

## Due Regard for Permanent/Experimental TROs

The Council has a duty to give 'due regard to' the following three aims of the public sector equality duty (section 149 of the Equality Act 2010) during the development of the 'policy'.<sup>1</sup>

- Eliminate discrimination, harassment and victimisation and any other conduct prohibited by the ACT;
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it; and
- Foster good relations between people who share a protected characteristic

An initial assessment against each of the protected groups is provided below – any issues highlighted through the consultation process will be considered and reported at the end of the consultation period.

|                    |                                                          |
|--------------------|----------------------------------------------------------|
| <b>Scheme name</b> | <b>A435 Evesham Road, Cheltenham (40mph Speed Limit)</b> |
|--------------------|----------------------------------------------------------|

  

| <b>Protected group</b>                            | <b>Challenge or opportunity considered and what we did</b>                                                                              |
|---------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| <b>Age(A)</b>                                     | No negative or positive impact on this group has been identified at this time as all road users will benefit from a reduced speed limit |
| <b>Disability (D)</b>                             | No negative or positive impact on this group has been identified at this time as all road users will benefit from a reduced speed limit |
| <b>Sex (S)</b>                                    | No negative or positive impact on this group has been identified at this time as all road users will benefit from a reduced speed limit |
| <b>Race (including Gypsy &amp; Traveller)(R))</b> | No negative or positive impact on this group has been identified at this time as all road users will benefit from a reduced speed limit |
| <b>Gender reassignment(GR)</b>                    | No negative or positive impact on this group has been identified at this time as all road users will benefit from a reduced speed limit |
| <b>Marriage &amp; civil partnership (MCP)</b>     | No negative or positive impact on this group has been identified at this time as all road users will benefit from a reduced speed limit |
| <b>Pregnancy &amp; maternity (PM)</b>             | No negative or positive impact on this group has been identified at this time as all road users will benefit from a reduced speed limit |
| <b>Religion and/or Belief (RAOB)</b>              | No negative or positive impact on this group has been identified at this time as all road users will benefit from a reduced speed limit |

---

<sup>1</sup> For 'policy': any new and existing policy, strategy, services, functions, work programme, project, practice and activity. This includes decisions about budgets, procurement, commissioning or de-commissioning services, service design and implementation.

|                               |                                                                                                                                                |
|-------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Sexual Orientation(SO)</b> | <b>No negative or positive impact on this group has been identified at this time as all road users will benefit from a reduced speed limit</b> |
