

Arise Sir Knight: Knights of Gloucestershire

Bookshelf banners and pencil pennants!

Knights and pageantry go hand in hand, so follow these instructions to make a great medieval flag for your bookshelf or pencil! You can repeat the basic design using different colours to make lots of different flags which will really liven up your bedroom, classroom or your pen holders!

1. Carefully cut out the flag shape.
2. Cut out the central shapes.
3. Spread glue on one side of the flag up to the dotted lines.
4. Fold the flag in half along the centre line.
5. Colour in the flag with some suitable heraldic designs you can use shapes, charges (such as animals or stars) or anything you like! Alternatively cut out and stick some suitable shapes on.
6. Carefully insert a pencil or a piece of dowel into the flag.
