BREAKOUT DISCUSSION: SHAPING FUTURE ATTENDANCE AND INCLUSION MEETINGS

Please nominate one person to make notes.
Before returning to the main meeting, copy the key points from your group into the main meeting chat.

1. What would be the main benefits of bringing primary and secondary schools together in locality-based attendance and inclusion meetings?
2. What challenges or disadvantages might arise from bringing primary and secondary schools together, and how could these be addressed?
3. What practical support, information or opportunities would make future meetings valuable to your school?
4. How should special and independent schools be included?
5. Which local services, community groups, partner organisations or professionals would you like to hear from?
6. What balance would you prefer between:
    - Service updates
    - Attendance and inclusion data
    - Training
    - Case studies and effective practice
    - School discussion and networking
    - Questions and answers
7. Is there anything from the current Attendance Network meeting model that should be retained?
8. What is the single most important change that would make future meetings more useful?

If you could not attend in person, we would still love for your contribution to our
