## **TYPES OF CERTIFICATE**

There are two types of certificate. The full certificate shows all the information contained in the civil partnership record, including the addresses for the civil partners at the time the civil partnership was registered. The extract certificate does not show these addresses.

## **INFORMATION NEEDED**

The details of both civil partners and the date and place where their civil partnership was registered should be provided in box 4.

For a full certificate, the details provided must also include the full addresses of both civil partners at the time their civil partnership was registered.

If the addresses are not provided in box 4, an extract certificate will be issued.

If a full certificate is required and the full addresses of both civil partners cannot be provided, and application may be made to the Registrar General with the reasons. The Registrar General may authorise the issue of a full certificate if satisfied that it would be reasonable to do so.
