

GAMING AND GAMBLING HARM PREVENTION TRAINING

Facilitated by YGAM

Engaging, evidence based training that enables you to identify early warning signs of harm, and offers practical strategies for support.

What you'll learn:

- How young people encounter gaming and gambling in their daily lives.
- The role of advertising, social media, and evolving gaming mechanics.
- Spotting the changes in behaviour that may signal harm.
- Supporting young people through effective conversations.
- Signposting and connecting young people with appropriate support
