Walking Times to Nearest Pharmacy or Dispensing GP

- Up to 10 mins
- Up to 20 mins
- Up to 30 mins
- Up to 40 mins
- Up to 50 mins
- District Boundary

**Blank Areas = over 50 minutes in specified parameters**

These are theoretical minimum times (i.e. no traffic or red lights) which take no account of actual road conditions but which provide a consistent figure for comparisons. The Ordnance Survey Path network is used for walking journeys to the nearest bus stop. Some footpath networks in rural areas are not included e.g. Public Rights of Way
