others or walking with others. Take care to consider the overall width of the route. If this varies, please describe how] [Or please state 'Don't know']

The old farm track is approx 2-3 m wide, the other footpaths are approx 1 m wide

7. What type of surface does the application route have? (for example grass, gravel, earth)
[For varying surfaces, please describe with reference to your map]

The farm track is mud / stone and the other paths
are grass / earth.

8. Have there ever been any of the following on the application route?

- a. Stiles [state locations and show on your map; please also say how long you've known them in place]

No

- b. Gates [state locations and show on your map; please also say how long you've known them in place & whether they've been locked (state whether permanently or temporarily locked)]

Yes. The gate has always been present and
I have never encountered it being closed / locked.

- c. Other barriers [state locations and show on your map; please also say how long you've known them in place]

MST 62 has recently been fenced (May 2023) curtailing
this access route. Additionally MST 27 has been fenced
preventing the access from Brown Lane (May 2023).

9. Did any of the above prevent you from using the application route?

No

Yes

If yes, please give details

The presence of barbed wire fencing (May 2023)
has prevented this access.

10. Have you ever seen any signs or notices suggesting whether or not the application route is a public right of way? (for example "Private", "Keep Out", No Right of Way "Trespassers will be Prosecuted", "Permissive Route Only")

- No
