

Action ID	Theme	Recommendation	Action	Responsibility	When	Progress report (red for delays)	Progress RAG
0801	Theme 8: Retrofit	<p><b>Maintenance and promotion of Gloucestershire Energy Efficiency platform</b></p> <p>Continue the promotion of the energy efficiency platform, working with partners Furbnow and the Centre for Energy Equality, since its launch in January 2025.</p> <p>(Action updated as the work over this year to launch platform has replaced previous trial platform action)</p>	<p>Work with Furbnow to develop a comms plan for the platform for 25-26.</p> <p>Work with comms officers to disseminate info and promote the platform accordingly.</p> <p>Ensure messaging and content of the platform remains appropriate and up-to-date.</p> <p>Suggest and support events to further promote the platform and engage residents.</p>	Theme lead, contractors Furbnow and Centre for Energy Equality, all district council platform contract partners	<p>Platform launch- Jan 25: Complete</p> <p>Maintenance and improvement to platform - ongoing</p>	<p>Platform landing page went live in Jan 25- <a href="http://www.furbnow.com/gloucestershire">www.furbnow.com/gloucestershire</a></p> <p>Initial marketing and promotion done via media and social networks, with some event attendance.</p> <p>Longer term comms plan for Y2 of contract is now drafted and being put into place</p>	
0802	Theme 8: Retrofit	<p><b>Green Skills development</b></p> <p>Explore the most cost-effective option to provide in-county PAS2035 qualifications and skills coordination.</p>	Support the Economy theme action: Provision of a Green Skills Coordinator to stimulate the proliferation of installers and green skills across the county.	Economy theme lead, Green Skills Coordinator	Spring 2024	Green Skills Coordinator and working to dovetail into retrofit supply stimulation, particularly with our contractor Furbnow's Supply Chain Lead.	

0803	<b>Theme 8: Retrofit</b> <b>Market Support and Engagement</b> Share best practice on retrofit engagement across the county, including the learnings from retrofit projects in progress.	Utilise the learnings from projects, including both Low Carbon Communities and the SWNZH-funded (and CLG-facilitated) engagement work in Cotswold, Cheltenham and Forest of Dean, on how to engage residents on energy efficiency, in future support offers. Support the coordination and promotion of individual district retrofit offers.	Theme lead, CLG Coordinator, Retrofit Engagement Officers	Ongoing	Innovate 2 Renovate an Low Carbon Communities reports and documents shared. Retrofit Engagement Officers in post, with their learnings continually shared with engagement group, and final report shared with CLG at Sept 25 meeting, which includes learnings and future opportunities for activity that could be implemented county-wide. This will inform potential future actions for this plan.
