

A38 / B4008 Cross Keys Roundabout Improvement Scheme

PUBLIC SHARE EVENTS

Monday 24th September 2018 2:00pm – 6:00pm
Gloucester Wyevale Garden Centre, Bath Road, Haresfield.

Thursday 27th September 2018 3:00pm – 7:00pm
Hardwicke Village Hall, Green Lane, Hardwicke.

Tuesday 2nd October 2018 3:00pm – 7:00pm
Stonehouse Town Hall, High Street, Stonehouse.

To reduce congestion at peak periods, improve journey time reliability and support growth, Gloucestershire County Council are proposing to undertake highway improvement works to the A38/B4008 Cross Keys Roundabout. The scheme includes:

- Adding an additional lane; to the B4008 approach to the roundabout, to the A38 (South) approach to the roundabout, to the A38 (North) egress from the roundabout and to the roundabout circulatory itself.
- The inclusion of circulatory roundabout lane markings to improve lane discipline.
- Upgrading the street lighting provision.
- Improved footway and informal pedestrian crossing provisions.

Members of the public are invited to give feedback on the proposed scheme. Drawings detailing the proposals will be displayed at a stand in Gloucester Wyevale Garden Centre, Hardwicke Village Hall and Stonehouse Town Hall. See the website below for details. Representatives from Gloucestershire County Council and their service delivery partner Amey, will be on hand to capture your feedback and answer any questions you may have about these improvements.
