Yes we will allow the inspector access to our land. However we would like prior notice and to be able to accompany them.

Thankyou

Good morning,

I have finished my submission relating to the Order to add routes to the Definitive Map and Statement across Verney Fields and the surrounding area in Stonehouse. I aim to send it off early in the New Year. The Planning Inspectorate will then process it according to their own priorities.

One of the last points I am required to do on behalf of the Inspector is to ask you whether you will allow him access to your land to inspect the Order routes.

Could you please provide me with a response which I can include within my submission.

Thank you.

Jaci

I have moved away.

The vandals celebrated getting your dmms through the crow meeting, by mass vandalising the land there & vandalising & attempting to set on fire our Farmhouse some miles north. I had to board up smashed windows & move away, they tried to do serious harm to me & my family.

The fences are all destroyed so access isn't an issue.

The way this has been handled has destroyed our lives.

You don't often get email from [REDACTED]. [Learn why this is important](#)

Hi Jaci

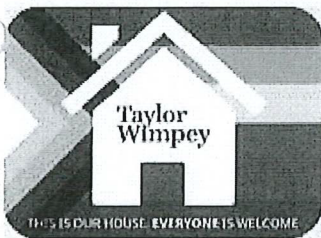

I confirm we have no objections to the Inspector crossing any land we own to access the routes.

Kind regards

Sam
