Admission Information

Published Admission Number and Previous Applications

The Published Admission Number is the total number of pupils that the school can admit into Reception (or Year 3 for Junior Schools). We have also included for each school the total number of pupils in the school so you can gauge its size.

Admission Policy

Admission policies are set by the Admission Authority for the school (the Local Authority for Community & Voluntary Controlled Schools and the Governing Body for Free, Trust, Foundation, Academies & Voluntary Aided Schools) and are applied for new children entering a school. We have included each school's admission policy, so you are aware before applying for a school place. This will include whether the school has a supplementary information form that you may need to complete and how to obtain this. Each school's admission policy is available from Determined admission criteria and scheme for 2027 | Gloucestershire County Council, the school itself, or the school's website. The admission policy for all Community and Voluntary Controlled schools can be found on page 4.

Oversubscription Criteria

If a school receives more preferences than places available, the Admission Authority will place all children in the order in which they could be considered for a place. This will strictly follow the priority order of their oversubscription criteria.

Allocation day statistics are available at Allocation day statistics for Gloucestershire schools | Gloucestershire County Council

Children with an Education, Health and Care Plan (EHCP)

Children who have an Education, Health and Care Plan (EHCP) are placed in schools through the arrangements set out in the SEN Code of Practice and not through any admission criteria. Governing bodies are required by Section 324 of the Education Act 1996 to admit a child with an EHCP that names the school, even if the school is full. **Parents of children with an EHCP should contact their child's casework officer for any further information.**
If your child has an EHCP, you do not need to submit an application through the co-ordinated admissions process.

Oversubscription Criteria and Admission Policy

For Community and Voluntary Controlled Schools

Primary and Infant schools

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit;

* A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption; child arrangements order or special guardianship order. (See page 10 for full definition)

* Children who will have siblings attending the school (or the companion Junior school) at the time the applicant child is admitted (see page 10 for definition)

* Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

Where points 1 and 2 are oversubscribed, criterion 3 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 3 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Local Authority. This is a manual process which is overseen by an independent person from the Legal Services Team.
Where twins or children from multiple births are part of a random allocation process, they will be considered as one applicant.

Junior schools

All Community and Voluntary Controlled junior schools use the following criteria to admit children into Year 3:

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit;

* A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption; child arrangements order or special guardianship order. (See page 10 for definition)

* In the case of companion infant and junior schools, priority will be given to pupils attending the companion infant school (for co-ordinated admissions round).

* Children who will have siblings attending the school or the companion Infant School at the time the applicant child is admitted

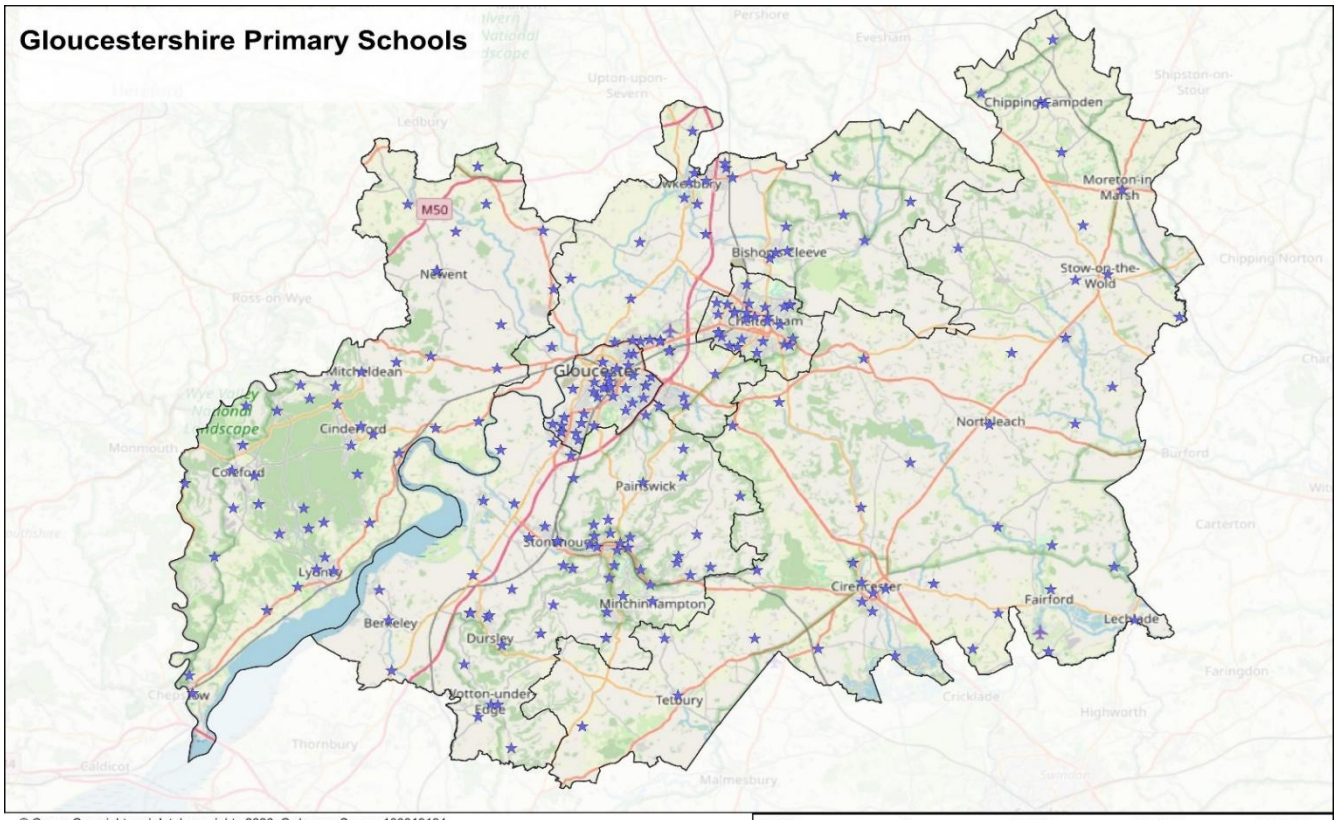

* Children with the strongest geographical claim, measured in a straight line from the ordnance survey point of the child's home to an ordnance survey point of the school/academy, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 4 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Local Authority. This is a manual process which is overseen by an independent person from the Legal Services Team.
Where twins or children from multiple births are part of a random allocation process, they will be considered as one applicant.

Criteria Definitions

Looked After Children / Previously Looked After Children

A 'looked after child' (1) or a child who was previously looked after but immediately after being looked after became subject to an adoption (2) child arrangements order (residency order) (3) or special guardianship order (4) including those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted (5).

(1) A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. In Gloucestershire, such children are referred to as Children in Care.
(2) This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders).
(3) Under the provisions of s.12 of the Children and Families Act 2014.
(4) See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).
(5) A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society (see Section 1.7 of the School Admission Code 2021)

Sibling

Unless otherwise stated in the individual school criteria, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application.* The older child must be continuing to attend when the younger child is admitted.
In the case of infant schools unless otherwise stated in the school criteria, a sibling connection is also established if an older child will be or is already attending the companion junior school.

*Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree and confirm the pupil's address, which must be the same address as the preference school has registered for the sibling connection to apply. The parents' agreement and application must be made before the closing dates in order for the sibling connection to apply. If the parents/carers are unable to agree on which address is to be used for allocation purposes, the address used will be determined by random selection (lottery). A member of Gloucestershire County Council, who is totally independent of School Admissions, will supervise this process.

Twins and Children from Multiple Births

Applications for twins and children from multiple births will be considered as individual applications. However, the Local Authority acknowledges the difficulties for families if children cannot attend the same school, for example if one child can be offered a place but not the other and therefore will aim to accommodate both/all children at one school where there is capacity to do so. This includes overriding the Infant Class Size restrictions which limit Reception, Year One and Year Two classes to a maximum of 30 children per teacher, if one child from twins/multiple births can be offered a place when the other(s) cannot.

A member of staff is defined as anyone who is employed at the school. Priority will be given to children of staff in either or both of the following circumstances: a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; and/or b) the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage*

Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child's home address (including flats) to the Ordnance Survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

*At first Board of Trustees meeting of each academic year, the Trust Board will receive information from the CEO about the current subject or skills shortage for the school.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 4 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the DGAT. This will be in the form of a manual process which is overseen by an independent person from the Trust Board or its delegated authority. In every case, the child must be living in the same family unit at the same address, at the time of application

Admissions Policy

1. Looked after children or previously looked after children.
2. Children who have a sibling attending the School and who will continue to do so when the younger child is admitted. (Definition of sibling: a brother or sister, half brother or sister, adopted brother or sister, stepbrother or sister, or the child of the parent's /carer's partner, and in every case, the child must be living in the same family unit at the same address. Where a child spends equal amounts of time at more than one address, the address at which the child is registered for purposes of child benefit will be taken as the place where the child resides).
3. Children with staff at the School. a) Where the member of staff has been employed at the School for two or more years at the time at which the application for admission to the School is made, and/or b) The member of staff is recruited to fill a vacant post at the School for which there is a demonstrable skill shortage.

Where any category at points 1-4 above is over-subscribed, Criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place. Admissions Policy

1. Highest priority will be given to looked-after children and all previously looked-after children who apply for a place at the school.
2. Priority will next be given to children with siblings at the school. Siblings include step siblings, foster siblings, adopted siblings and other children living permanently at the same address. Priority will not be given to children with siblings who are former pupils of the school.
3. Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority. Measuring distances are used with Ordnance Survey Points not centre points or front door/gates etc.

4. Priority will next be given to children of staff at the school, in either of the following circumstances: a) The member of staff has been employed at the school for 2 or more years at the time at which the application for admission to the school is made, or b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

In the case of 2 or more applications that cannot be separated by the oversubscription criteria outlined above, the school will use the distance between the school and a child's home as a tie breaker to decide between applicants. Priority will be given to children who live closest to the school.

Distance will be measured in a straight line from the child's home address to the school's front gates on Nine Wells Road. A child's home address will be considered to be where they are resident for the majority of nights in a normal school week.

Where the distance between 2 children's homes and the school is the same, random allocation will be used to decide between them. This process will be independently verified. Numbers will be assigned to pupils then drawn from an electronic randomizer.

For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application. Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree and confirm the pupil's address, which must be the same address as the preference school has registered for the sibling connection to apply. The parents' agreement and application must be made before the closing dates in order for the sibling connection to apply.

4. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child's home address (including flats) to the Ordnance Survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

*At first Board of Trustees meeting of each academic year, the Trust Board will receive information from the CEO about the current subject or skills shortage for the school.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 4 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the DGAT. This will be in the form

of a manual process which is overseen by an independent person from the Trust Board or its delegated authority. Where twins or children from multiple births are part of a random allocation process they will be considered as one applicant.

Sibling Definition - The admission criteria for GLA Schools offers a higher priority for children with siblings who will be attending the school (or the companion junior/ infant school where available) when the applicant child is admitted. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application

Admissions Policy

1. Looked after children or previously looked after children.
2. Children living in the priority catchment area normally served by the school whose sibling is attending the school and who will continue to do so when the younger child is admitted. A sibling is defined as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carers partner and, in every case the child must be living in the same family unit at the same address.
3. Children living in the catchment area normally served by the school, with the strongest geographical claim, measured in a direct line. In the event of over subscription in any of the above criteria then the strongest geographical claim measured in a straight line from Ordnance Survey point of the child's home address to the Ordnance Survey point of Blockley Church of England Primary School Foyer using a computerised measuring system, with those living closest to the school receiving the higher priority.
4. Children of full or part time salaried members of staff who have been employed at Blockley Educational Academy for two years or more at the time of the application for admission, and/or children of a member of staff recruited to fill a vacant post for which there is a demonstrable skill shortage.
5. Children living out of the catchment area normally served by the school whose siblings is attending the school and who will continue to do so when the younger child is admitted. A sibling is defined as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister or the child of the parent/carers partner and, in every case, the child must be living in the same family unit at the same address.
6. Children living out of the catchment area normally served by the school, with the strongest geographical claim, measured in a direct line.

Over-subscription for those fulfilling the admissions criteria (i.e. sibling or living in catchment area.)
In the event of over-subscription, in any category, places will be awarded to those with the strongest geographical claim - this will be used as a tie-break. Where two or more applicants are received from children living the same distance away for one final place, the school will make the final decision by lottery.

The catchment area covers the settlements of Adlestrop, Aston Magna, Aston-sub-edge, Batsford, Bledington, Blockley, Broadwell, Broad Campden, Bourton-on-the-Hill, Chipping Campden, Condicote, Dorn, Donnington, Draycott, Ebrington, Evenlode, Longborough, Oddington Mickleton, Moreton-in-Marsh, Paxford, Saintbury, Sezincote, Snowshill, Todenham, Weston-sub-edge and Willersey. These parishes are in priority catchment area 1.

No. of pupils on roll Jan 2026:	316

Admissions Policy

1. Looked after children or previously looked after children.
2. Children for whom only this particular school is appropriate due to an exceptional medical condition. Applications under this criterion will only be considered if they are supported by a written statement from the child's doctor. This must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the school.
3. Children who have a sibling attending the school and who will continue to do so when the younger child is admitted. The Local Authority definition of a sibling, adopted by the Blue Coat Church of England Primary School, reads a "brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application.
   Where a child lives with both parents on a 50/50 (equal) basis, or if a child's parents live at a separate address, the school will request that the parents agree on which address is to be used for allocation purposes. This should be the one at which they are normally and habitually resident. The school may also request proof of the registered address, which must pre-date the application eg the address registered for child benefit or where the child is registered with a medical GP. Additional proof of address may be requested before we can confirm the address.
4. Any remaining places or in the event of oversubscription in any of the criteria above, places will be given to those children living closest to this school, measured in a straight line from the Ordnance Survey Point for the child's home address (including flats) to the Ordnance Survey Point of the school, using the Local Authority's computerized measuring system, with those living closer to the school receiving the higher priority.

   Only one home address can be used for admission purposes. This is the pupil's primary residence, and we may ask for additional proof of this address. In line with the Local Authority definition, where a child lives with both parents on a 50/50 (equal) basis the school will request that the parents agree on which address is to be used for allocation purposes. This should be the one at which they are normally and habitually resident. The school may also request proof of the registered address, which must pre-date the application eg the address registered for child benefit or where the child is registered with a medical GP. Additional proof of address may be requested before we can confirm the address. The method in which the distance is measured from home to school can be found in the admission criteria. If the parents/carers are unable to agree on which address is to be used for allocation purposes, the address used will be determined by random selection (lottery). This will be overseen by someone who is totally independent of the school.

In the event of oversubscription and in the event of a tie break situation, where two or more children live an identical distance from the school, a process of random allocation will be followed. This is a manual process which will be overseen by an independent person.

Supplementary Form/Evidence Required: See criteria above – medical letter should be sent to school.

3. Children living nearest to the Academy, measured from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority. Admissions Policy

1. Looked after children or previously looked after children.
2. Children with a sibling (brother or sister) who will still be on roll at the school at the time of admission. Sibling is a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, foster brother or sister or the child of the parent/carer's partner living in the same family unit in the same family household and address who attends the school in any year group excluding Year 6. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings
3. Distance - children resident closest to the school. The distance measure between the applicant's home and the school is provided by the local authority which uses its computerised measuring system and data provided by Ordnance Survey (OS) to measure the straight line distance between the OS address point of the child's home to the OS address point of the school.

Tie breaker: Where two or more applicants have equal priority for the last available place (except for twins and children from multiple births), then random allocation will be used as the final tie breaker to decide who has higher priority for admission. This process will be independently verified.

The normal family home is taken as the address where the child is resident and at which the person or persons with parental responsibility for the child resides. Where parents live at separate addresses and have joint custody, the address used will be the one where the child spends the main part of the school

week (e.g. Sunday night to Thursday night inclusive). Where responsibility for a child is shared evenly, the school will follow the process used by the local authority (see www.gloucestershire.gov.uk/schooladmissions). Childcare arrangements involving relatives' addresses do not qualify as normal family addresses for this purpose unless there is a Child Arrangement Order in place.

The parents' agreement and application must be made before the closing dates in order for the sibling connection to apply.

3. Children who have a parent who is a permanent member of staff at the Primary QuEST school (the school they would like their child to attend) and who will continue to do so when the child is admitted. The member of staff will need to have worked at the school for a minimum of two years or was recruited to fill a skill shortage. A child is defined as a son or daughter, step son or daughter, adopted son or daughter or the child of the parent/carer's partner, and in every case, the child must be living in the same family unit at the same address.
4. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child's home address (including flats) to the Ordnance Survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 4 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by Primary QuEST. This will be in the form of a manual process which is overseen by an independent person from the Trust Board or its delegated authority. Where twins or children from multiple births are part of a random allocation process they will be considered as one applicant.

***Where any particular category prior to criterion 5 results in oversubscription, children living closer to the school, as measured in a straight line from the ordnance survey point of the child's home address (including flats) to the ordnance survey point of the school, using the Local Authority's computerised measuring system, will be allocated the higher priority.

Where there are not enough places available to offer all children having an equal claim a place at the school (i.e. in the event of a tie between two or more children), a tie-breaking process of random allocation will be operated and supervised by the Governing Body. Tie breaking methodology can be viewed on the school's website.

Admissions Policy

1. Catholic looked after and previously looked after children.
2. Catholic children who are resident in the parish(es) associated with the school - St. Gregory the Great Cheltenham, Sacred Hearts of Jesus and Mary Cheltenham, St. Benet's Kemerton and St. Nicholas's Winchcombe parishes. Parish boundaries are as shown on the map available from the school's website and office.
3. Other Catholic children. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic. For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Whilst a copy of the certificate may be accepted, the admission authority may request sight of the original. The admission authority may also request additional supporting evidence if the written documents that are provided do not confirm the fact that the person was baptised/received into a Catholic Church. There may occasionally be difficulty in obtaining written evidence of baptism or reception into the Church. In such cases, contact may be made with a Parish Priest for advice on how the question of baptism/reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church. The Priest may seek advice from Clifton Diocese
4. Other looked after and previously looked after children.
5. Children who are a Catechuman. 'Catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens
6. Children who are a member of an Eastern Christian Church. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church
7. Children of another Christian denomination whose membership is evidenced by a minister of religion. 'Children of other Christian denominations' means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is His body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above. All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.
8. Children of another faith whose membership is evidenced by a religious leader. 'Children of other faiths' means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
   • A religion which involves belief in more than one God, and
   • A religion which does not involve belief in a God.
   Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.
9. Any other children

Within each of the oversubscription categories listed above, the following provisions will be applied in the following order.

(i) Children who will have a brother or sister at the school at the time of enrolment. The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed above those without a brother or sister attending the school, within the category in which the application is made.*

(ii) Children of a member of the applied for School's staff who has been employed at the school for two or more consecutive years at the time of application, or who was recruited to fill a

vacant post for which there is a demonstrable skills shortage. This does not include staff who work on the school site for other employers.

* 'Brother or sister' includes: (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.

Tie Break
Where children have identical ranking, priority within each category will then be determined by random allocation (see below).

Random Allocation
Each child will be allocated a number. These numbers are shared with a person independent of the school who will supervise the process. Governors will then use a random number generator to rank the numbers.

For children of a multiple birth, the order created by the random number generator, will be overridden to place all the children from the multiple birth together at the place where the highest child (from the multiple birth) is ranked. The random number generator will then be used to rank the children from the multiple birth. This process will also be applied to brothers or sisters who are not from a multiple birth but are applying for a place in the same year group.

Supporting Evidence
You are requested to complete a Supplementary Information Form (SIF) if you wish to apply under oversubscription criteria on the grounds of religion and/or because a parent is a member of staff at the school. The SIF should be returned to the school office (see postal and email address above) by 15th January 2027 to be considered in the first round of allocations.

If you do not provide the information required in the SIF and return it by the closing date for the first round of allocations, together with all supporting documentation as appropriate, your child may not be placed in the relevant criteria categories, and this may affect your child's chance of being offered a place. All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15 January 2027.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children, when applying criterion 4, the strongest geographical claim will be measured in a straight line from the ordnance survey point from the child's home address (including flats) to the ordnance survey address point of the school using the Local Authority's computerised measuring system with those living closer to the school receiving the higher priority. 2. Children who have siblings attending the school and who will continue to do so at the time of their admission. We use the Local Authority's standard definition of 'sibling': 'a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application.'
3. Pupils with the strongest geographical claim based on straight line distance proximity of the child's home - those living nearer being accorded priority.

In the event of oversubscription in any of the above criterion, places will be allocated to children with the strongest geographical claim, measured in a straight line from the Ordnance Survey Address Point of the child's home address (including flats) to the School Reception area, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority. If necessary, if two or more children live at a precise equitable distance from the school, a further tie-break of random allocation based on names being drawn in a lottery at a specified time by our admissions team will be applied, although we will endeavour to treat twins and children from multiple births jointly.

4. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child's home address (including flats) to the Ordnance Survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

*At first Board of Trustees meeting of each academic year, the Trust Board will receive information from the CEO about the current subject or skills shortage for the school.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 4 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the DGAT. This will be in the form of a manual process which is overseen by an independent person from the Trust Board or its delegated authority. Where twins or children from multiple births are part of a random allocation process they will be considered as one applicant.

   This criterion will remain for any members of staff employed at CVIS prior to conversion to the GLA and therefore TUPE'd across to the GLA from the 1st of November 2023. This criterion will only be effective whilst these staff remain at CVIS and will not transfer to other GLA schools
3. Children who will have siblings attending the school or companion school at the time the applicant child is admitted.

Sibling Definition - The admission criteria for GLA Schools offers a higher priority for children with siblings who will be attending the school (or the companion junior/infant school where available) when the applicant child is admitted. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application.
Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree and confirm the pupil's address, which must be the same address as the preference school has registered for the sibling connection to apply. The parents' agreement and application must be made before the closing dates in order for the sibling connection to apply.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 4 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the GLA. This will be in the form of a manual process which is overseen by an independent person from the Trust Board. Where twins or children from multiple births are part of a random allocation process they will be considered as one applicant.

Priority will be given to children of staff in either or both of the following circumstances: a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; and/or b) the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage*

4. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child's home address (including flats) to the Ordnance Survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

*At first Board of Trustees meeting of each academic year, the Trust Board will receive information from the CEO about the current subject or skills shortage for the school.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 4 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the DGAT. This will be in the form of a manual process which is overseen by an independent person from the Trust Board or its delegated authority. Where twins or children from multiple births are part of a random allocation process they will be considered as one applicant.

Admissions Policy

1. Looked after children or previously looked after children.

2. Children who have siblings* attending the school and who will continue to do so when the younger child is admitted. In the case of companion Infant and Junior schools, priority will be given to pupils attending the companion Infant and Junior school.
   *For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application. Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree and confirm the pupil's address, which must be the same address as the preference school has registered for the sibling connection to apply. The parents' agreement and application must be made before the closing dates in order for the sibling connection to apply.

A child is defined as a son or daughter, step son or daughter, adopted son or daughter or the child of the parent/carer's partner, and in every case, the child must be living in the same family unit at the same address. A member of staff is defined as anyone who is employed at the school. the child starts the academy, to the OS point of the academy. For admission purposes this should be measured in straight line from the ordnance survey point of the child's home address to the ordnance survey point of the academy.

1. Looked after children or previously looked after children.

For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carers' partner, as well as children who are brought together as a family by a same sex civil partnership or marriage. In every case, the child must be living in the same family unit at the same address, at the time of application. If a child's parents live at separate addresses the address the sibling spends at least 3 school nights at (i.e. Sunday, Monday, Tuesday, Wednesday, Thursday) will be taken as the home address. Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree and confirm the pupil's address which must match the priority address the school has registered for the sibling.
3. Children living within the designated areas of Gotherington, Woolstone and Oxenton (catchment map available via the school).

Only one home address can be used for admission purposes. This is where the pupil resides, and we may ask for additional proof of this address. Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree which of their addresses to use and confirm this before any closing dates. This must be either parental home. Additional proof of address may be requested before we can confirm that we are able to use an address for allocation purposes.

Admissions Policy

1. Looked after children or previously looked after children.

2. Priority for children who have an exceptional social and/or medical need.
   Children who have either medical or social grounds for admission to this school. This evidence must set out the particular reason why the child should attend this school rather than any other, and show that this is the only suitable school to meet their stated needs, why no other local school could meet those needs and what the difficulties would be if the child had to attend any other local school.
   Parents should complete the Trust's Social and Medical Form (in addition to the CAF), which can be found on the school's website* www.grangeprimary.co.uk
   The Social and Medical Form must be supported by relevant written evidence from a registered professional(s) involved with the child. Examples include registered health professionals, such as a

Consultant, GP, Psychologist or Psychiatrist. All evidence must be on letter-headed paper and reflect the child's current situation.
The Trust's Social and Medical Form must be submitted directly to the Greenshaw Learning Trust no later than 15 January via email to s.m@greenshawlearningtrust.co.uk or posted to, Head of Admissions, Greenshaw Learning Trust, Oru Sutton, 7 Throwley Way, Sutton SM1 4AF.

*The CAF must be submitted directly to the child's home Local Authority no later than 15 January.

Evidence submitted after the closing date will not be considered. Only in exceptional circumstances the Trust may apply discretion to consider evidence submitted after the closing date. It is therefore important that all relevant evidence is submitted at the time of application and should be submitted before the closing date to ensure full consideration.
Applications will be assessed against the evidence and determined as a joint decision of the Greenshaw Learning Trust Head of Admissions and the school's Headteacher.

3. Children of permanent members of staff of the school, where:

● The member of staff has been employed at Grange Primary Academy for two or more consecutive years at the time at which the application for admission to the school is made; or
● The member of staff has been recruited to fill a vacant post for which there is a demonstrable skill shortage.

4. Children who will have a sibling at the school at the time of admission. Sibling refers to brother or sister, half brother or sister, adopted brother or sister, foster brother or sister, step brother or sister, or the child of the parent's partner, as well as children who are brought together as a family by a same-sex civil partnership. In every case, the child must be living in the same family unit at the same address, Monday to Friday at the time of the application.
Cousins or children of friends living with their parents in the same household are not included.
Siblings in Year 6 at the time of an application to start Reception will not qualify as a sibling.

5. Any remaining places will be offered based on proximity of the child's home address (as at the closing date of 15 January) to the school. Distances will be measured in a straight-line distance using the computerised system as specified by Gloucestershire Council.

   Applications are ranked in accordance to the home to school distance within each priority. The distance measurement used is defined within Priority 5, for distance.

Tie Break: Where two or more applicants share priority for a place, the child to be offered a place will be selected by the drawing of lots. Lots will be drawn by a senior officer of the Greenshaw Learning Trust Shared Service who is independent of the school's admissions process.

Address Notes:

The address on the application must be the child's permanent place of residence. The address will normally be the parents' address. It should not be a business or carer's/childminder's address. It should also not be a relative's address unless the child lives at that address as their normal place of residence. Parents must not use a temporarily rented address to secure a school place for their child if they still possess or rent a property previously used as a home address. Nor will a temporary address be accepted if we believe that the temporary address is being used solely for the purpose of obtaining a school place when an alternative address is still available to that child.

Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration (i.e. a letter) signed by both parents stating the pattern of residence. A letter of joint declaration should be sent to the student's home Local Authority and must be received before the closing date of 15 January. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school. If no joint declaration is received by the closing date for applications, then if the residence is not split equally between both parents the home address will be determined to be the address where the child spends the majority of the school week; if residence is split equally between both parents the home address will be determined to be the address where the child is registered with the doctor. However, all evidence will be taken into account.

All school admission applications for school places are subject to address checks to ensure school places are allocated fairly and in accordance with published admission arrangements. These checks will be conducted by the home Local Authority. Where a fraudulent address or an address of convenience are found to have been used, the application and any subsequent offer may be withdrawn.

Applicants living outside of England may submit an application if they have a linked address within the Local Authority area, and documentary evidence must be supplied to show they will return to the address prior to the September of the year of entry; this address must not be an address of convenience. Where a linked address is not available the overseas address will be used to determine the home to school distance.

For families of service personnel with a confirmed posting to the area, or crown servants returning from overseas to live in the area, who do not currently live in the area, a Unit postal address or quartering area address will be used as the home address, provided that the application is accompanied by an official letter that declares a relocation date and the address.

Admissions Policy

1. Looked after children or previously looked after children.
2. Children with a sibling attending the Academy at the time the applicant child is admitted.
3. Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the Academy, using the Local Authority's computerised measuring system, with those living closer to the Academy receiving the higher priority.

Sibling Definition - The admission criteria for GLA Schools offers a higher priority for children with siblings who will be attending the school (or the companion junior/ infant school where available) when the applicant child is admitted. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application

Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree and confirm the pupil's address, which must be the same address as the preference school has registered for the sibling connection to apply. The parents' agreement and application must be made before the closing dates in order for the sibling connection to apply.

Where any particular category at points 1-2 above is oversubscribed, criterion 3 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 3 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the GLA. This will be in the form of a manual process which is overseen by an independent person from the Trust Board. Where twins or children from multiple births are part of a random allocation process, they will be considered as one applicant.

No. of pupils on roll Jan 2026:	49

Admissions Policy

1. Looked after children or previously looked after children.
2. A child who lives in the Parish of Hillesley & Tresham and Alderley (map available via the school). Distance will be measured in a straight line from the Ordnance Survey Address Point of the child's home address, (including flats) to a central point of the school, using the Local Authority's computerised measuring system, with those living closer to school receiving the higher priority.
3. A child who has a sibling who will be attending the school at the time of admission. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application.
4. A child whose parents/guardians specifically request a Christian education and meet the following criteria:
   - Children who live in the ecclesiastical parish of Hillesley and whose parents are regular members* of St Giles' Church, Hillesley (as confirmed by the priest using a Supplementary Information Form (SIF))
   - Children who live in the ecclesiastical parish of Hillesley and whose parents belong to another Christian denomination attending a local church where they are regular members* (as confirmed by the relevant priest using a SIF)
   - Children who live in a neighbouring parish and whose parents are regular members* of St Giles' Church, Hillesley

   *Regular members are defined as families who worship at St Giles' Church or another local Christian church at least once a month and for at least one year before the child starts school. This should be supported by a signed SIF from the Rector or Minister.
   This (SIF) Supplementary Information Form must be received directly by the school by 31st January in the year in which the child is due to start school. In the event that during the period specified for

attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

5. A child who has particular authenticated medical and additional needs appertaining to the school. The school will need to be provided with medical evidence from a doctor that explains why Hillesley Primary is the only school that can meet the child's medical condition or additional needs. The written statement from the doctor must demonstrate that there is a very specific connection between the medical need and the facilities or resources of the school. As Hillesley is a voluntary aided school the Governing Body will decide if the child can be offered a place. Social needs, such as a child wanting to attend the same school as friends, or attend a school near to where relatives live are not to be considered as medical needs.

In the event of over subscription in the above criteria, places will be allocated by closest proximity to the school, measured in a straight line from the school's Ordnance Survey Address Point.

In the very unlikely event of a tie-break in the event that two or more children have the same distance measurement, and equally meet the criteria described in no 4, *(i.e. In the event of a tie between two or more children when applying the above tie-break)* where there are not enough places available to offer all children a place at the school, a lottery will be held by the Governing Body to allocate the remaining places.

   The Social and Medical Form must be supported by relevant written evidence from a registered professional(s) involved with the child.    ● The member of staff has been recruited to fill a vacant post for which there is a demonstrable skill shortage.
4. Children who will have a sibling at the school at the time of admission. Sibling refers to brother or sister, half brother or sister, adopted brother or sister, foster brother or sister, step brother or sister, or the child of the parent's partner, as well as children who are brought together as a family by a same-sex civil partnership. In every case, the child must be living in the same family unit at the same address, Monday to Friday at the time of the application. Siblings in Year 6 at the time of an application to start Reception will not qualify as a sibling. Cousins or children of friends living with their parents in the same household are not included.
5. Any remaining places will be offered based on proximity of the child's home address (as at the closing date of 15 January) to the school. Distances will be measured in a straight-line distance using the computerised system as specified by Gloucestershire Council.

Applications are ranked in accordance to the home to school distance within each priority. The distance measurement used is defined within Priority 5, for distance.

Address Notes:

The address on the application must be the child's permanent place of residence. The address will normally be the parents' address. It should not be a business or carer's/childminder's address. It should also not be a relative's address unless the child lives at that address as their normal place of residence. Parents must not use a temporarily rented address to secure a school place for their child if they still possess or rent a property previously used as a home address. Nor will a temporary address be accepted if we believe that the temporary address is being used solely for the purpose of obtaining a school place when an alternative address is still available to that child.

Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration (i.e. a letter) signed by both parents stating the pattern of residence. A letter of joint declaration should be sent to the student's home Local Authority and must be received before the closing date of 15 January. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school.

If no joint declaration is received by the closing date for applications, then if the residence is not split equally between both parents the home address will be determined to be the address where the child spends the majority of the school week; if residence is split equally between both parents the home address will be determined to be the address where the child is registered with the doctor. However, all evidence will be taken into account.

All school admission applications for school places are subject to address checks to ensure school places are allocated fairly and in accordance with published admission arrangements. These checks will be conducted by the home Local Authority. Where a fraudulent address or an address of convenience are found to have been used, the application and any subsequent offer may be withdrawn.

Applicants living outside of England may submit an application if they have a linked address within the Local Authority area, and documentary evidence must be supplied to show they will return to the address prior to the September of the year of entry; this address must not be an address of convenience. Where a linked address is not available the overseas address will be used to determine the home to school distance.

For families of service personnel with a confirmed posting to the area, or crown servants returning from overseas to live in the area, who do not currently live in the area, a Unit postal address or

quartering area address will be used as the home address, provided that the application is accompanied by an official letter that declares a relocation date and the address.

Tie Break: Where two or more applicants share priority for a place, the child to be offered a place will be selected by the drawing of lots. Lots will be drawn by a senior officer of the Greenshaw Learning Trust Shared Service who is independent of the school's admissions process.

Admissions Policy

1. Looked after children or previously looked after children.

2. Priority for children who have an exceptional social and/or medical need: Children who have either medical or social grounds for admission to this school. This evidence must set out the particular reason why the child should attend this school rather than any other and show that this is the only suitable school to meet their stated needs, why no other local school could meet those needs and what the difficulties would be if the child had to attend any other local school.

   Parents should complete the Trust's Social and Medical Form (in addition to the CAF*), which can be found on the school's website www.huntsgrove.academy

   The Social and Medical Form must be supported by relevant written evidence from a registered professional(s) involved with the child. Examples include registered health professionals, such as a Consultant, GP, Psychologist or Psychiatrist. All evidence must be on letter-headed paper and reflect the child's current situation.

   The Trust's Social and Medical Form must be submitted directly to the Greenshaw Learning Trust no later than 15 January via email to s.m@greenshawlearningtrust.co.uk or posted to, Head of Admissions, Greenshaw Learning Trust, Oru Sutton, 7 Throwley Way, Sutton SM1 4AF.

   *The CAF must be submitted directly to the child's home Local Authority no later than 15 January.

   Evidence submitted after the closing date will not be considered. Only in exceptional circumstances the Trust may apply discretion to consider evidence submitted after the closing date. It is therefore important that all relevant evidence is submitted at the time of application and should be submitted before the closing date to ensure full consideration.

   Applications will be assessed against the evidence and determined as a joint decision of the Greenshaw Learning Trust Head of Admissions and the school's Headteacher.

3. Children of permanent members of staff Priority for children of permanent members of staff of the school. Where;
   ● The member of staff has been employed at Hunts Grove Primary Academy for two or more consecutive years at the time at which the application for admission to the school is made; or

4. Children who will have a sibling at the school at the time of admission. Sibling refers to brother or sister, half brother or sister, adopted brother or sister, foster brother or sister, step brother or sister, or the child of the parent's partner, as well as children who are brought together as a family by a same-sex civil partnership. In every case, the child must be living in the same family unit at the same address, Monday to Friday at the time of the application. Cousins or children of friends living with their parents in the same household are not included. Siblings in Year 6 at the time of an application to start Reception will not qualify as a sibling.

5. Distance. Any remaining places will be offered based on proximity of the child's home address (as at the closing date of 15 January) to the school. Distances will be measured in a straight-line distance using the computerised system as specified by Gloucestershire Council.

Address Notes:
The address on the application must be the child's permanent place of residence. The address will normally be the parents' address. It should not be a business or carer's/childminder's address. It should also not be a relative's address unless the child lives at that address as their normal place of residence. Parents must not use a temporarily rented address to secure a school place for their child if they still possess or rent a property previously used as a home address. Nor will a temporary address be accepted if we believe that the temporary address is being used solely for the purpose of obtaining a school place when an alternative address is still available to that child.

Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration (i.e. a letter) signed by both parents stating the pattern of residence. A letter of joint declaration should be sent to the student's home Local Authority and must be received before the closing date of 15 January. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school.

If no joint declaration is received by the closing date for applications, then if the residence is not split equally between both parents the home address will be determined to be the address where the child spends the majority of the school week; if residence is split equally between both parents the home address will be determined to be the address where the child is registered with the doctor. However, all evidence will be taken into account.

All school admission applications for school places are subject to address checks to ensure school places are allocated fairly and in accordance with published admission arrangements. These checks will be conducted by the home Local Authority. Where a fraudulent address or an address of convenience are found to have been used, the application and any subsequent offer may be withdrawn.

Applicants living outside of England may submit an application if they have a linked address within the Local Authority area, and documentary evidence must be supplied to show they will return to the address prior to the September of the year of entry; this address must not be an address of convenience. Where a linked address is not available the overseas address will be used to determine the home to school distance.

For families of service personnel with a confirmed posting to the area, or crown servants returning from overseas to live in the area, who do not currently live in the area, a Unit postal address or quartering area address will be used as the home address, provided that the application is accompanied by an official letter that declares a relocation date and the address.

Applications are ranked in accordance to the home to school distance within each priority. The distance measurement used is defined within Priority 5, for distance.

Tie Break: Where two or more applicants share priority for a place, the child to be offered a place will be selected by the drawing of lots. Lots will be drawn by a senior officer of the Greenshaw Learning Trust Shared Service who is independent of the school's admissions process.

In every case, the child must be living in the same family unit at the same address, at the time of application. 3. Pupils with the strongest geographical claim based on straight line distance proximity of the child's home - those living nearer being accorded priority.

Oversubscription

In the event of oversubscription in any of the above criterion, places will be allocated to children with the strongest geographical claim, measured in a straight line from the Ordnance Survey Address Point of the child's home address (including flats) to Reception at the School, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority. If necessary, if two or more children live at a precise equitable distance from the school, a further tie-break of random allocation based on names being drawn in a lottery at a specified time by our admissions team will be applied, although we will endeavour to treat twins and children from multiple births jointly.

In every case, the child must be living in the same family unit at the same address, at the time of application.
   Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree and confirm the pupil's address, which must be the same address as the preference school has registered for the sibling connection to apply. The parents' agreement and application must be made before the closing dates in order for the sibling connection to apply.
3. Children whose permanent home address lies within the boundary of the Severnside parishes. A copy of the definitive map can be found on the school's website. A copy is also available for inspection in the school office. In the event of there being more applications than available places then children with the strongest geographical claim will be given priority. Distances will be measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system.
4. Children whose permanent home address lies outside the boundary of the Severnside parishes will be allocated on the basis of strongest geographical claim measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.
5. Children who have a parent who is a member of staff at the school and who will continue to do so when the child joins the school roll. A child is defined as a son or daughter, step son or daughter, adopted son or daughter or the child of the parent/carer's partner, and in every case, the child must be living in the same family unit at the same address. A member of staff is defined as anyone who is employed at the school. Priority will be given to children of staff in either or both of the following circumstances: a) where the member of staff has been employed at the school for two or more years at

the time at which the application for admission to the school is made; and/or b) the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage*.

*At first Board of Trustees meeting of each academic year, the Trust Board will receive information from the CEO about the current subject or skills shortage for the school.

Where any particular category at points 1-5 above is oversubscribed, criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 4 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by DGAT. This will be in the form of a manual process which is overseen by an independent person from the Trust Board or its delegated authority. Where twins or children from multiple births are part of a random allocation process they will be considered as one applicant.

*At first Board of Trustees meeting of each academic year, the Trust Board will receive information from the CEO about the current subject or skills shortage for the school.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 4 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the DGAT. This will be in the form of a manual process which is overseen by an independent person from the Trust Board or its delegated authority. Admissions Policy

1. Looked after children or previously looked after children.
2. Children with a sibling (brother or sister) who will still be on roll at the school at the time of admission. Sibling is a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, foster brother or sister or the child of the parent/carer's partner living in the same family unit in the same family household and address who attends the school in any year group excluding Year 6. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings.
3. Distance – children resident closest to the school. The distance measure between the applicant's home and the school is provided by the Local Authority which uses its computerised measuring system and data provided by Ordnance Survey (OS) to measure the straight line distance between the OS address point of the child's home to the OS address point of the Academy.

Tie breaker: Where two or more applicants have equal priority for the last available place (except for twins and children from multiple births), then random allocation will be used as the final tie breaker to decide who has higher priority for admission. This process will be independently verified.

The normal family home is taken as the address where the child is resident and at which the person or persons with parental responsibility for the child resides. Where parents live at separate addresses and have joint custody, the address used will be the one where the child spends the main part of the school week (e.g. Sunday night to Thursday night inclusive). Where responsibility for a child is shared evenly, the school will follow the process used by the local authority (see www.gloucestershire.gov.uk/schooladmissions). Childcare arrangements involving relatives' addresses do not qualify as normal family addresses for this purpose unless there is a Child Arrangement Order in place.

    - Local residence means that the distance measured in a straight line from the ordnance survey point of the child's home address to the ordnance survey point of the school using the Local Authority's computerised measuring system is not more than 3 miles.

    AND
    - A parent of the child is a regular worshipper at one of the three churches of the Parish of Cirencester, namely St. John Baptist, Holy Trinity Watermoor or St Lawrence Chesterton. Regular means at least fortnightly on average throughout the year for at least a year prior to the closing date for applications.

4. Proximity. Closest proximity to the school measured in a straight line from the ordnance survey point of the child's home address to the ordnance survey point of the school using the Local Authority's computerised measuring system, with those living closer to the school receiving higher priority. In the event of two or more children living the same distance away from the school, drawing lots will be used as a tie break to determine priority.

In the event of oversubscription within any of categories 1-3 above, proximity as defined in category 4 will be used to determine priority within the relevant category.

Oversubscription (Criteria 2 and 3)
In the event of oversubscription in these criteria places will be allocated to children in the following order:

a) Those who live in the priority area of the parish.
b) Those who live in the non-priority area of the parish.
c) Those who live outside the parish.

The places will be allocated within each category to those with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child's permanent home address (including flats), to the Ordnance Survey address point of the school, using the Local Authority's computerised measuring system: with those living closer to the school receiving the higher priority. In the event that two or more children have the same distance measurement, a process of random allocation, where supervised drawing of lots by an independent responsible person of good standing will be used to decide which child(ren) will be allocated the remaining place(s) (in accordance with 1.34 and 1.35 of the School Admissions Code).

Oversubscription (except for Criteria 2 and 3)
The places will be allocated within each criterion to those with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child's permanent home address (including flats), to the Ordnance Survey address point of the school, using the Local Authority's computerised measuring system: with those living closer to the school receiving the higher priority. In the event that two or more children have the same distance measurement, a process of random allocation, where supervised drawing of lots by an independent responsible person of good standing will be used to decide which child(ren) will be allocated the remaining place(s) (in accordance with 1.34 and 1.35 of the School Admissions Code).

Application under criterion 3
We follow the Local Authority definition of a sibling as "a brother or sister, half brother or sister, adopted brother or sister, step brother or sister or the child of the parent/carer's partner as well as children brought together by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address."

Applications under criteria 4 and 6
The Electoral Roll of the ecclesiastical parish of Prestbury should not be confused with the parliamentary electoral register for the civil parish. To qualify for inclusion on the Electoral Roll of the parish the following criteria must be met:

- Be aged 16 years or over.
- Be baptised.
- Be a lay member of the Church of England.

- Be either resident in the ecclesiastical parish, or for the previous six months have habitually attended public worship in the parish.

Further information and an application form are available from the Prestbury Parish Office or from admin@northchelt.org.uk

A member of Prestbury United Reformed Church will have been formally received into church membership by the decision of a Church Meeting and their name recorded on the church Membership Roll.

Applications must be supported by a completed Supplementary Information Form (SIF) which can be downloaded from the school website www.prestburystmarysfederation.co.uk/Admissions/ and must be signed by one of the Prestbury parish clergy after consultation with the church wardens, or signed by the Prestbury URC minister after consultation with the church elders, confirming the parent's Christian commitment and regular attendance at St. Mary's, St Nicolas' churches, or Prestbury URC. If a family has moved into the parish during the last two years, and wish to apply under these criteria, they must also provide a Supplementary Information Form signed by their previous parish priest or minister confirming that they have met the requirements for admission under these criteria.
In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

The completed Supplementary Information Form must be received by the school by the closing date for admissions

Admissions Policy

1. Looked after children or previously looked after children.
2. Children who have siblings attending the school and who will continue to do so when the younger child is admitted. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application. Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree and confirm the pupil's address, which must be the same address as the preference school has registered for the sibling connection to apply. The parents' agreement and application must be made before the closing dates in order for the sibling connection to apply.
3. Children who have a parent who is a member of staff at the school and who will continue to do so when the child joins the school roll. A child is defined as a son or daughter, step son or daughter, adopted son or daughter or the child of the parent/carer's partner, and in every case, the child must be living in the same family unit at the same address. A member of staff is defined as anyone who is employed at the school. Priority will be given to children of staff in either or both of the following circumstances: a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; and/or b) the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage*

4. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child's home address (including flats) to the Ordnance Survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

*At first Board of Trustees meeting of each academic year, the Trust Board will receive information from the CEO about the current subject or skills shortage for the school.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 4 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the DGAT. This will be in the form of a manual process which is overseen by an independent person from the Trust Board or its delegated authority. Where twins or children from multiple births are part of a random allocation process they will be considered as one applicant.

Admissions Policy

1. Looked after children or previously looked after children.
2. Children with a sibling at Queen Margaret Primary Academy at the time of application and admission. The sibling must be on the roll in any year group at Queen Margaret Primary Academy at the time of application, and will still be on the roll when the applicant child starts at the Academy. For the avoidance of doubt, this means that siblings in Year 6 who will have left at the time the applicant child starts school will not meet this criteria.
   A 'sibling' is a full brother or sister (sharing both parents), a half brother or sister (sharing one parent), an adopted brother or sister (sharing one or both parents), a foster brother or sister on a long term placement (a looked after child), a step brother or sister (where one child's parent is married or in a civil partnership with the other child's parent) and a child of the applicant's parent's partner.
   In all cases, the sibling must live at the applicant child's home address (as defined in this policy) as part of the same core family unit. For the avoidance of doubt, a child of an extended family member (e.g. cousin, grandchild), or the child of a friend, will not meet this criteria even if they live at the same address as the applicant child.
3. Children with the strongest geographical claim, measured in a straight line from the Ordinance Survey address point of the child's home address (including flats)* to the Ordinance Survey address point of the school using the Local Authority's computerised measuring system, with those living closer to the school receiving high priority. All applicant children not included in any of the categories above will be allocated places in this category.

The child's home address is the residential (not business) address at which they will live and sleep for more than 50% of their time from Sunday to Thursday night each week during term time, at the time of their admission. In the rare cases where the child lives with more than one parent and their pattern of overnight stays with each is irregular from week to week, this should be established by considering the five term time weeks preceding the application.
Further information on the address policy can be found on the school's website.

Tie-breaker: In each of the oversubscription categories above, where there are more applications than places available, the order in which places are allocated will be determined by reference to the distance between the child's home address and the Academy, with those living closer receiving higher priority.

The distance from the child's home address to the Academy is measured in a straight line between the designated address point for the child's home and the designated central point within the main school building for the Academy, using Gloucestershire County Council computerised mapping system designed for this purpose.

Where two or more distances are equal (e.g. where they live in the same block of flats), the order in which places are allocated will be determined by random lottery, which will be performed in front of a person who is independent of the Academy.

In the case of twins, triplets or siblings of a higher multiple birth, where one or more of this sibling group achieve a place in the usual way, but the remaining sibling(s) do not, all of them will be offered a place even where this means exceeding the PAN or normal maximum pupil number for that year group. These children will be 'excepted pupils' in Reception Year, Year 1 and Year 2 for the purpose of the statutory maximum infant class size rules.

Admissions Policy

1. Catholic looked after and previously looked after children.
2. Catholic children who are resident in the school's designated parishes of The Immaculate Conception Stroud, St Joseph's Stonehouse and the Annunciation, Woodchester. Parish boundaries are as shown on the map available from the school's website and office.
3. Other Catholic children. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic. For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Whilst a copy of the certificate may be accepted, the admission authority may request sight of the original. The admission authority may also request additional supporting evidence if the written documents that are provided do not confirm the fact that the person was baptised/received into a Catholic Church. There may occasionally be difficulty in obtaining written evidence of baptism or reception into the Church. In such cases, contact may be made with a Parish Priest for advice on how the question of baptism/reception is to be resolved and

how written evidence is to be produced in accordance with the law of the Church. The Priest may seek advice from Clifton Diocese

4. Other looked after and previously looked after children.
5. Children who are a Catechuman. 'Catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens
6. Children who are a member of an Eastern Christian Church. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church
7. Children of another Christian denomination whose membership is evidenced by a minister of religion. 'Children of other Christian denominations' means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is His body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above. All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.
8. Children of another faith whose membership is evidenced by a religious leader. 'Children of other faiths' means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
   • A religion which involves belief in more than one God, and
   • A religion which does not involve belief in a God.
   Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.
9. Any other children

Within each of the oversubscription categories listed above, the following provisions will be applied in the following order.

(i) Children who will have a brother or sister at the school at the time of enrolment. The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed above those without a brother or sister attending the school, within the category in which the application is made.
Brother or sister' includes: (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.

(ii) Children of a member of the applied for School's staff who has been employed at the school for two or more consecutive years at the time of application, or who was recruited to fill a vacant post for which there is a demonstrable skills shortage. This does not include staff who work on the school site for other employers.

Tie Break

Where children have identical ranking, priority within categories 1, 2, 3 and 5 will be determined by random allocation. For categories, 4, 6, 7, 8 and 9, priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated on the basis of a straight-line measurement between the Ordnance Survey point of the child's home address and the Ordnance Survey Point of the school, using the local authority's computerised measuring system, with those living closer to the school receiving the higher priority. In the event of distances being the same for two or more children, priority will be determined by random allocation.

Random Allocation

Each child will be allocated a number. These numbers are shared with a person independent of the school who will supervise the process. Governors will then use a random number generator to rank the numbers.

For children of a multiple birth, the order created by the random number generator, will be overridden to place all the children from the multiple birth together at the place where the highest child (from the multiple birth) is ranked. The random number generator will then be used to rank the children from the

multiple birth. This process will also be applied to brothers or sisters who are not from a multiple birth but are applying for a place in the same year group.

Supporting Evidence
You are requested to complete a Supplementary Information Form (SIF) if you wish to apply under oversubscription criteria on the grounds of religion and/or because a parent is a member of staff at the school. The SIF should be returned to the school office (see postal and email address above) by 15th January 2027 to be considered in the first round of allocations.

If you do not provide the information required in the SIF and return it by the closing date for the first round of allocations, together with all supporting documentation as appropriate, your child may not be placed in the relevant criteria categories, and this may affect your child's chance of being offered a place. All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15 January 2027.

Sibling Definition - The admission criteria for GLA Schools offers a higher priority for children with siblings who will be attending the school (or the companion junior/ infant school where available) when the applicant child is admitted. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application

Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree and confirm the pupil's address, which must be the same address as the preference school has registered for the sibling connection to apply. The parents' agreement and application must be made before the closing dates in order for the sibling connection to apply.

Where any particular category at points 1-2 above is oversubscribed, criterion 3 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 3 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the GLA. This will be in the form of a manual process which is overseen by an independent person from the Trust Board. Where twins or children from multiple births are part of a random allocation process, they will be considered as one applicant.

*The admission criteria for GLA Schools offers a higher priority for children with siblings who will be attending the school (or the companion junior/ infant school where available) when the applicant child is admitted. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, stepbrother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree and confirm the pupil's address, which must be the same address as the preference school has registered for the sibling connection to apply. The parents' agreement and application must be made before the closing dates in order for the sibling connection to apply.

(Definition of "sibling" is "a brother or sister, half-brother or sister, adopted brother or sister, step brother or sister, or the child of the parent's/carer's partner, and in every case, the child must be living in the same family unit at the same address")

6. Distance.

In the event of over-subscription in any categories above, places will be offered to those children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving higher priority.

In the event of a tie between two or more children when applying criterion 6 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Governing Body.

*Please check with school as to definition of 'regular worship' and evidence required.

3. Children for whom this particular school is appropriate due to an exceptional medical condition. Applications under this criterion will only be considered if they are supported by a written statement from the child's doctor. The final decision to accept a child under this category will be made by the Severnbanks Local Academy Committee through consultation with relevant professionals where necessary.

The distance will be measured in a straight line from the ordnance survey point of the child's home address (including flats) to the ordnance survey point of the school. Those living the closest will receive the higher priority.

Where any particular category at points 1-4 above is oversubscribed, criterion 5 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

Sibling Definition - The admission criteria for GLA Schools offers a higher priority for children with siblings who will be attending the school (or the companion junior/ infant school where available) when the applicant child is admitted. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application

Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree and confirm the pupil's address, which must be the same address as the preference school has registered for the sibling connection to apply. The parents' agreement and application must be made before the closing dates in order for the sibling connection to apply.

Where any particular category at points 1-2 above is oversubscribed, criterion 3 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 3 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the GLA. This will be in the form of a manual process which is overseen by an independent person from the Trust Board. Where twins or children from multiple births are part of a random allocation process, they will be considered as one applicant.

This must demonstrate that there is a very specific connection between the medical need and the facilities or resources of St Andrews.
5. Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving higher priority.

Tie-breaker

In the event that two or more children live at the same distance from the school (as can happen with families living in blocks of flats), random allocation, where supervised drawing of lots by an independent responsible person of good standing, will be used to decide which child(ren) will be allocated the remaining place(s) (in accordance with 1.34 and 1.35 of the School Admissions Code).

Admissions Policy

1. Catholic looked after and previously looked after children.
2. Catholic children who are resident in the parish(es) associated with the school - St. Catharine's Church, Chipping Campden and Our Lady and St. Kenelm Church, Stow-on-the-Wold. A parish map can be found on the school's website or requested from the school office.
3. Other Catholic children. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic. For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Whilst a copy of the certificate may be accepted, the admission authority may request sight of the original. The admission authority may also request additional supporting evidence if the written documents that are provided do not confirm the fact that the person was baptised/received into a Catholic Church. There may occasionally be difficulty in obtaining written evidence of baptism or reception into the Church. In such cases, contact may be made with a Parish Priest for advice on how the question of baptism/reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church. The Priest may seek advice from Clifton Diocese
4. Other looked after and previously looked after children.

5. Children who are a Catechuman. 'Catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens
6. Children who are a member of an Eastern Christian Church. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church
7. Children of another Christian denomination whose membership is evidenced by a minister of religion. 'Children of other Christian denominations' means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is His body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above. All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.
8. Children of another faith whose membership is evidenced by a religious leader. 'Children of other faiths' means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
   • A religion which involves belief in more than one God, and
   • A religion which does not involve belief in a God.
   Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.
9. Any other children

Within each of the oversubscription categories listed above, the following provisions will be applied in the following order.

(i) Children who will have a brother or sister at the school at the time of enrolment. The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed above those without a brother or sister attending the school, within the category in which the application is made.
Brother or sister' includes: (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.

(ii) Children of a member of the applied for School's staff who has been employed at the school for two or more consecutive years at the time of application, or who was recruited to fill a vacant post for which there is a demonstrable skills shortage. This does not include staff who work on the school site for other employers.

Tie Break
Where children have identical ranking, priority within each category will then be determined by random allocation.

Random Allocation
Each child will be allocated a number. These numbers are shared with a person independent of the school who will supervise the process. Governors will then use a random number generator to rank the numbers.

For children of a multiple birth, the order created by the random number generator, will be overridden to place all the children from the multiple birth together at the place where the highest child (from the multiple birth) is ranked. The random number generator will then be used to rank the children from the multiple birth. This process will also be applied to brothers or sisters who are not from a multiple birth but are applying for a place in the same year group.

Supporting Evidence
You are requested to complete a Supplementary Information Form (SIF) if you wish to apply under oversubscription criteria on the grounds of religion and/or because a parent is a member of staff at the school. The SIF should be returned to the school office (see postal and email address above) by 15th January 2027 to be considered in the first round of allocations.

If you do not provide the information required in the SIF and return it by the closing date for the first round of allocations, together with all supporting documentation as appropriate, your child may not be placed in the relevant criteria categories, and this may affect your child's chance of being offered a place. All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15 January 2027.

Admissions Policy

1. Looked after children or previously looked after children.
2. Children who have siblings attending the school and who will continue to do so when the younger child is admitted. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application. Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree and confirm the pupil's address, which must be the same address as the preference school has registered for the sibling connection to apply. The parents' agreement and application must be made before the closing dates in order for the sibling connection to apply.
3. Children who have a parent who is a member of staff at the school and who will continue to do so when the child joins the school roll. A child is defined as a son or daughter, step son or daughter, adopted son or daughter or the child of the parent/carer's partner, and in every case, the child must be living in the same family unit at the same address. A member of staff is defined as anyone who is employed at the school. Priority will be given to children of staff in either or both of the following circumstances: a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; and/or b) the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage*
4. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child's home address (including flats) to the Ordnance Survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

*At first Board of Trustees meeting of each academic year, the Trust Board will receive information from the CEO about the current subject or skills shortage for the school.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 4 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the DGAT. This will be in the form of a manual process which is overseen by an independent person from the Trust Board or its delegated authority. Where twins or children from multiple births are part of a random allocation process they will be considered as one applicant.

Admissions Policy

1. Looked after children or previously looked after children.
2. Children who have siblings* attending the school and who will continue to do so when the younger child is admitted. In the case of companion Infant and Junior schools, priority will be given to pupils attending the companion Infant and Junior school.
   *Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application. Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree and confirm the pupil's address, which must be the same address as the preference school has registered for the sibling connection to apply. The parents' agreement and application must be made before the closing dates in order for the sibling connection to apply.
3. Children who have a parent who is a member of staff at the school and who will continue to do so when the child joins the school roll. A child is defined as a son or daughter, step son or daughter, adopted son or daughter or the child of the parent/carer's partner, and in every case, the child must be living in the same family unit at the same address. A member of staff is defined as anyone who is employed at the school. Priority will be given to children of staff in either or both of the following circumstances: a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; and/or b) the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage*
4. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child's home address (including flats) to the Ordnance Survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

*At first Board of Trustees meeting of each academic year, the Trust Board will receive information from the CEO about the current subject or skills shortage for the school.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 4 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the DGAT. This will be in the form of a manual process which is overseen by an independent person from the Trust Board or its delegated authority. Where twins or children from multiple births are part of a random allocation process they will be considered as one applicant.

Category of School:	Primary
Status of School:	Academy
Age Range:	4-11
Published Admission Number:	30
No. of pupils on roll Jan 2026:	148

Admissions Policy

1. Catholic looked after and previously looked after children.
2. Catholic children who are resident in the parish(es) associated with the school - St. Joseph's Church, Nympsfield, St. Dominic's Church, Dursley and The Annunciation Church, Woodchester. Parish boundaries are as shown on the map available from the school's website and office.
3. Other Catholic children. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic. For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Whilst a copy of the certificate may be accepted, the admission authority may request sight of the original. The admission authority may also request additional supporting evidence if the written documents that are provided do not confirm the fact that the person was baptised/received into a Catholic Church. There may occasionally be difficulty in obtaining written evidence of baptism or reception into the Church. In such cases, contact may be

made with a Parish Priest for advice on how the question of baptism/reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church. The Priest may seek advice from Clifton Diocese

4. Other looked after and previously looked after children.
5. Children who are a Catechuman. 'Catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens
6. Children who are a member of an Eastern Christian Church. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church
7. Children of another Christian denomination whose membership is evidenced by a minister of religion. 'Children of other Christian denominations' means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is His body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above. All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.
8. Children of another faith whose membership is evidenced by a religious leader. 'Children of other faiths' means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
   • A religion which involves belief in more than one God, and
   • A religion which does not involve belief in a God.
   Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.
9. Any other children

Within each of the oversubscription categories listed above, the following provisions will be applied in the following order.

(i) Children who will have a brother or sister at the school at the time of enrolment. The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed above those without a brother or sister attending the school, within the category in which the application is made.
Brother or sister' includes: (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.

(ii) Children of a member of the applied for School's staff who has been employed at the school for two or more consecutive years at the time of application, or who was recruited to fill a vacant post for which there is a demonstrable skills shortage. This does not include staff who work on the school site for other employers.

Tie Break

Where children have identical ranking, priority within categories 1, 2, 3 and 5 will be determined by random allocation. For categories, 4, 6, 7, 8 and 9, priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated on the basis of a straight-line measurement between the Ordnance Survey point of the child's home address and the Ordnance Survey Point of the school, using the local authority's computerised measuring system, with those living closer to the school receiving the higher priority. In the event of distances being the same for two or more children, priority will be determined by random allocation.

Random Allocation

Each child will be allocated a number. These numbers are shared with a person independent of the school who will supervise the process. Governors will then use a random number generator to rank the numbers.

For children of a multiple birth, the order created by the random number generator, will be overridden to place all the children from the multiple birth together at the place where the highest child (from the multiple birth) is ranked. The random number generator will then be used to rank the children from the

multiple birth. This process will also be applied to brothers or sisters who are not from a multiple birth but are applying for a place in the same year group.

Supporting Evidence
You are requested to complete a Supplementary Information Form (SIF) if you wish to apply under oversubscription criteria on the grounds of religion and/or because a parent is a member of staff at the school. The SIF should be returned to the school office (see postal and email address above) by 15th January 2027 to be considered in the first round of allocations.

If you do not provide the information required in the SIF and return it by the closing date for the first round of allocations, together with all supporting documentation as appropriate, your child may not be placed in the relevant criteria categories, and this may affect your child's chance of being offered a place. All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15 January 2027.

In every case, the child must be living in the same family unit at the same address."

- Be aged 16 years or over.
- Be baptised.
- Be a lay member of the Church of England.
- Be either resident in the ecclesiastical parish, or for the previous six months have habitually attended public worship in the parish.

A member of staff is defined as anyone who is employed at the school. Priority will be given to children of staff in either or both of the following circumstances: a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; and/or b) the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage*
4. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child's home address (including flats) to the Ordnance Survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

*At first Board of Trustees meeting of each academic year, the Trust Board will receive information from the CEO about the current subject or skills shortage for the school.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 4 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the DGAT. This will be in the form of a manual process which is overseen by an independent person from the Trust Board or its delegated authority. Where twins or children from multiple births are part of a random allocation process they will be considered as one applicant.

Admissions Policy (see also 'Notes' below)

1. Catholic looked after and previously looked after children.
2. Catholic children who are resident in the school's designated parishes of Our Lady's Churchdown, or St. Patrick's, Brockworth.
3. Other Catholic children.
4. Other looked after and previously looked after children.
5. Children who are a Catechumen.

6. Children who are a member of an Eastern Christian Church.
7. Children of another Christian denomination whose membership is evidenced by a minister of religion.
8. Children of another faith whose membership is evidenced by a religious leader.
9. Any other children.

Within each of the oversubscription categories listed above, the following provisions will be applied in the following order.

(i) Children who will have a brother or sister at the school at the time of enrolment. The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed above those without a brother or sister attending the school, within the category in which the application is made.

(ii) Children of a member of St Mary's Catholic Primary School staff who has been employed at the school for two or more consecutive years at the time of application, or who was recruited to fill a vacant post for which there is a demonstrable skills shortage. This does not include staff who work on the school site for other employers.

Tie Break
Where children have identical ranking, priority within each category will then be determined by random allocation (see below).

Random Allocation
Each child will be allocated a number. These numbers are shared with a person independent of the school who will supervise the process. Governors will then use a random number generator to rank the numbers. For children of a multiple birth, the order created by the random number generator, will be overridden to place all the children from the multiple birth together at the place where the highest child (from the multiple birth) is ranked. The random number generator will then be used to rank the children from the multiple birth. This process will also be applied to brothers or sisters who are not from a multiple birth but are applying for a place in the same year group.

The admission authority will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's PAN.

Notes

- To apply for a place at this school in the normal admission round, you must complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form (SIF) if you wish to apply on the grounds of religion and/or because a parent is a member of staff at the school (see (ii) above). The SIF should be returned to the school office (see above postal and email addresses) by 15th January 2027 to be considered in the first round of allocations. If you do not provide the information required in the SIF and return it by the closing date for the first round of allocations, together with all supporting documentation as appropriate, your child may not be placed in criteria categories 1 to 3 or 5 to 8, and this may affect your child's chance of being offered a place.

- 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic

  For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Whilst a copy of the certificate may be accepted, the admission authority may request sight of the original. The admission authority may also request additional supporting evidence if the written documents that are provided do not confirm the fact that the person was baptised/received into a Catholic Church.

  There may occasionally be difficulty in obtaining written evidence of baptism or reception into the Church. In such cases, contact may be made with a Parish Priest for advice on how the question of baptism/reception is to be resolved and how written evidence is to be produced in accordance with the law of the Church. The Priest may seek advice from Clifton Diocese.

- ‘Catechumen’ means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.

- ‘Eastern Christian Church’ includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

- ‘Children of other Christian denominations’ means children who belong to other churches and ecclesial communities which acknowledge God’s revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God’s will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is His body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

  All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

- 'Children of other faiths’ means children who are members of a religious community that does not fall within the definition of ‘other Christian denominations’ referenced above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
  • A religion which involves belief in more than one God, and
  • A religion which does not involve belief in a God.

  Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

- ‘Brother or sister’ includes:
  (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
  (ii) (ii) the child of a parent’s partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.

- A ‘parent’ means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

- A child’s “home address” refers to the address where the child usually lives with a parent or carer and will be the address provided in the Common Application Form (“CAF”). Where parents have shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.

For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application. Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree and confirm the pupil's address, which must be the same address as the preference school has registered for the sibling connection to apply. The parents' agreement and application must be made before the closing dates in order for the sibling connection to apply.

Tie Break

Where children have identical ranking, priority within categories 1, 2, 3 and 5 will be determined by random allocation. For categories, 4, 6, 7, 8 and 9, priority will be given to children living closest to the

Admissions Policy

1. Looked after children or previously looked after children.
2. Children who will have siblings attending the school at the time the applicant child is admitted. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application. Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree and confirm the pupil's address, which must be the same address as the preference school has registered for the sibling connection to apply. The parents'

agreement and application must be made before the closing dates in order for the sibling connection to apply.
3. Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority

Tie Break
Where oversubscription is still the case, having applied criteria 1-2, then criterion 3 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place. In the event of a tie between two or more children when applying criterion 3 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation (i.e. drawing of lots) will be followed by the Governing Body. Where twins or multiple births are part of the process, they will be considered as one applicant.

1. Highest priority will be given to Looked after children and previously looked after children.
2. Priority will next be given to children of staff at the school, in either of the following circumstances;

    a. The member of staff has been employed by Warden Hill Primary School for 2 or more years at the time at which the application for admission to the school is made, **or**
    b. The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

3. Priority will next be given to children with siblings at the school. Siblings include step siblings, foster siblings, adopted siblings and other children living permanently at the same address. Priority will not be given to children with siblings who are former pupils of the school.
4. Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the

school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

Tie-Break
In the case of 2 or more applications that cannot be separated by the oversubscription criteria outlined above, the school will use the distance between the school and a child's home as a tie breaker to decide between applicants. Priority will be given to children who live closest to the school.

Distance will be measured in a straight line from the child's home address to the school's front gates on Durham Close. A child's home address will be considered to be where he/she is resident for the majority of nights in a normal school week.

Where the distance between 2 children's homes and the school is the same, random allocation will be used to decide between them (drawing random sealed envelopes with name of one child per envelope, numbers assigned to pupils then drawn from an electronic randomizer). This process will be independently verified.

Age Range:	4-11
Published Admission Number:	60
No. of pupils on roll Jan 2026:	314

Admissions Policy

1. Looked after children or previously looked after children.

2. Children who have either exceptional medical or social grounds for admission to this school. This evidence must set out the particular reason why the child should attend this school rather than any other and show that this is the only suitable school to meet their stated needs, why no other local school could meet those needs and what the difficulties would be if the child had to attend any other local school.

   Parents should complete the Trust's Social and Medical Form (in addition to the CAF*), which can be found on the school's website. The Social and Medical Form must be supported by relevant written evidence from a registered professional(s) involved with the child. Examples include registered health professionals, such as a Consultant, GP, Psychologist or Psychiatrist. All evidence must be on letter-headed paper and reflect the child's current situation.
   The Trust's Social and Medical Form must be submitted directly to the Greenshaw Learning Trust no later than 15 January via email to s.m@greenshawlearningtrust.co.uk or posted to, Head of Admissions, Greenshaw Learning Trust, Oru Sutton, 7 Throwley Way, Sutton SM1 4AF.

   Evidence submitted after the closing date will not be considered. Only in exceptional circumstances the Trust may apply discretion to consider evidence submitted after the closing date. It is therefore important that all relevant evidence is submitted at the time of application and should be submitted before the closing date to ensure full consideration.

   Applications will be assessed against the evidence and determined as a joint decision of the Greenshaw Learning Trust Head of Admissions and the school's Headteacher.

   *The CAF must be submitted directly to the child's home Local Authority no later than 15 January.

3. Children of permanent members of staff of the school where:

   ● The member of staff has been employed at Waterwells Primary Academy for two or more consecutive years at the time at which the application for admission to the school is made; or
   ● The member of staff has been recruited to fill a vacant post for which there is a demonstrable skill shortage.

4. Children who will have a sibling at the school at the time of admission. Sibling refers to brother or sister, half brother or sister, adopted brother or sister, foster brother or sister, step brother or sister, or the child of the parent's partner, as well as children who are brought together as a family by a same-sex civil partnership. In every case, the child must be living in the same family unit at the same address, Monday to Friday at the time of the application. Cousins or children of friends living with their parents in the same household are not included. Siblings in Year 6 at the time of an application to start Reception will not qualify as a sibling.

5. Distance. Any remaining places will be offered based on proximity of the child's home address (as at the closing date of 15 January) to the school. Distances will be measured in a straight-line distance using the computerised system as specified by Gloucestershire Council.

   The address on the application must be the child's permanent place of residence. The address will normally be the parents' address. It should not be a business or carer's/childminder's address. It should also not be a relative's address unless the child lives at that address as their normal place of residence. Parents must not use a temporarily rented address to secure a school place for their child if they still possess or rent a property previously used as a home address. Nor will a temporary address be accepted if we believe that the temporary address is being used solely for the purpose of obtaining a school place when an alternative address is still available to that child.

   Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration (i.e. a letter) signed by both parents stating the pattern of residence. A letter of joint declaration should be sent to the student's home Local Authority and must be received before the closing date of 15 January. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school.

   If no joint declaration is received by the closing date for applications, then if the residence is not split equally between both parents the home address will be determined to be the address where the child spends the majority of the school week; if residence is split equally between both parents the home address will be determined to be the address where the child is registered with the doctor. However, all evidence will be taken into account.

   Applicants living outside of England may submit an application if they have a linked address within the Local Authority area, and documentary evidence must be supplied to show they will return to the address prior to the September of the year of entry; this address must not be an address of convenience. Where a linked address is not available the overseas address will be used to determine the home to school distance.

   For families of service personnel with a confirmed posting to the area, or crown servants returning from overseas to live in the area, who do not currently live in the area, a Unit postal address or quartering area address will be used as the home address, provided that the application is accompanied by an official letter that declares a relocation date and the address.

   Applications are ranked in accordance to the home to school distance within each priority. The distance measurement used is defined within Priority 5, for distance.

   Tie Break: Where two or more applicants share priority for a place, the child to be offered a place will be selected by the drawing of lots. Lots will be drawn by a senior officer of the Greenshaw Learning Trust Shared Service who is independent of the school's admissions process.

Age Range:	4-11

No. of pupils on roll Jan 2026:	58

Admissions Policy

1. Looked after children or previously looked after children.
2. Children who have a sibling attending the school and who will continue to do so when the younger child is admitted. We define siblings as a brother or sister, half-brother or half-sister, adopted brother or

adopted sister, step-brother or step-sister, or the child of the parent's/carer's partner, and in every case, the child must be living in the same family unit at the same address.

3. Where the family lives in the ecclesiastical parishes of Westbury, Flaxley and Blaisdon. A map showing the ecclesiastical parishes of Westbury, Flaxley and Blaisdon may be viewed at the school office or emailed. It is also available on the school website in the policy section.
4. Where the family though living outside the parishes has active connections with St. Mary, St. Peter & St. Paul Westbury-on-Severn, St. Michael & All Angels Blaisdon and St. Mary the Virgin Church Flaxley. Active connections require regular attendance at the principal act of worship on a Sunday in any of the parish churches of Westbury-on-Severn, Blaisdon or Flaxley at least once a month on average during the two years prior to consideration of this application. The application should be supported by a Supplementary Information Form (SIF) from the minister and should be addressed to the school admissions officer. However, where a family has moved into the area within the two years, consideration will still be given to the application, providing regular attendance at any of the above mentioned parish churches can be verified by the minister using the Supplementary Information Form. In the event that during the period specified for attendance at worship the church, has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.
5. Where specifically a Church of England School is sought by the parent(s) or guardian(s). The Common Application Form contains a box into which families can express their reasons for specifically seeking a Church of England School. These reasons will be considered as part of the admissions procedure.
6. Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.
7. Any remaining places or if the number of places available is exceeded in any category, then available places in that category will be allocated by the Governors in the order of those with the strongest geographical claim measured in a direct line.

Where any particular category at points 1-5 is oversubscribed, criterion 6 (Children with the strongest geographical claim, measured in a straight line from the ordnance survey address point of the child's home address (including flats) to the ordnance survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority) will be used to determine which child will be offered a place.

In the event of a tie between two or more children when applying criterion 6 where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the Governing Body.

Admissions Policy

1. Looked after children or previously looked after children.
2. Children who have siblings attending the school and who will continue to do so when the younger child is admitted. For this purpose, sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner as well as children who are

brought together as a family by a same sex civil partnership. In every case, the child must be living in the same family unit at the same address, at the time of application. Where a child lives with both parents on a 50/50 (equal) basis, both parents must agree and confirm the pupil's address, which must be the same address as the preference school has registered for the sibling connection to apply. The parents' agreement and application must be made before the closing dates in order for the sibling connection to apply.

3. Children who have a parent who is a member of staff at the school and who will continue to do so when the child joins the school roll. A child is defined as a son or daughter, step son or daughter, adopted son or daughter or the child of the parent/carer's partner, and in every case, the child must be living in the same family unit at the same address. A member of staff is defined as anyone who is employed at the school. Priority will be given to children of staff in either or both of the following circumstances: a) where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; and/or b) the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage*
4. Children with the strongest geographical claim, measured in a straight line from the Ordnance Survey address point of the child's home address (including flats) to the Ordnance Survey address point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

*At first Board of Trustees meeting of each academic year, the Trust Board will receive information from the CEO about the current subject or skills shortage for the school.

Where any particular category at points 1-3 above is oversubscribed, criterion 4 (strongest geographical claim based on straight line distance) will be used to determine which child is offered a place.

In the event of a tie between two or more children when applying criterion 4 (strongest geographical claim based on straight line distance) where there are not enough places available to offer all children a place at the school, a process of random allocation will be followed by the DGAT. This will be in the form of a manual process which is overseen by an independent person from the Trust Board or its delegated authority. Where twins or children from multiple births are part of a random allocation process they will be considered as one applicant.

Admissions Policy

1. Looked after children or previously looked after children.

2. Priority for children who have an exceptional social and/or medical need.

Children who have either medical or social grounds for admission to this school. This evidence must set out the particular reason why the child should attend this school rather than any other and show that this is the only suitable school to meet their stated needs, why no other local school could meet those needs and what the difficulties would be if the child had to attend any other local school.

Parents should complete the Trust's Social and Medical Form (in addition to the CAF*), which can be found on the school's website www.widdenprimaryschool.net The Social and Medical Form must be supported by relevant written evidence from a registered professional(s) involved with the child. Examples include registered health professionals, such as a Consultant, GP, Psychologist or Psychiatrist. All evidence must be on letter-headed paper and reflect the child's current situation.

The Trust's Social and Medical Form must be submitted directly to the Greenshaw Learning Trust no later than 15 January via email to s.m@greenshawlearningtrust.co.uk or posted to, Head of Admissions, Greenshaw Learning Trust, Oru Sutton, 7 Throwley Way, Sutton SM1 4AF.

*The CAF must be submitted directly to the child's home Local Authority no later than 15 January.

Evidence submitted after the closing date will not be considered. Only in exceptional circumstances the Trust may apply discretion to consider evidence submitted after the closing date. It is therefore important that all relevant evidence is submitted at the time of application and should be submitted before the closing date to ensure full consideration. Applications will be assessed against the evidence and determined as a joint decision of the Greenshaw Learning Trust Head of Admissions and the school's Headteacher.

3. Priority for children of permanent members of staff of the school. Where;

- The member of staff has been employed at Widden Primary School for two or more consecutive years at the time at which the application for admission to the school is made; or
- The member of staff has been recruited to fill a vacant post for which there is a demonstrable skill shortage

4. Children who will have a sibling at the school at the time of admission. Sibling refers to brother or sister, half brother or sister, adopted brother or sister, foster brother or sister, step brother or sister, or the child of the parent's partner, as well as children who are brought together as a family by a same-sex civil partnership. In every case, the child must be living in the same family unit at the same address, Monday to Friday at the time of the application. Cousins or children of friends living with their parents in the same household are not included. Siblings in Year 6 at the time of an application to start Reception will not qualify as a sibling.

5. Distance: Any remaining places will be offered based on proximity of the child's home address (as at the closing date of 15 January) to the school. Distances will be measured in a straight-line distance using the computerised system as specified by Gloucestershire Council.

Address Notes

The address on the application must be the child's permanent place of residence. The address will normally be the parents' address. It should not be a business or carer's/childminder's address. It should also not be a relative's address unless the child lives at that address as their normal place of residence. Parents must not use a temporarily rented address to secure a school place for their child if they still possess or rent a property previously used as a home address. Nor will a temporary address be accepted if we believe that the temporary address is being used solely for the purpose of obtaining a school place when an alternative address is still available to that child.

Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration (i.e. a letter) signed by both parents stating the pattern of residence. A letter of joint declaration should be sent to the student's home Local Authority and must be received before the closing date of 15 January. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school.

If no joint declaration is received by the closing date for applications, then if the residence is not split equally between both parents the home address will be determined to be the address where the child spends the majority of the school week; if residence is split equally between both parents the home address will be determined to be the address where the child is registered with the doctor. However, all evidence will be taken into account.

Applicants living outside of England may submit an application if they have a linked address within the Local Authority area, and documentary evidence must be supplied to show they will return to the address prior to the September of the year of entry; this address must not be an address of convenience. Where a linked address is not available the overseas address will be used to determine the home to school distance.

For families of service personnel with a confirmed posting to the area, or crown servants returning from overseas to live in the area, who do not currently live in the area, a Unit postal address or quartering area address will be used as the home address, provided that the application is accompanied by an official letter that declares a relocation date and the address.

Applications are ranked in accordance to the home to school distance within each priority. The distance measurement used is defined within Priority 5, for distance.

Tie Break: Where two or more applicants share priority for a place, the child to be offered a place will be selected by the drawing of lots. Lots will be drawn by a senior officer of the Greenshaw Learning Trust Shared Service who is independent of the school's admissions process.
