

Early Years & Childcare Provider Bulletin

EY and Childcare Provider Bulletin; 9 January 2026

Dear provider,

Happy New Year! We hope you all managed some rest time with family and friends.

It was lovely to wake up to a crisp frosty morning on Tuesday, with many areas of the county experiencing snow! If we are lucky enough to see further snow do take the opportunity to play outside. Many of the children may not have seen snow before!

Unfortunately, we have heard of some practitioners that were poorly over the festive period. Staying well during the winter months can be a challenge when working in early years.

Please see the '[winter update](#)' information to support you to stay well.

Ofsted inspection framework

As you know the latest Ofsted inspection framework started to be used on 10th November 2025. There has not yet been many inspections in the county using the toolkit but we hope to share information with you regarding the process as we find out more.

Please continue to read through and take note of the documents listed which will guide and support you through your next inspection.

Remember from April 2026 Ofsted will return to inspections every 4 years.

Over the last 2 years the Quality Leads have been out visiting all early years providers across the county.

As part of the Quality Improvement team offer we aim to offer a face-to-face visit to all those registered with Ofsted within a 2-year cycle that started in January 2026.

If you require support before one of the Quality Leads get in touch with you, please email the Quality inbox
