

KNIGHTS BROWN

PITCHCOMBE, A4173 JUNCTION IMPROVEMENTS

UPDATE 1 - OCTOBER 2019

PROJECT UPDATE

Within our first few weeks on site we have made steady progress. Our site offices have been installed. We have cleared the site, street lighting has been removed and replaced with temporary tower lights and we have repositioned the BT pole outside the new carriageway. Removal of the traffic islands and signage has also been completed.

Over the next few weeks you should see a rapidly changing landscape. Drainage will be installed along the southern A46; the island between the A4173 and the A46 will start to be rebuilt, new street lighting will be put in, and the new footpath will start to take shape.

TRAFFIC MANAGEMENT

We apologise for the inconvenience which has been caused on occasion during our first few weeks on site. We have been working closely with our supply chain to fix the situations which have caused congestion. We believe the issues have been resolved and will continue to closely monitor the traffic flows.

If you do have any issues or concerns in relation to traffic management please contact us or if the issues are identified outside of site operating hours then please contact our 24hr emergency number 07960 280360.

LOOK AHEAD PROGRAMME

The following works will be undertaken within the next 2 weeks:

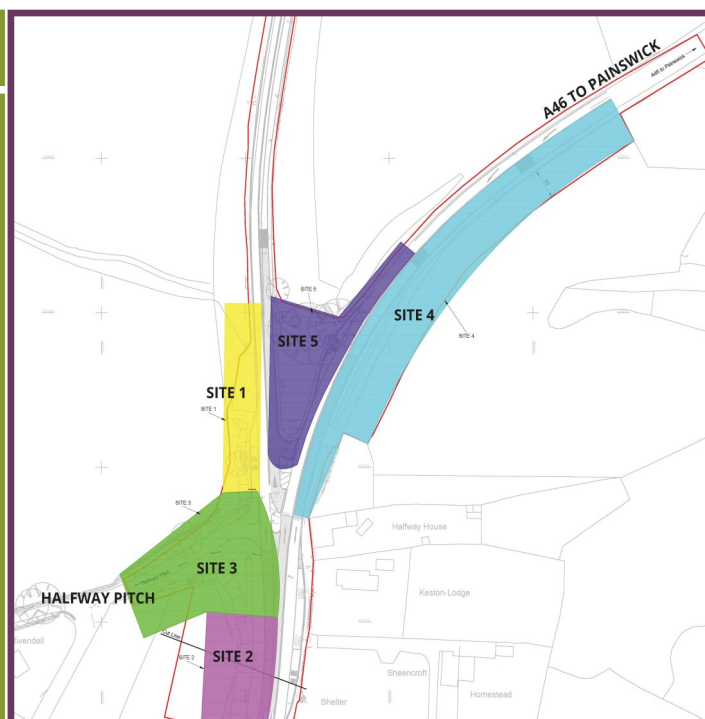

SITE 1 - Phone box and bus shelter will be removed

SITE 2 - We will begin excavation of the retaining wall and install temporary stockproof fencing.

SITE 3 - Gas Utility Diversion will be undertaken and we will begin excavating the road to its new formation. New drainage will be installed.

SITE 4 - We will begin removing the existing footpath and verge and begin the installation of new drainage and street lighting.

SITE 5 - We will install new drainage and street lighting ducts and infill the new footpath.

CALLING ALL COMMUNITY GROUPS

As part of our Community Engagement commitment we are looking for local projects that could benefit from our site team, volunteering their time and skills as part of our employer supported volunteering initiative.

If you currently have a project that you think we may be able to support, please get in contact with us via email - pitchcombe@knightsbrown.co.uk
